# Report of the Directors

Distribution of Revenue 2019-20

#### TO THE MEMBERS OF WENDT (INDIA) LIMITED

Your Directors have the pleasure in presenting the 39<sup>th</sup> Annual Report of Wendt (India) Limited (hereinafter referred to as the Company) together with the Audited Financial Statements for the year ended 31<sup>st</sup> March 2021. The Management Discussion & Analysis Report which is required to be furnished as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as the Listing Regulations) has been included in the Directors' Report to avoid duplication and overlap.

#### ECONOMIC OVERVIEW

The year 2020 began with the spread of the Corona Virus (COVID-19) impacting economies resulting in a global recession, steepest over the last eight decades. With stricter lockdowns imposed in various countries, the pandemic led to demand shortfalls, supply chain bottlenecks, disturbances in global trade travel, tourism and massive outflow of capital.

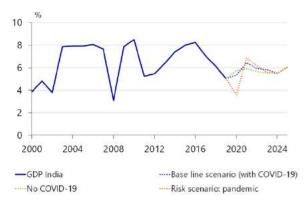

#### Global Economic Impact Of COVID-19

In India, which witnessed one of the strictest lockdowns in the world, the contraction in its GDP was recorded to be one of the steepest among major economies.

The economy was adversely impacted by the unprecedented health crisis despite the Government taking several proactive, preventive and mitigating measures. The Government of India imposed a strict 21 days nationwide lockdown from 25th March 2020, under the Disaster Management Act, 2005, with subsequent extensions and relaxations, to contain the spread of COVID-19 while ramping up Boomborg Quint the health infrastructure in the country. The

lockdown measures, imposed to contain the spread of COVID-19 pandemic in India, ubiquitously affected employment, business, trade, manufacturing and service activities. The Gross Domestic Product (GDP) growth was projected to contract by 7.7 per cent in 2020-21 as compared to a growth of 4.2 per cent in 2019-20. GDP growth, however, is expected to rebound in 2021-22 owing to the reform measures undertaken by the Government but yet continues to be vulnerable owing to the resurgence of the pandemic across the world.

Schemes, revamp of Viability Gap Funding scheme for social infrastructure, new power tariff policy

As a measure to boost the economy, the Government announced a special economic and comprehensive package under Atma Nirbhar Bharat of ₹ 20 lakh crore - equivalent to 10 per cent of India's GDP. Several structural reforms announced as a part of the package, inter alia, include deregulation of the agricultural sector, change in definition of MSMEs, new PSU policy, commercialization of coal mining, higher FDI limits in defence and space sector, development of Industrial Land/Land Bank and Industrial Information System, Production Linked Incentive and incentivizing States to undertake sector reforms. Apart from this, various steps were also taken to boost consumption.

While the initial half year of FY 2020-21 saw steep contractions in growth at 23.9 per cent, the Indian sub-continent witnessed a 7.5 per cent decline in Q2. However, the fundamentals of the economy remained strong as gradual scaling back of lockdowns along with the astute support of Atma Nirbhar Bharat Mission placed the economy firmly on the path of revival. Sector-wise, agriculture remained the silver lining while contact-based services, manufacturing, construction which hit hardest has been recovering steadily.

The initial policy choice of 'lives over livelihood' succeeded by 'lives as well as livelihood' with the festive season round the corner started showing positive results from Q3. The reignited inter and intra state movement and record-high monthly GST collections marked the unlocking of industrial and commercial activity. A palpable V-shaped recovery in industrial production was observed over the year. Manufacturing rebounded and industrial value started to normalize. The services sector sustained its recovery from the pandemic driven declines with PMI Services output and new business rising for the third straight month in December 2020. Recovery since then was supported by vaccine inoculation drives in the country, sustained accommodative monetary policies and further sizeable fiscal stimulus.

The second wave of infections presents a risk to the country's growth as the re-imposition of virus management measures may curb economic activity and could dampen market and consumer sentiment. This was also mirrored in the Reserve Bank of India's March consumer confidence survey which showed a deterioration in perceptions of the economic situation and expectations of decreased spending on non-essential items. Given the devastating impact of the second wave, India's GDP growth estimates for the current year are set to be progressively recalibrated downwards but the less stringent lockdowns, vaccination campaigns as well as other initiatives being taken to tackle the resurgence is expected to have less adverse severity.

#### **INDUSTRY STRUCTURE & DEVELOPMENTS**

The demand for Super Abrasive products is closely linked to the level of industrial production. Super Abrasives are used to manufacture long-lasting, expensive items like auto and aircraft parts, demand for which is highly cyclical. Diamond and Cubic Boron Nitride (CBN) Super Abrasive products are used extensively in aerospace industry and other industrial applications where price considerations are less significant as they incur high initial costs. They are used in the machining of materials such as nickel, cast iron and cobalt-based superalloys, where precision in machining operations is of prime importance.

Increasing complexity of Super Abrasive technology in high performance applications and its high initial cost make it difficult for small-scale and medium-scale companies to compete with the global market leaders. While industry leaders can afford significant research operations, most unorganized players do not have access to substantial R&D resources. This disparity can make it difficult for small and medium-scale companies to compete in the market, in terms of developing products that may require advanced technologies.

The Company being a total Grinding & Honing Solution provider, innovation is at the core of the Company's products and processes. As such majority of our products are customized to fulfil the customer's requirements.

13

Our comprehensive product range backed by stateof-the-art technology, valued-added services and consistent performance, by and large fulfil the needs and expectations of our customers in diverse industrial segments.

The Company is a preferred supplier for many of the automobile, auto component, engineering, aerospace, defence, ceramics customers for their Super Abrasive Tooling solutions, Grinding & Honing Machines and Precision components. A major contribution to the Company's revenues in the forthcoming years is expected to come from these industries.

The Company is committed to introducing new products and exploring new markets for Glass Wheels

for Auto/Solar/Construction Application; Textile industry for Knife grinding industry; High performance grinding wheels for the cutting tool industry.

#### COMPANY PERFORMANCE OVERVIEW (STANDALONE)

			(₹ in lakhs)
	FY 2020- 21	FY 2019- 20	% Change
Domestic Sales	8,622	8,033	7
Export Sales	3,278	4,004	-18

Profit After Tax	1,291	934	38
Capital Employed	12,558	11,966	5
Earnings per Share - ₹	64.56	46.70	38

During the FY 2020-21, the Company clocked a sale of ₹ 11,900 lakhs, lower by 1 per cent over the previous year.

Considering the preventive measures to curtail the spread of COVID-19 and in line with the directions issued by the Ministry of Home Affairs, the Company had to temporarily suspend its manufacturing operations from 23<sup>rd</sup> March 2020 leading to a tepid performance in the month of April 2020. However, the Company was able to commence its operations towards the end of April 2020 after obtaining necessary approvals from various regulatory authorities and following the requisite COVID related safety protocols. The operations resumed gradually since then and the revival begun at a better pace from second guarter onwards.

The demand for Company's products and services in the domestic market was impacted due to lower orders from industry segments viz., Automobile, Bearing, Engineering & allied sector. The Company recorded a domestic sale of ₹ 8,622 lakhs during the year ended 31<sup>st</sup> March 2021, which is higher by 7% than the previous year. The increase in sales was on account of rebound in target industries like Automobile ancillaries, Refractories, Glass etc.

During the year, the Company continued to engage with its key customers through virtual platforms considering the lockdown and the resultant travel restrictions. The Marketing and the Product Development teams organised virtual seminars on the Company's products and applications to address customer requirements.

The year witnessed a strong decline in the export business of the Company. The Company recorded an export sale of ₹ 3,278 lakhs during the year, lower by 18% over the previous financial year. This was primarily towing to the continued volatility and global slowdown. The lower exports were also on account of lower offtake from global customers due to continued slow down and lockdowns imposed in view of the second wave of COVID reported in UK, US, China and other European countries. Further, due to international travel restrictions, visiting and meeting customers in focus countries continued to be a challenge and the virtual connects with customers on electronic platforms subsisted.

During the year, the Company continued its dedicated efforts in pursuing business in its three major verticals namely Super Abrasives, Machines and Components. The Company will continue to deploy the required investments and resources in identified growth areas considering its long-term growth strategy.

The **Super Abrasive Business** comprising Diamond/CBN Grinding Wheels in various Bonding Systems, Rotary Dressers, Stationary Dressers, Hones and Segmented products, was majorly impacted by the volatile situation & lower orders from some of the key overseas markets like the United States, Germany, United Kingdom, China etc. However, amidst many challenges, business has achieved a growth of over 5 per cent in the domestic market.

With an aim to explore opportunities in new markets, customers and applications, the Company has adopted online Marketing initiatives and a B2B Digital Marketing Platform.

The **Machines Business** clocked a sale of ₹ 2,233 lakhs, a growth of 17 per cent over the previous year, on the back of good orders from the domestic and overseas market. The Company has developed and established models/variants for the Steel Industry viz., High Precision Tungsten Carbide Ring Grinding Machine: Delta 450/350/250, PDM 400. These machines have been well received by the customers projecting a good performance. Machine sales in the export market achieved an impressive growth especially in the South East Asian countries.

During the year, the Company successfully conducted online commissioning of some of its machines viz., Delta 150, WDM 8V etc. at customer's place in view of the travel restrictions.

The Precision Components Business clocked a sale of ₹ 1,611 lakhs, lower by 5% over the previous year. The Components business faced a few challenges in terms of lower volume off take by customers in the Automobile sector.

The Company focused on exploring new business opportunities in aerospace, compressor & hydraulic parts, special inserts, Carbide industry, deploying its core competencies - Expertise, Experience and Knowledge on Grinding, Machines & Super Abrasive Tools for producing related precision components.

#### **Focus on Process Efficiency**

The Company continues to focus on improving operational efficiency as well as optimal utilization of various resources in manufacturing and production areas. During the year, the Company has commenced a pilot project called POLCA initiative with support from an external partner. This project covers reorganizing the machine layout in the shop floor thereby reducing lead-time/waiting time and improving the utilisation of inventory and other resources in the shop floor. This project is proposed to be extended to the support functions as well. This

initiative is beneficial in addressing some of the key areas like planning and scheduling, production reliability, materials availability and product delivery. The Company ensures maintaining minimum inventory levels while safeguarding on-call supplies and on-time delivery to customers.

Optimum use/sweating of assets based on Value Stream Mapping, by using common pool of resources (machines) for similar operation across all cells remains the Company's priority.

Supply Chain efficiency is one of the Company's key focus area. The Company is committed in reducing product lead time and improving operational efficiency.

On the raw material front, the Company continuously develops alternative, reliable and competitive sources/suppliers for critical raw materials including Diamond/CBN, machine castings, systems, electrical, chemicals etc.

#### FUTURE PROSPECTS AND OUTLOOK

Growing working population, expanding middle class etc. are FEMORAL BONE RASP expected to be the key demand drivers in the auto ancillary segment. The Indian auto components industry is expected to reach USD 200 billion in revenue by 2026.

With regards to the steel industry, India's finished steel consumption is anticipated to increase to 230 MT by 2030-31 from 98.71 MT in 2018-19. The ongoing consolidation of players presents an opportunity for global players to enter the Indian market.

## GRINDING

**Dental File** 

The Company will leverage the capabilities in all of its three business verticals to capitalise the opportunities presented by the auto and steel industries. There has been push for digitalization, automation and optimization of processes in the manufacturing ecosystem in the medium to long-term which the Company will leverage. Super Abrasive products are used in various medical applications such as Surgical Instruments, Hypodermic Needles, Dental implants, Knee, Hip and Shoulder joints. Availability of nano Cubic Boron Nitride particles is expected to open up more untapped medical applications in the near future. Also growing Consumer Electronic Segment, with manufacturing facilities in India is expected to provide a wide array of opportunities for consumption of Super Abrasives in the coming years.

The Company's growth lies in constantly monitoring changes in the external environment and adapting to the customer needs that are emerging. Accordingly, mega trends and underlying new opportunities that unfolds are being tracked continuously.

To bridge the gap between optimizing existing technologies & investing in advancements, the Company's in-house R&D efforts are aimed at strengthening the existing technology, complemented by new methods of manufacturing.

Adoption and deployment of appropriate technologies for indigenous manufacturing, streamlining processes continue to be the key focus areas for the Company's growth prospects.

#### SUBSIDIARY COMPANIES

#### Wendt Grinding Technologies Limited, Thailand

**Dental Burs** 

**Surgical Blades** 

The Company's wholly owned subsidiary, Wendt Grinding Technologies Limited, Thailand, achieved a sales of Thai Baht 767 lakhs (₹ 1,830 lakhs) which is 22% lower than the last year. The decline in the top line is due to continuing industry slowdown on account of COVID-19, declining exports, political uncertainties, rising costs and all odds. The subsidiary continues to demonstrate its strong resolve and business acumen challenging the unfavourable conditions and is expected to churn out good results in the future.

The Profit before Tax was Thai Baht 133 lakhs (₹ 305 lakhs) and the Profit after Tax was Thai Baht 106 lakhs (₹ 242 lakhs), both being 40% lower over previous year.

During the year, the subsidiary faced numerous challenges on account of decline in production levels, falling exports, increased product challenges, political uncertainty & COVID induced restrictions. This has also resulted in existing competition resorting to competitive product/prices & increased resources to retain market share. Various new competitors especially from China & Korea have penetrated into this market for select products.

The subsidiary's clear focus on core business & valueadded service and increased customer/product base along with a series of measures to ensure OPEX helped surviving the challenging business environment.

During the year, the subsidiary successfully revalidated "ISO9001-2015" audit from "TUV NORD".

#### WENDT MIDDLE EAST FZE, SHARJAH

Wendt Middle East FZE, Sharjah, the other wholly owned subsidiary of the Company, has clocked an annual sale of AED 13.41 lakhs (₹ 270 lakhs), and profit of AED 0.53 lakhs (₹ 11 lakhs).

Considering the challenging business conditions and the future viability of profitable operations, the Board of Directors have approved a proposal for voluntary de-registration of this subsidiary which is in progress.

#### **CONSOLIDATED FINANCIAL STATEMENTS**

The Consolidated Financial Statements of the Company (incorporating the operations of the Company and its two wholly owned overseas subsidiaries), for the financial year 2020-21 are prepared in compliance with the applicable provisions of the Companies Act, Accounting Standards as prescribed by Regulation 33 of the SEBI Listing Regulations. The Consolidated Financial Statements have been prepared based on the audited financial statements of the Company, its subsidiaries, as approved by their respective Board of Directors.

Pursuant to provisions of Section 136 of the Act, the Financial Statements of the Company, the Consolidated Financial Statements, along with the relevant documents and the Auditors' Report thereon form part of this Annual Report. A statement of summarized financials of all subsidiaries of the Company in form AOC-1 forms part of the Annual Report. The audited annual accounts and related information of the subsidiaries is available in our website <u>www.wendtindia.com</u>.

The key financial information on the consolidated operations are as follows: -

#### CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company's Corporate Social Responsibility pursuits have always been based on the foundation of ethical behaviour in all its business transactions and contributions for economic development of not only the workforce and their families but also extending to the local communities and society at large. The Company being a part of the Murugappa Group has been upholding this tradition by allocating a part of its profits for fulfilling its social responsibilities. The Group's philosophy is to serve the communities in which it operates through service-oriented philanthropic institutions with education and healthcare being the core focus areas.

The Company believes that social responsibility is not just a corporate obligation that has to

be carried out, but an opportunity to make a difference. The Company's Corporate Social Responsibility programmes are aimed at inclusive growth and sustainable development of the community.

The Skill Development Program is run jointly with Carborundum Universal Limited and has been a major initiative over these years. The main objective is to provide quality vocational and technical training to less privileged youth from weaker sections of the society by uplifting their lives and equipping them with employable skill sets. This training programme is designed based on the coaching methodology defined by Government of India, Ministry of Skill Development and Entrepreneurship.

This programme also includes providing stipend to the enrolled students, ensuring that they earn while they learn. Not only does this initiative help in imparting formal education, but also helps them in honing them to become a valuable citizen while helping them in seeking gainful employment upon successful completion of the course.

During the year, a grant was made to Hosur Industrial Association towards building a Skill Development Centre, thus enabling the company support the infrastructure for skill development in the area in which it operates. Hosur Industrial Association was set up in the year 1981 with an aim to protect and promote the interests of industrial establishments located in and around Hosur. Considering the increasing unemployment due to lack of requisite skill and to bridge the gap between the skill requirement versus the actual skills available, a Skill Development Centre is being built by HIA in Hosur to promote education in the field of technical trades as well as commercial education like ERP, use of computers etc.

Further, a contribution of ₹ 1 lakh was given to Seva Bharati, an NGO based out of Hosur towards distribution of food grains to the needy in Hosur. The Company during the last year had supported to the cause of COVID-19 affected needy by giving food supplies, by providing medical kits to the front-line workers etc.

The Company also gives importance to green environment and tree plantation in the nearby communities by distributing and planting free saplings every year. Employees are encouraged to participate in activities like blood donation camps, taking classes on computer education in municipality schools, creating awareness on road safety, nominating employees with RTO as traffic wardens, 5S campaigns towards cleaner environment, imparting special education to the school children to name a few.

The Company's CSR policy is available on the Company's website at the following link <u>http://www.wendtindia.com/pdf/csrpolicy.pdf</u>. The Annual Report on CSR activities in the prescribed format is annexed herewith as Annexure D and forms part of this report.

The Company, during the year 2020-21 has spent ₹ 32.02 lakhs towards CSR activities and no amounts remain unspent at the end of the year.

The significant change in operating profit, EBITDA and PBIT to net sales is mainly on account of rigorous variable and fixed cost reduction initiatives undertaken during the year. This has also resulted in favourable change in ROCE and ROE for the year ended 31<sup>st</sup> March 2021.

#### QUALITY

To maintain the quality of its products, the Company follows a quality assurance system with stringent tests built into every stage of production. This extreme quality consciousness backed by a thorough understanding of customer application needs and "one to one" customer support, has made the Company a synonym for quality and reliability.

The Company has certifications of ISO 9001 and TS 16949 reinforcing its commitment to ensure Quality Management Standards are met.

TS 16949 pertains to manufacturing of precision components. In order to comply with the safety norms and requirements of overseas customers, the Company has successfully renewed EN 13236 Standards. Quality being the uncompromised differentiator, the Company aims to ensure that product quality is built by deploying and embracing effective quality control management, process robustness, guality assurance and discipline at every stage of material flow.

#### SAFETY, HEALTH AND ENVIRONMENT

The Company is committed to establish a safe, healthy and socially accountable work culture in the organisation. The Company has complied with the requirements of internationally recognized Social Accountability Standard SA 8000:2014 and periodically reviews its policy to cater to the changing requirements. The Senior Management takes responsibility for maintaining these standards through deployment of relevant processes and guidelines in line with OHSAS 18001 and ISO 14001 standards.

All personnel on a periodical basis receive effective health and safety training, including on-site training, job specific training etc. During the year, the Company has provided trainings for creating awareness about the significance of safety amongst employees including by way of setting up of safety training kiosk. Alert mailers are sent to employees on a daily basis on work place safety.

Quarterly mock drills for fire safety, annual health check-up for employees, special medical attention for employees working in special process & sensitive areas, use of personal protection equipment (PPEs), zero discharge of ETP/STP and hazardous waste handling are some of the initiatives, which the Company undertook during this year.

In March last year, as the COVID-19 pandemic spread to India, actions were taken to enhance employee awareness, health and safety, with also ensuring business continuity.

Towards this, the Company provided guidance and made a SOP detailing the appropriate social distancing measures, including restricted movement of manpower, use of hand sanitizers and face mask at workplace and home and ensuring adequate spread of employees in shifts to maintain social distancing. The Company continues to follow all COVID-19 related protocols for ensuring safe and healthy workforce. This has enabled the Company to continue uninterrupted production since the lifting of lockdown.

#### **OPPORTUNITIES & THREATS**

#### **OPPORTUNITIES**

Electric Automobiles is the recent emerging trend in the automotive industry, which is expected to boost the market demand for Super Abrasives for high thermal and wear resistance applications.

Nano Cubic Boron Nitride Abrasives are likely to augment applicability of Super Abrasives in many medical and electronic industry applications.

The industries in the Auto, Aerospace and Electronics manufacturing space demand highperformance applications. Improvements in the design of diamond wheels used to finish ceramics can be key to cost-effective manufacturing. Metal-bond specially design wheels for longer wheel life can lead to shorter process cycle times while also ensuring longer life, thereby reducing the overall grinding cost.

The Company will continue to leverage upon its vast experience and technical expertise, deep understanding of customer requirements, comprehensive product range, superior technology and the resultant competitive edge emerging out of its complementary business verticals namely Super Abrasives, Machine Tools and Precision Components.

Further, the Government's focus on Projects like 'Make In India' or 'Atma Nirbhar Bharat' are expected to give a boost to the Company's products being import substitute, thus helping in conservation of foreign exchange during these difficult times.

#### **THREATS**

Industry leaders across globe, with high brand value can afford significant research operations. Investment in R&D activities by these major players to innovate the existing products and to develop new technologies to sustain competition in the market is very high. On the other hand, we have many unorganized, regional proprietary run entities that are smaller in size with limited offering, which address customers' requirements in a specific region.

Employees participated in Group-level Quality competitions 'Virtual CUFEST 2021' (Quality festival

In order to counter both the extremes, the Company strives to evolve a unique approach to improve its market presence, market share and address both the segments. To address the price competitive market, the Company has launched fast moving and Standard Super Abrasives and other tooling products in STAR brand and has been aggressively conducting promotional activities at the vicinity of high potential customers. For addressing the high performance, quality conscious segment, the Company is working with foreign research Institutes exploring product specific, niche state of the art technology.

#### **COVID-19 Impact and Risk Assessment**

The outbreak of the COVID-19 pandemic developed into a global crisis in the last quarter of FY 2019-20. Countries globally had imposed lockdown conditions on all activities which impacted the economy at large. The priority for the Company was the safety and health of all its employees and other stakeholders with minimal disruption to operations since the onset of the pandemic. In adherence to the Government directives and considering the well-being of our stakeholders, the Company's plant situated at Hosur, Tamil Nadu was shut down in a safe manner following due protocols when the nationwide lockdown was imposed in March 2020.

When the lockdown was announced, a swift transition to remote working was made by putting in place a framework for operating from home with well-established protocols. The Company's robust IT platform enabled significant portion of its personnel to perform their services remotely in a safe and secured manner. Since the Company's facility was located in a green zone, operations resumed on 30<sup>th</sup> April 2020 with permitted workforce after ensuring receipt of requisite permissions from the local authority and in adherence to the standard operating procedures

laid down by the Ministry of Home Affairs from time to time. This adherence was ensured not only from a regulatory compliance perspective but by keeping in mind the well-being of our employees, customers and other stakeholders.

The overall business scenario in O1 and O2 of FY 2020-21 was on a downturn. With relaxations in restrictions announced, there was a palpable recovery across various sectors in Q3 and Q4. The Company through effective liquidity management and with the support of supply chain partners and its dedicated employees, has been able to navigate through the most challenging times and perform better in the second half of the year.

As the resurgence of the second wave at the beginning of the FY 2020-21 looms large on the economy with states announcing partial lockdowns/night curfews to curb the spread,

vaccinations will be a differentiator in managing the second wave. The Company believes that it will be able to navigate through these challenges for a sustainable growth in future, now that it has already witnessed what can be called the worst of its times.

24

The Company has identified the various risks owing to COVID-19 that could impact future performance and is taking initiatives to mitigate the same. The initiatives undertaken include rigorous review of the business plan as well as contingency plan based on scenario planning closely monitored by the Management duly supported by the operating teams with timely and relevant information and new opportunities. The Company is in constant engagement with its customers and updates them on the status of operations and assuring them of delivery and performance. Prudent cash management and efficient working capital management with sharp focus on collections and payments, cost reduction and inventory management will continue to be focus areas.

On the people front, dedicated and clear communication and awareness programs were conducted at regular intervals to sensitize the employees on the cause and effect of this disease. Dedicated Task forces for taking concerted and guick decision on matters relating to COVID-19 have been set up under the supervision of Unit Head. Preliminary health check-ups are being undertaken before a worker resumes duty. Continuous guidance on social distancing norms and hygiene given. Separate 24X7 helplines to counsel employees who require customized guidance or information were set up. Online learning and development programs rolled out to keep employees engaged and up skilled during the lockdown. Special communication channel to keep employees updated on heath protocols and - both international and national guidelines were created.

The Company has made a detailed assessment of its liquidity position for FY 2020-21 and the recoverability and carrying value of its assets comprising property, plant and equipment, intangible assets, investments, inventory and trade receivables. Based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets.

The Company will continue to closely monitor any material changes arising of future economic conditions and impact on its business.

With respect to material changes or commitments impacting the financial position of the Company in respect of events occurring after end of the year but before the date of this report, the Board is of the opinion that no material adjustments in the accounting entries or estimates, accounting policies are relevant to the financial statements for the year ended 31<sup>st</sup> March 2021.

The key components of IFC followed by the Company are:

- 1. Entity Level Controls (ELC) that the management relies on to establish appropriate Code of Conduct, Enforcement and Delegation of Authority, Hiring and Retention practices, Whistle Blower mechanism, and other policies and procedures.
- 2. Process Level Controls (PLC) to ensure processes are stable, predictable and consistently operating at targeted level of performance classified into Manual or Automated Controls. They are also classified as Preventive or Detective.

28

practices, Patch management and License management; backup and recovery of data.

The adequacy of IFC is ensured by:

- Documentation of risks and controls associated with major processes.
- Validation classification of existing controls to mitigate risks.
- controls through data analytics.
- Performing testing of controls by Independent Internal Audit firm.
- Implementation of sustainable solutions to Audit observations.

The IFC Audit is conducted annually by an independent firm of Accountants by testing of controls to ensure that all controls are operational, effective, adequate and identifying improvements to controls wherever necessary which is reviewed by the Audit Committee.

#### **FINANCIAL REVIEW**

#### Liquidity and Cash Equivalents

The Company continued to have a healthy cash generation during the year, being prudent in capital expenditure and efficient working capital management thereby maintaining its debt free status. The Company maintains sufficient cash and cash equivalents to meet its futuristic strategic growth initiatives by following prudent investment policy. The Company's cash surplus position helps to eliminate short and medium-term liquidity risks.

The Company follows a robust Cash Management Policy whereby it:

- a. Uses cash to provide sufficient working capital to address business objectives of the Company & to add value to all stakeholders.
- b. Conserves sufficient cash as reserves that will aid the Company in venturing into meaningful business opportunities that unfold in future;
- c. Prudently invests surplus funds that the business generates in liquid investments including rated rates. The surplus funds are generated through stringent control on working capital.

As at 31<sup>st</sup> March 2021, the Company's investment in debt mutual funds was ₹ 3238 lakhs in securities holding papers with high credit rating.

#### Costs

During the year, the Company has formulated several Cost Optimization Projects wherein the Cross Functional Teams are identified across various projects and the potential cost savings in all the three business segments - Super Abrasives, Machines and Precision Components is determined. These projects are reviewed on a monthly basis in terms of savings in both variable cost and fixed cost. The rigorous variable and fixed cost reduction initiatives undertaken during the year has resulted in improving the bottom line of the Company.

#### **FINANCIAL POSITION**

#### **Share Capital**

The paid-up equity share capital as on 31<sup>st</sup> March 2021 was ₹ 200 lakhs. During the year under review, the Company has not issued shares with differential voting rights nor granted stock options/ sweat equity.

The form is enclosed.

There are no materially significant Related Party transactions made by the Company with its Promoters, Directors, Key Managerial Personnel or their relatives which may have a potential conflict with the interest of the Company at large.

The Policy on Related Party Transactions as approved by the Board is uploaded on the Company's website <u>https://www.wendtindia.com/</u>. None of the Directors and KMPs had any pecuniary

31

relationship or transaction with the Company other than those relating to remuneration in their capacity as Directors/Executives and corporate action entitlements in their capacity as shareholders of the Company.

#### **BUSINESS RESPONSIBILITY REPORTING (BRR)**

Being a public listed company, the Company recognizes that its accountability is not limited only to its shareholders from a financial perspective but also to the larger society in which it operates. During the year 2019-20, consequent to the mandatory reporting of its business responsibility initiatives under the Listing Regulations, the Company had formulated a consolidated policy on Business Responsibility which lays down the broad principles guiding the Company in delivering its various responsibilities to its stakeholders. The policy is intended to ensure that the Company adopts responsible business practices in the interest of the social set up and the environment so that it contributes beyond financial and operational performance.

A copy of the Policy is available at <u>https://www.wendtindia.com/</u> and the Business Responsibility Report for the year ended 31<sup>st</sup> March 2021 in terms of Regulation 34 of the Listing Regulations is annexed to this Report as Annexure E.

#### **GOVERNANCE**

#### **BOARD OF DIRECTORS AND KEY MANAGERIAL PERSONNEL**

As on 31<sup>st</sup> March 2021, the Board of the Company comprised six Directors of which majority (four) are independent.

Mr. Rajesh Khanna had been appointed as an Executive Director by the shareholders at the Annual General Meeting held on 22<sup>nd</sup> July 2019 for a period commencing from 24<sup>th</sup> July 2018 to 31<sup>st</sup> October 2020. Consequent to the completion of his term as an Executive Director, the Board at its meeting held on 22<sup>nd</sup> October 2020 based on the recommendation of the Nomination and Remuneration Committee, approved the continuance of his directorship in the Board as a Non-Executive Director with effect from 1<sup>st</sup> November 2020 liable to retire by rotation so as to benefit from his experience and expertise in the business of the Company.

Mr. K S Shetty, Independent Director resigned from the Board with effect from closing hours of 22<sup>nd</sup> January 2021 owing to personal reasons. The Board placed on record its appreciation for the services rendered by Mr. K S Shetty during his tenure of office as a Director of the Company including as a member of its various Committees.

During the year, Mr. Bhagya Chandra Rao was appointed as an Additional Director with effect from 22<sup>nd</sup> January 2021. In the opinion of the Board, Mr. Bhagya Chandra Rao satisfies the independence criteria prescribed in the Act and Rules made thereunder for appointment as an Independent Director of the Company and that he is independent of the Management. Hence, the Board recommends his appointment as an Independent Director of the Company for a term of five years commencing from 22<sup>nd</sup> January 2021 to the shareholders. Notice in this regard under Section 160 has been received from a Member. His detailed profile is provided in the notice convening the meeting.

Consequent to the changes in the Board composition, the constitution of various Committees was reviewed and revised more fully detailed in the Corporate Governance section of the Report.

Mr. Rajesh Khanna retires by rotation at the forthcoming Annual General Meeting and being eligible, offers himself for re-appointment. A proposal for his re-appointment is included in the Notice convening the 39<sup>th</sup> Annual General Meeting for consideration and approval by the shareholders.

The Company has received declarations from all its Independent Directors confirming that they meet the criteria of independence prescribed both under the Companies Act, 2013 and the Listing

32

Regulations. In the opinion of the Board, all the Directors appointed/re-appointed during the year are persons with integrity, expertise and possess relevant experience in their respective fields.

All the Independent Directors of the Company have registered their names in the Independent Directors Databank as required under the Companies Act, 2013 and the Rules referred therein. The Independent Directors are also required to take up an online proficiency self-assessment test within two years from the date of inclusion of their name in the Independent Directors databank with an exemption provided to Directors fulfilling the criteria prescribed under the Act and the Rules referred therein. While the requirement of completion of the online proficiency self-assessment test is exempt for few of the Company's Independent Directors, considering the two-year time available from the date of inclusion of the name in the databank, the required Independent Directors would complete the assessment within the prescribed time. Considering the time available for the Independent Directors to complete the online proficiency test, the requirement for the Board to provide its opinion on the experience of the Independent Directors with specific reference to proficiency ascertained from passing of the online proficiency self-assessment test does not arise.

During the year, the Board at its meeting held on 22<sup>nd</sup> October 2020 based on the recommendation of the Nomination and Remuneration Committee appointed Mr. C Srikanth as the Chief Executive Officer - Designate with effect from 1<sup>st</sup> November 2020 and as the Chief Executive Officer with effect from 1<sup>st</sup> April 2021.

Mr. C Srikanth aged 54 years is a Mechanical Engineer by qualification and is an MBA in Marketing. He has a long stint in sales and marketing especially in precision abrasives business. Prior to this assignment, he was associated with Carborundum Universal Limited as the head of the Sales and Marketing function of its Abrasives business.

As on date of this report, Mr. C Srikanth, Chief Executive Officer, Mr. Mukesh Kumar Hamirwasia, Chief Financial Officer and Ms. Janani T A, Company Secretary are the Key Managerial Personnel of the Company as per Section 203 of the Companies Act, 2013.

#### **BOARD MEETINGS**

During the year, five Board Meetings were held, the details of which are given in the Corporate Governance Report.

#### **BOARD EVALUATION**

Pursuant to the provisions of the Companies Act, 2013 and the Listing Regulations, the Board carried out an annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its various Committees as per the evaluation framework adopted by the Board on the recommendation of the Nomination and Remuneration Committee. Structured assessment forms were used in the overall Board evaluation comprising various aspects of the Board's functioning in terms of structure, its meetings, strategy, governance and other dynamics of its functioning besides the financial reporting process, internal controls and risk management. The evaluation of the Committees was based on their terms of reference fixed by the Board besides the dynamics of their functioning in terms of meeting frequency, effectiveness of contribution etc.

Separate questionnaires were used to evaluate the performance of individual Directors on parameters such as their level of engagement and contribution, objective judgement etc.

The Chairman was also evaluated based on the key aspects of his role. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman, the Board as whole and the Non-Independent Directors was carried out by the Independent Directors at their separate meeting held during the year.

#### POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS

Pursuant to Section 178(3) of the Companies Act, 2013, the Nomination and Remuneration Committee of the Board has formulated the criteria for Board nominations as well as the policy on remuneration for Directors and employees of the Company.

The criteria for Board nominations lays down the qualification norms in terms of personal traits, experience, background and standards for independence besides the positive attributes required for a person to be inducted into the Board of the Company. Criteria for induction into Senior Management positions have also been laid down.

The Remuneration policy provides the framework for remunerating the members of the Board, Key Managerial Personnel and other employees of the Company. This Policy is guided by the principles and objectives enumerated in Section 178(4) of the Companies Act, 2013 and reflects the remuneration philosophy and principles of the Murugappa Group to ensure reasonableness and sufficiency of remuneration to attract, retain and motivate competent resources, a clear relationship of remuneration to performance and a balance between rewarding short and long-term performance of the Company. The policy lays down broad guidelines for payment of remuneration to Executive and Non-Executive Directors within the limits approved by the shareholders. Further details are available in the Corporate Governance Report.

The Board Nomination criteria and the Remuneration policy are available on the website of the Company at www.wendtindia.com.

#### **COMPOSITION OF AUDIT COMMITTEE**

The Audit Committee of the Board comprises five members out of which four are independent. Mr. Shrinivas G. Shirgurkar is the Chairman and other members are Mr. M Lakshminarayan, Mrs. Hima Srinivas, Mr. Bhagya Chandra Rao and Mr. N Ananthaseshan. Consequent to the resignation of Mr. K S Shetty with effect from the closing hours of  $22^{nd}$  January 2021, he ceased to be a member of the Committee. Mr. Bhagya Chandra Rao was inducted as a Member to the Committee with effect from 22<sup>nd</sup> January 2021. During the year, five Audit Committee meetings were held, the details of which are provided in the Corporate Governance Report.

#### **COST AUDIT**

Pursuant to Section 148 of the Companies Act, 2013 read with Companies (Cost Records and Audit) Rules, 2014 and amendments thereof, the Company does not fall under the category of companies required to mandatorily undertake Cost Audit. #### **PARTICULARS OF EMPLOYEES**

The information on employees and other details required to be disclosed under Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is annexed to and forms part of this Report (refer Annexure C).

#### **STATUTORY AUDITORS**

In line with the requirements of the Companies Act, 2013, the Company, with the approval of the shareholders at the Annual General Meeting held on 24<sup>th</sup> July 2017, had appointed M/s Price Waterhouse Chartered Accountants LLP (Reg. No. FRN 012754N/N500016) (PWC) as the Statutory Auditors of the Company to hold office from the conclusion of 35<sup>th</sup> Annual General Meeting until the conclusion of the 40<sup>th</sup> Annual General Meeting subject to annual ratification by the shareholders at every AGM. However, as the Companies (Amendment) Act, 2017 has dispensed with the requirement of annual ratification of the Statutory Auditor's appointment, there is no requirement to seek an annual ratification of their appointment this year.

34

As required under Regulation 33 of the Listing Regulations, the Auditors have confirmed that they hold a valid certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India.

The Report given by M/s Price Waterhouse Chartered Accountants LLP on the Financial Statements of the Company for the year ended 31<sup>st</sup> March 2021 is provided in the financial section of the Annual Report.

There are no qualifications, reservations, adverse remarks or disclaimers given by the Auditors in their report. During the year under review, the Auditors have not reported any matter under Section 143(12) of the Companies Act, 2013 and hence there are no details to be disclosed under Section 134(3)(ca) of the Act.

#### **SECRETARIAL AUDIT**

M/s. R Sridharan and Associates, Practicing Company Secretaries, Chennai was appointed as the Secretarial Auditor to undertake the Secretarial Audit of the Company for the FY 2020-21. The report of the Secretarial Auditor is annexed to and forms part of this Report. There are no qualifications, reservations, adverse remarks or disclaimers given by the Secretarial Auditor in the Report.

In terms of Regulation 24A of the Listing Regulations, there is no material unlisted subsidiary incorporated in India. Material unlisted subsidiary for the purpose of this Regulation is a subsidiary whose income/net worth exceeds 10 per cent of the consolidated income/net worth respectively of the Company and its subsidiaries in the immediately preceding accounting year. Hence, the requirement prescribed under Regulation 24A of the Listing Regulations is not applicable to the Company.

#### COMPLIANCE WITH THE MINIMUM PUBLIC SHAREHOLDING REQUIREMENT

In order to meet the minimum public shareholding compliance, the promoters of the Company viz, Carborundum Universal Limited and Wendt GmbH on 6th January 2021 issued a notice for Offer for Sale (OFS) of 47,352 shares each (aggregating to 94,704 equity shares) to the extent of 4.74% of the total shareholding. The OFS was conducted during the period 7<sup>th</sup> January 2021 and 8<sup>th</sup> January 2021. Consequent to the offer for sale process, the Promoters have diluted their stake by 4.74% and currently hold 37.50% each, thus aggregating to 75% of the share capital of the Company. Accordingly, the Company is now compliant with the provisions of the Minimum Public Shareholding as required under Regulation 38 of the Listing Regulations read with Rule 19(2) and Rule 19A of the Securities Contracts (Regulation) Rules, 1957.

#### **SECRETARIAL STANDARDS**

The Company is in compliance with the Secretarial Standard on Meetings of the Board of Directors (SS-1) and Secretarial Standard on General Meetings (SS-2).

#### **CORPORATE GOVERNANCE**

In terms of Regulation 34(3) read with Schedule V of the Listing Regulations, a separate section on Corporate Governance including the certificate from a Practising Company Secretary confirming compliance is annexed to and forms an integral part of this Report.

#### **CEO/CFO CERTIFICATE**

Mr. C. Srikanth, Chief Executive Officer and Mr. Mukesh Kumar Hamirwasia, Chief Financial Officer have submitted a certificate to the Board on the integrity of the financial statements and other matters as required under Regulation 17(8) of the Listing Regulations.

#### VIGIL MECHANISM UNDER WHISTLE BLOWER POLICY

The Company has a well-established whistle blower policy as part of vigil mechanism for Directors and employees to report concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of conduct or ethics policy. This mechanism also provides for adequate

safeguards against victimization of Director(s)/employee(s) who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee in exceptional cases. The Whistle blower policy is available on the Company's website at the following link <u>www.wendtindia.com</u>. It is affirmed that during the year, no employee was denied access to the Audit Committee.

#### **ANNUAL RETURN**

The Annual Return in Form MGT-7 is available in <u>www.wendtindia.com</u>.

#### **DIRECTORS RESPONSIBILITY STATEMENT**

Pursuant to the provisions contained in Section 134(3)(c) of the Companies Act, 2013, the Board to the best of its knowledge and belief and according to the information and explanations obtained by it confirms that:

- in the preparation of the annual accounts, for the financial year ended 31<sup>st</sup> March 2021, applicable accounting standards have been followed and no material departures have been made from the same;

#### a) Conservation of Energy

The Company does not fall under the category of power intensive industries. However, the Company adopts sustained efforts to reduce energy consumption. The Company has received the ISO 14001 certification which is an International Management System Standard (IMS) on Environment Management. The environmental policy of the Company focusses on conservation of natural resources and minimisation of pollution. The following energy conservation measures were taken by the Company during the year:

- Natural lighting ventilation for all PEB buildings by providing polycarbonate transparency sheet. •
- Provided AHF (Active Harmonic Filter) in main power distribution system to ensure the quality of power.
- Introduction of Natural Turbo Ventilation, which is reckoned as a perfect and natural air exhausting option for the industry.
- Installation of Solar Heater in many areas to increase the dependency on clean energy.
- Installation of APFC (Automatic Power Factor Controllers) to improve/stabilize power factor.
- Installation of occupancy sensors in some areas especially administrative in nature.
- Optimum utilization of energy through process re-designing as well as maximum utilization of equipment that offers improved energy efficiency.
- Time switches installed at various places for automatic control of streetlights.
- Replacement of all conventional high energy consumption lighting, by installation of LED and induction lights in major areas.
- Introduction of LDR-Light Dependent Resistance sensor harnessing natural daylight for all outdoor lighting with automatic controls.
- The Company has taken measures to save water whereby 100 per cent of the domestic effluent and the trade effluents are treated and used for gardening and electroplating processes (Zero discharge).

#### b) Technology Absorption, Adaptation and Innovation

The Company is continuously focusing on upskilling its employees in digital marketing, use of IT & digital technology, to complement the traditional method of business conduct by physical interaction with customers in a much cost-effective manner in order to enhance the customer experience.

The Company's R&D team has taken initiatives to develop own technologies and patent novel concepts/designs to become the front runners in the Super Abrasives technology and has put in efforts for indigenized bonding systems suitable for varied verticals in Super Abrasives.

The Company's in-house R&D also collaborates with renowned institutes & laboratories to further strengthen existing technology, complemented by new methods of manufacturing. Increasing implementation of these manufacturing technologies drive the demand of products for Bearing & Guide Ways, Gears, Cam & Crank shaft and in industries like Aerospace, Cutting Tool, Engineering & Auto Sectors.

The Company is also supported by the rich experience, knowledge pool and R&D facility of Carborundum Universal Limited, shareholder of the Company and pioneers in the field of conventional abrasive & material science for some of the application developments for specific areas.

38

No technology was imported by the Company during the last three years.

#### **RESEARCH & DEVELOPMENT (R&D)**

The Research and Development function of the Company represents the activities it undertakes to innovate and introduce new Super Abrasive products and services to improve its existing offerings. The objective of R&D is to design and develop new processes/products through the advancement of Materials Science & Machining Techniques towards providing "Complete Grinding and Honing Solutions" to its Customers. The Company's R&D facilitates the development of future products or the improvement of current products and/or operating procedures. The Company's R&D centre is recognized by Department of Scientific and Industrial Research (DSIR) under the Ministry of Department of Science and Technology, Government of India. The validity of this recognition has been renewed till 31<sup>st</sup> March 2022.

The Company's R&D is keen on filing patents and publishing papers in the peer reviewed SCI journals. The R&D personnel also build their network by attending seminars, workshops, national & international conferences and develop transferable skills by undertaking required training and workshops.

Industrial Research & Development plays an important role in the innovation process by developing future technology and future capabilities, which transforms into new products, processes and services. This offers a basic platform to conduct both fundamental and applied research for better understanding of the products and push the frontiers of the technology further. The Company is agile in adapting to situations and shifting their product baskets into the non-automobile sectors, electronic industries with the help of its R&D.

In the fast-growing technologies, moving targets pose big challenges for sustainability. In this context, the R&D team has taken efforts to develop new products with superior performance. Projects such as Flute grinding, Brake Disc Honing, Cam/Crank shaft grinding and Double disc fine grinding requires high competency.

On the other hand, the Company also aims at addressing the gaps on account of process developments. New processes such as hot press sintering, induction heating, vacuum brazing and pulse electroplating replaced the conventional methods. These processes substantially decreased the cycle time and enhanced the guality of the products being manufactured in an economical and effective way.

Following are the benefits accruing out of R&D activities:

- 1. Development of materials/processes for self-sufficiency.
- 2. Indigenization of bonding raw materials for Super Abrasives as import substitution.
- ceramics & carbide grinding.
- 4. Upgrading manufacturing technologies to match changing needs of the customer as well as to venture into new markets.

During the year, the Company has created 6 Intellectual Properties (IPs) for its products/processes.

The Company mainly caters to niche market where majority of customers are OEMs and look for technologically superior products with consistent performance. Majority of the customers consider the Company as a One-Stop Shop for Complete Grinding and Honing Solutions offering technologically superior products with reliable performance. The Company can address the everchanging needs & expectations of the customers, by virtue of its strong focus on R&D and customer centricity. This facilitates the Company to retain its position in the market and also enable to justify the due premium for its products.

3. Grinding Solutions for new applications like double disc grinding, glass, razor blade, vanes,

#### Super Abrasives:

- The dimensions like Diameter (D), Thickness/Height (T) and Bore (H) of the products are designed with a specific criteria so that they can resist the expected forces and loads when used as intended and avoids ejection of parts.
- Resin, Metal Bond and other Super Abrasive products are designed in such a way that, when used in accordance with instructions, there is no hazardous decomposition of products.
- Latest versions of scrubber and exhaust systems have been installed in manufacturing of electroplated products and its design for improved air quality.
- All Super Abrasives products are 100% recyclable once the life cycle of product is complete. The Company has successfully implemented EN 13236 Standards to address the safety norms.

#### Machine Tools:

- The Company's machines are designed with operator safety system and necessary interlock to • ensure safety at customer's end during operation.
- Machine Tools include a range of machines such as Rotary Surface Grinding, Notch Milling, TC Ring Grinding, Vertical & Horizontal Honing, Cylindrical grinding & accessories that adhere to the International standards and CE certification fulfilling the international safety norms.
- The business offers IoT (Internet of Things) enabled machines helps in reducing energy consumption & also helps in optimum usage of resources via constant feedback to the user through the various sensors.

#### **Precision Component:**

- Dust collection systems installed in Grinding Machine and Honing Machine enable collection of dust at the time of grinding operations thus ensuring safe and clean environment.
- The Company manufactures products customized for customers based on their recommended design incorporating cleanliness and environment friendly standards.
- The packing material used for products supplied to its customers can be re-used multiple times and be recycled.
- The machines used are designed with operator safety system and necessary interlock to ensure safety while usage & production.
- 2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):
- a. Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?
  - Water
    - Water Treatment: As a responsible organization, Wendt (India) Limited has been at the forefront when it comes to implementation of Effluent Treatment Plant (ETPs) and Sewage treatment plant (in line with the compliance norms in force). The Company has installed a Sewage Treatment Plant and an Effluent Treatment Plant with adequate capacity for treatment of effluents.
    - Water recycle & Reuse: The Company has installed a RO plant to achieve zero discharge of water waste. The Company treats its process effluents and reuses it in its process. This facility has also been installed in the Company's manufacturing facility for electroplated products.
    - The Company's Green belt within its facility is fully maintained using recycled water.
    - Water Recharge: Water collected out of rain is harvested through a percolation pond carrying a storage capacity of 1.2 million litres.
  - Energy
    - The Company's manufacturing processes are not power intensive. However, the Company takes continuous efforts to reduce energy consumption. The environmental policy of the

Company focusses on conservation of natural resources and minimization of pollution. The energy conservation measures include reforms such as installation of Energy Savers in the Lighting circuit to conserve energy up to 20%, replacement of high voltage consumption lamps with LED lights, introduction of LDR-light dependent resistance sensors that harnesses natural daylight for all outdoor lighting with automatic controls.

#### b. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Innovation and listening to the voices of the customers has always been the Company's top priority. Constantly adjusting our processes, methods and systems across the value chain in shortest possible time and customising products, services and behaviour ensures manufacturing excellence.

- with conventional abrasives such as aluminium oxide.
- movement.
- in waste generated during the grinding process.
- 3. Does the Company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably?

Yes. The raw materials critical for manufacture of Super Abrasives, Machine Tool and Precision Components are sourced from renowned, technologically sound suppliers.

The Company's business partners and suppliers play a key role in our performance footprint. To forge a relationship with them in the long-term, the Company has established a dedicated accountability mechanism through our Supplier's Code of Conduct that encourages business partners and suppliers to adopt principles and practices comparable to our own.

Joint project opportunities amongst various business units improves efficiencies in sourcing besides resulting in product efficiencies. Conscious efforts are made to ensure that everyone connected with the Company in its value chain including customers and recyclers are made aware of their responsibilities.

4. Has the Company taken any steps to procure goods and services from local & small producers, to improve the capacity and capability of local and small vendors?

Yes. The Company utilizes the services of the local and small producers in and around the plant location for procurement of goods and services. The Company sources packing materials and materials for canteen, local transport, housekeeping and other repairs & maintenance only through local sources. The Company has been associated with dedicated, skilled and well-equipped local sub-contractors for more than two decades.

The Company from time to time provides training and guidance to its contractors on optimum use of resources, thereby saving cost and time. This has resulted in the small producers, manufacturing products which benchmarks in quality, thereby gaining an edge over the market.

• The Super Abrasive wheel (CBN/Diamond) provides an advantage of reduced risk of thermal damage to the work piece. The reduced risk of thermal damage in CBN grinding is at times attributed to the lower grinding specific energies. This advantage can allow a marked increase in removal rate whilst maintaining surface quality of the component compared to grinding

Super Abrasive wheels extend bearing, spindle and overall machine life thereby reducing the power draw and energy consumption for acceleration & deceleration in linear and rotary

# including communities surrounding their place of work? If yes, what steps have been taken

5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as 10%)?

Duly recognizing that over-consumption results in unsustainable exploitation of the planet's resources, the business units in the Company are committed to promoting sustainable consumption, including recycling of resources.

While setting the Environment, Health, Safety objectives and targets, considerations are given to reuse, recycle & reduction of waste, handling and disposal of wastes. Measurable performance indicators include waste produced per unit of production. The Company has installed high-tech pre-treatment line in the place of conventional treatment to ensure clean production and reduction in hazardous waste generation. During the year, the Company has achieved a significant waste reduction in the case of electroplating products. The Company has zero discharge facility for sewage, canteen, electroplating process, paint booth, DM water effluent and used coolant through RO method. This treated water is reused for relevant manufacturing processes. The Company has been achieving reduction in wastes year on year.

The Company has a secured landfill facility in line with the applicable guidelines for storage of hazardous waste. The Company has also created a Vermi compost facility to convert all the garden/green waste into manure.

#### Principle 3: Businesses should promote the well-being of all employees.

The Company believes that its employees are its indispensable asset. To ensure safety and health of its employees, the Company provides effective health and safety training, including on-site training, job specific training. These trainings are repeated for new/re-assigned personnel to avoid untoward incidents and are also provided in case of technology related changes and/or the introduction of new machinery that might pose risk to health and safety.

During the year, considering the outbreak of the COVID-19 pandemic in India, initiatives were undertaken to enhance employee health and safety. Awareness sessions were conducted and the importance of sanitization / hand washing and other hygiene factors as well as social distancing was not only continuously communicated but the offices and plant was equipped with the requisite facilities to ensure the same. Guidelines on visitor protocols, meetings, travel etc. were quickly revised, reviewed and published on a weekly basis. A work from home policy was swiftly formulated with protocols enabling employees to continue to work from their homes in a safe and secured manner. Daily awareness communications, dedicated helplines for counselling and regular check up on the mental and physical health of the employees were conducted. Due safety and health protocols were followed including conduct of a health check-up before the employee resumed duty. Even after the lockdown guidelines were relaxed, strict safety protocols were implemented at the premises to ensure the safe return of employees. Protocols included self-declaration at entry, temperature check 4 times a day, sanitisation of shop floors and offices, social distancing work style and food that boosted immunity.

Based on a dedicated assessment of risks and taking into account the results of internal/external monitoring undertaken, the Human Resources department in consultation with the Department heads and the Social Performance Team identifies the trainings to be provided and formulates a training plan for its employees.

The Company neither supports nor engages in discrimination in hiring, remuneration, access to training, promotion, termination or retirement based on race, national or territorial or social origin, caste, birth, religion, disability, gender etc. that could give rise to discrimination. The Company does not tolerate any behaviour that is threatening, abusive, exploitative, or sexually coercive, including gesture, language and physical contact at the workplace. The Company is in compliance with the applicable laws, collective bargaining agreements and industry standards with respect to employment conditions.

# Principle 4: Businesses should respect the interests of, and be responsive towards all

#### 2. Out of the above, has the Company identified the disadvantaged, vulnerable & marginalized

#### 3. Are there any special initiatives taken by the Company to engage with the disadvantaged,

The Company seeks to impact the lives of the disadvantaged by supporting and engaging in activities that aim to improve their wellbeing. The Company is dedicated to the cause of empowering people, educating them and in improving their quality of life. While the Company undertakes programmes based on the identified needs of the community, education and healthcare remains our top priority. Across the different areas identified by the Company, the Company endeavours to reach the disadvantaged and the marginalized sections of the society to make a meaningful impact on their lives. The Skill Development Centre has been a major initiative towards addressing the social responsibility. The main objective behind the Skill Development Centre is to provide high quality vocational and technical training towards uplifting the lives of young children drawn from poor and deprived background. The Company also provides access to necessities like healthcare, drinking water & sanitation and the like to the underprivileged located in the neighbourhood.

Principle 5: Businesses should respect and promote human rights.

1. Does the policy of the Company on human rights cover only the Company or extend to the group / joint ventures/ suppliers/ contractors/NGOs/others?

The Company has adopted the Social Accountability Standard to devise an auditable voluntary mechanism based on UN Declaration of Human Rights, Principles of ILO, International Human Rights, Labour Norms and National Labour Laws that is applicable not only to its employees but also to the stakeholders viz., suppliers, subcontractors, sub-suppliers, home workers etc.

2. How many stakeholder complaints have been received in the past financial year and what per cent was satisfactorily resolved by the Management?

Nil.

Principle 6: Business should respect, protect and make efforts to restore the environment.

1. Does the policy related to Principle 6 cover only the Company or extends to the group / joint ventures/ suppliers/contractors/ NGOs/ others?

Protection of the environment ranks high among the Company's goals and as a responsible corporate citizen, the Company is committed to taking definite steps to protect the environment. The Safety, Health and Environment policy of the Company covers all its business verticals and it applies to the contractors as well engaged with the Company including by way of incorporating the Safety, Health and Environment compliances in the agreement and in certain cases also covers the interest of customers/suppliers/transporters/contractors etc. The Company's facility at Hosur, Tamil Nadu has received the ISO 14001 and OHSAS 18001 certification.

#### 2. Does the Company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.?

Yes. The Company understands the implications of global environmental hazards, not only in terms of cost to our operations but more from the ill effects it could have on the environment.

Apart from ISO 14001 EMS Policy implementation, maintaining a fine balance between its surrounding and operations comes naturally for the Company. As a part of its commitment to ensure greenery within the factory premises, every prominent visitor to the plant is encouraged to Plant a Tree in their name at the Company's facility which also serves a commemoration of their visit. This is evident from the bountiful flora & fruit laden trees surrounding the plant. The Company has taken initiatives and has implemented innovative technologies to reduce the impact on the environment. The Company has also achieved a year on year reduction in consumption of electric power.

56

The Company has taken the following steps to address the environment concerns:

More than 5000 trees planted and maintained inside the factory premises;

- Rainwater harvested through percolation pond having a storage capacity of 1.2 million litres;
- Effluent Treatment Plant installed to treat process effluents;
- RO plant installed towards implementation of zero discharge.

#### 3. Does the Company identify and assess potential environmental risks?

The Company has an Environment, Health and Safety policy, Sustainability policy and has also adopted the ISO standards which identify the potential risks and guides the efforts in limiting the environmental impact arising out of its operations. Based on an initial environmental & hazard review and evaluation of significant impacts & unacceptable risks, the Company sets its overall EHS objectives & targets. The Company also reviews the progress achieved towards EHS objectives and targets from time to time as a part of the Management Reviews.

#### 4. Does the Company have any project related to Clean Development Mechanism?

No, the Company has not undertaken any specific project related to the Clean Development Mechanism as per the Kyoto Protocol. However, the Company's manufacturing location is certified ISO 14001 (Environment Management System), QMS - ISO 9001 (Quality Management System), OHSAS - 18001. The Company has set up a dedicated task force to identify activities to be undertaken to control the emissions to air and noise, release to water and contamination of land.

#### 5. Has the Company undertaken any other initiatives on - clean technology, energy efficiency, renewable energy, etc.?

Yes, the Company has undertaken initiatives on clean technology, energy efficiency and renewable energy. Some of the initiatives are highlighted below:

- Energy Savers installed in the lighting circuit to conserve energy up to 20%;
- High-tech pre-treatment line in place of conventional treatment to ensure clean production and reduction in hazardous waste generation;
- Acoustic Covers introduced for the generators to reduce the noise levels significantly;
- spray booth and also neutralize the effluent from the paint booth;
- Vermi compost facility to convert all the garden /green waste into manure is set up;
- of TCE.

For more details on the energy conservation initiatives - please refer Annexure A of the Directors' report for the FY 2020-21.

#### 6. Are the emissions/waste generated by the Company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Principle 8: Businesses should support inclusive growth and equitable development.

1. Does the Company have specified programmes/ initiatives/ projects in pursuit of the policy related to Principle 8?

The Company attaches great importance to factors contributing towards community & society welfare activities. The Company has been practicing this right from the beginning with the employment of underprivileged & rural people from surrounding areas.

The CUMI Centre for Skill Development (CCSD) is a unique initiative undertaken by the Company jointly with its promoter Carborundum Universal Limited since 2012 to build mutually beneficial relationship with the local community and society. The Skill Development Centre is housed within the Company's Hosur facility augments the Company's commitment to society through initiatives that would address the needs of the underprivileged populations and to create good citizens. The Centre provides specialized training based on National Council for Vocational Training syllabus for the rural youth drawn from the socially and underprivileged section of the society. The job oriented skill training enhances their employability and aids in uplifting their socio economic status. The technically trained students can be employed by any industrial entity once they complete the training programme. The courses conducted in CCSD covers provision of extensive facilities including state-of-the-art classrooms, experienced & motivated instructors, a well-stocked library, audio visual aids, well-maintained machines & equipment for hands-on training etc. Apart from this, a very integral part of the programme is the importance attached to the development of soft skills through Group activities, Yoga, Communication building exercises, NGO activities & extracurricular events. All this makes the program a holistic and enriching experience both professionally and personally for the students.

Further, contributions were made to Seva Bharati, an NGO based out of Hosur towards distribution of food grains to the needy in Hosur during the pandemic. The Company during the last year had supported to the cause of COVID-19 affected needy by giving food supplies, by providing medical kits to the front line workers etc.

#### 2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/government structures/ any other organization?

58

#### 3. Have you done any impact assessment of your initiative?

The CCSD programme is designed with a perfect balance of theory and practical training to ensure maximum learning and retention of the concepts. The syllabus and coaching methodology defined by Government of India, Ministry of Skill Development and Entrepreneurship is adopted.

In recognition of its CSR practices, the Company has been awarded the prestigious ASSOCHAM award under the CSR category. The award was presented by Shri Nitin Jairam Gadkari, Hon'ble Union Minister for MSME, Government of India during the ASSOCHAM 7th MSMEs Excellence Awards & Summit in January 2020.

Addition of new batches in the Skill Development Centre and introduction of training for new trades is a result of the impact assessment undertaken by the Company.

4. What is your Company's direct contribution to community development projects?

Please refer the CSR Report forming part as an annexure to the Directors' report for the FY 2020-21 for complete details on the spend made by the Company during the financial year ended 31<sup>st</sup> March 2021.

#### 5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community?

The CCSD team operating at Hosur constantly engages with the NGO's, Gandhigram Rural Institute, Society for Rural Development & NOCPL and other residential associations etc. in Tamil Nadu to identify the deserving candidates from various backgrounds.

The main driving force behind such an initiative is the co-creation of value which happens - not only is the skilled labour being made available on a regular basis but also such an initiative takes into account the wellbeing and development of the local community to drive both the community and industry towards greater heights of progress and prosperity. The initiative ensures development of soft skills through group activities, Yoga, Communication building exercises, NGO activities & extracurricular events.

The students enrolled at the centre are also highlighted the importance of being a healthy and responsible citizen. They practice yoga, regulate traffic at important junctions, initiate 5S, Cleanliness drives from their hostel rooms to external environment. The confidence and the professional conduct shown by the students is an acknowledgment to the Company of its successful implementation of the CCSD initiative.

Befitting its size, the Company continues to make contributions to various social causes such as education for underprivileged school children, old age homes, orphanages, as well as providing sanitation facilities. The Company also gives importance to green environment and tree plantation in the nearby communities by distributing free saplings every year during World Environmental day which is widely celebrated.

## (ii) Board Meetings

The Board meets at regular intervals and has a formal schedule in respect of matters placed before it for its consideration. While the routine matters for discussion include strategy, financial, operational and compliance matters, meetings are also convened as and when deemed necessary. The Board on a periodical basis reviews the key business initiatives, the performance of the subsidiaries and the matters concerning thereto, compliance with the applicable laws and provides appropriate directions, wherever necessary. The Board is supplied with adequate, relevant and timely information on the operations, financial performance of the Company to facilitate the Board to make well informed decision. While the detailed notes on the agenda to be discussed at the meeting is provided well in advance, presentations to supplement the agenda is made at the meeting by the management. The Board also has complete access to the management to seek clarifications on any matter of discussion. The Board has established procedures in place to periodically review compliance reports pertaining to all laws applicable to the Company.

The Board periodically reviews the matters required to be placed before it, monitors the overall performance of the Company and *inter alia* reviews and approves the quarterly financial statements, business plan, capital expenditure etc. During the year, five Board meetings were held on 28<sup>th</sup> May 2020, 24<sup>th</sup> July 2020, 22<sup>nd</sup> October 2020, 22<sup>nd</sup> January 2021 and 12<sup>th</sup> March 2021. The dates of the Board meetings are fixed in advance for the full calendar year to enable maximum attendance from the Board members. As required under the Companies Act, 2013, the Company facilitates participation of a director who is unable to attend the Board / Committee meetings physically, through video conference or other audio-visual means in the manner prescribed under the relevant regulations. During the year, considering the outbreak of the COVID-19 pandemic, the Board meetings were held through video conferencing mode.

In line with the Regulation 24 of the Listing Regulations requiring at least one Independent Director of the Company to be a Director on the Board of an unlisted material subsidiary, whether incorporated in India or not, Ms. Hima Srinivas, Independent Director was nominated to the Board of Wendt Grinding Technologies Limited on 3<sup>rd</sup> June 2019. For the purposes of this requirement, a material subsidiary means any subsidiary whose net worth exceeds 20% of the consolidated net worth of the Company or which has generated more than 20% of the consolidated income of the Company in the preceding financial year. As at 31<sup>st</sup> March 2021, Wendt Grinding Technologies Limited, Thailand does not meet the criteria of a material subsidiary mandating a Board representation. However, from a governance perspective, the Board decided that the representation of Ms. Hima Srinivas, Independent Director on the Board of Wendt Grinding Technologies Limited would continue. The Board reviews the significant transactions and arrangements of the subsidiary companies besides being apprised of their business plan and performance.

In line with the amendments to the Companies Act, 2013, Listing Regulations and SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has in place policies for determining 'materiality' for disclosure of events/information to stock exchanges, policy for preservation and archival of documents, dividend distribution policy, business responsibility policy, whistle blower policy, policy for prevention of sexual harassment at workplace. The above policies are periodically reviewed by the Board. The Corporate Social Responsibility Policy has been reviewed in line with the amendments to the Companies (Corporate Social Responsibility) Rules, 2014. The policies are posted on the website of the Company at the link https://www.wendtindia.com/investors/.

68

## Separate meeting of the Independent Directors

Besides the formal Board meetings, the Independent Directors hold meetings without the participation of the Non-Independent Directors and the members of the management. During the year, the Independent Directors met on 12<sup>th</sup> March 2021 and reviewed the performance of the Non-Independent Directors, Board as a whole and also assessed the quality, quantity and timeliness of the flow of information between the management and the Board.

## (iii) Board Familiarization

The members of the Board are equipped with many opportunities to familiarize themselves with the Company, the operations and the management. At the time of appointment of a Director, a formal induction programme comprising of a detailed presentation on the operations, the business segments and profile, organization structure and other market related information is done. Dedicated plant visits are also arranged for the Directors to enable them familiarize with the manufacturing and product processes. The Directors are also provided with a letter of appointment along with the Company's Code of Conduct detailing the duties and responsibilities of the Directors including that of an Independent Director.

On an ongoing basis as well, exclusive plant visits are organized periodically for the existing Directors to stay abreast of the operational and manufacturing processes. During the year, Mr. Bhagya Chandra Rao, visited the Company's facility on 18<sup>th</sup> February 2021 as a part of his board induction process. Further, Mr. M Lakshminarayan visited the Company's facility at Hosur on 12<sup>th</sup> March 2021. The Board is also apprised on a quarterly basis through presentations and discussions on the overall economic trends, the performance of the Company, analysis of the circumstances which helps or adversely impact the Company's performance, the initiatives taken / proposed to be taken, marketing strategy, business risks and mitigation plan, the regulatory changes impacting the Company etc.

These initiatives help the Directors in understanding the Company, its businesses, the regulatory arena in which it operates, thus enabling the Directors in effectively contributing to the Board. The familiarization programme for Independent Directors is disclosed on the Company's website - https://www.wendtindia.com/investors/.

## (iv) Board Evaluation

During the year, the Board conducted an evaluation of its own performance, individual Directors as well as the working of the Committees as per the Board evaluation framework adopted by it. The manner and criteria for the evaluation of the Directors including the Independent Directors of the Company is detailed in the Directors' Report.

## **B. BOARD COMMITTEES**

The Board has constituted various Committees for effectively discharging its responsibilities more specifically in areas where specialized and extensive discussions are required. The Board Committees include Audit Committee, Stakeholders Relationship Committee, Corporate Social Responsibility Committee and Nomination and Remuneration Committee. The Company Secretary acts as the Secretary to the Committees of the Board.

The Board at the time of constitution of each Committee determines the terms of reference and also delegates further powers from time to time. Various recommendations of the Committees are submitted to the Board for consideration & approval and the minutes of all meetings of the Committees are circulated to the Board for information.

#### WHISTLE BLOWER POLICY / VIGIL MECHANISM

The Company is committed to the highest standards of Corporate Governance and stakeholder responsibility. To provide an avenue to raise concerns, if any, in line with the Company's commitment to the high standards of ethical, moral and legal conduct of business, the Company has established the Whistle Blower policy. The mechanism also provides for adequate safeguards against victimisation of employees who avail of the mechanism and also for appointment of an Ombudsman who will deal with the complaints received. The policy also lays down the process to be followed for dealing with complaints and in exceptional cases, also provides for direct appeal to the Chairperson of the Audit Committee. In line with the requirements of the Companies Act, 2013, the policy coverage extends to the Directors of the Audit Committee. In line with the SEBI (Prohibition of Insider Trading) Regulations, 2015, the Whistle Blower policy also covers reporting of instances that may result in leakage of Unpublished Price Sensitive Information (UPSI). The Whistle Blower policy is available on the Company's website at the following link <u>www.wendtindia.com</u>. It is affirmed that during the year, no employee was denied access to the Audit Committee.

#### **PREVENTION OF INSIDER TRADING**

The Company has adopted a Code of Conduct for Prohibition of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. The Code requires preclearance for dealing in the Company's shares for all transactions by Directors and designated employees (together called Designated Persons) and prohibits the purchase or sale of Company's securities by Designated Persons while in possession of Unpublished Price Sensitive Information (UPSI) in relation to the Company. Further, trading in securities is also prohibited for Designated Persons during the period when the Trading Window is closed. During the year, Audit Committee reviewed the compliance with the provisions of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and also verified that the systems for internal control as required under the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 are adequate and are operating effectively. The Company Secretary is responsible for implementation of the Code. The Company also has in place a Code for practices and procedures for fair disclosure of unpublished price sensitive information which is available on the website of the Company.

#### **DISCLOSURES**

During the year, there were no material transactions with Related Parties. The Company has devised policies on dealing with Related Party Transactions and for determination of material subsidiary. The same is available in the website of the Company in the link https://www.wendtindia.com/investors. The requirements of Regulation 17 to Regulation 27 of the Listing Regulations and clauses (b) to (i) of Regulation 46(2) to the extent applicable to the Company have been complied with as disclosed in this Report. During the year, the stock exchanges - NSE and BSE had communicated to the Company their decision to levy fine on the Company owing to the Company not meeting the mandated 25% threshold of minimum public shareholding as required under Regulation 38 of Listing Regulations. The promoters of the Company have vide an offer for sale diluted their respective stake in the Company to meet the minimum public shareholding requirement and the process was initiated in December 2020 and concluded on 8<sup>th</sup> January 2021. Hence as on date of this report, the Company has complied with Regulation 38 of Listing Regulations. Further, there were no instances of non-compliance by the Company nor were there any penalties or strictures imposed on the Company by the stock exchanges, SEBI or any statutory authority on any matter related to capital markets in the preceding three years. #### **INSTRUCTIONS TO SHAREHOLDERS**

Members holding shares in physical form are requested to address their communications regarding change in address/contact details by quoting their folio number to the Company's Registrar and Share Transfer Agent (RTA) or to the Company by e-mailing to <u>investorservices@wendtindia.com</u>. Shareholders holding shares in electronic form may send the communications regarding the above to their Depository Participant.

The Ministry of Corporate Affairs vide circulars dated 5<sup>th</sup> May 2020 and 13<sup>th</sup> January 2021 has relaxed the requirement on companies to send Annual Report in physical mode owing to the practical difficulties arising from COVID-19. Accordingly, an electronic copy of the Annual Report is being sent to all the Members holding shares in dematerialised mode and whose e-mail IDs are available with the Depository Participant(s) and to all the Members holding shares in physical mode whose e-mail IDs are registered with the Company / RTA for communication purposes. Members holding shares in physical mode are requested to furnish their e-mail addresses with Company's Registrar and Share Transfer Agent (RTA) or to the Company by e-mailing to <u>investorservices@wendtindia.com</u> for obtaining the Notice and the Annual Report. Alternatively, the same will also be made available on the website of the Company at <u>https://www.wendtindia.com</u>. Detailed information on registration of e-mail addresses with the Company/RTA is provided in the Notice convening the AGM.

Members are encouraged to avail nomination facility and approach the RTA or their Depository Participant in this regard.

Members are requested to register their e-mail ID with the RTA / Depository Participant to enable the Company to send communications electronically.

Members are advised to intimate the details of their PAN and bank account details to enable electronic remittance of dividend or alternatively for being incorporated in the dividend warrants. This would help to avoid fraudulent encashment of dividend warrants.

In case of Members holding shares in physical form, all intimations are to be sent to KFin Technologies Private Limited, (Unit: Wendt (India) Limited), Selenium Tower B, Plot 31 & 32, Financial District, Nanakramguda, Serilingampally Mandal, Hyderabad - 500 032, the RTA of the Company.

Members may note that pursuant to SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 effective 1st April 2019, requests for effecting transfer of securities in physical form shall not be processed unless the securities are held in the dematerialising form with a Depository. Members would be able to transfer their shares only after necessarily dematerialising their physical shares. Hence, Members are encouraged to dematerialising their physical holdings to demat form at the earliest.

Members are also requested to note that pursuant to an amendment in the Income Tax Act, 1961 with effect from 1<sup>st</sup> April 2020, dividends declared by the Company will be taxed in the hands of the recipient of dividend i.e. shareholders. Hence, all dividends declared after 1<sup>st</sup> April 2020 by the Company have been paid/will be paid to the Members after deducting tax at the applicable rate prescribed under the Income Tax Act, 1961. Members may note that in the absence of PAN, the Company would be required to deduct tax at a higher rate prescribed under the Income Tax Act, 1961. Hence, Members who have not furnished their PAN to the Company are requested to immediately submit a copy of their PAN to the Company. Members seeking non-deduction of tax on their dividends may submit Form 15G / 15H as applicable to the Company on a yearly basis. The formats of Form 15G / Form 15H are available in https://www.wendtindia.com/investors/. Members may contact the Company Secretary or any executive in the Secretarial team at contact numbers provided in the General Shareholder Information in case of any clarification with respect to the dividends declared by the Company.

Shareholders may contact the Secretarial team in case of any guery regarding their holdings in the Company.

#### **Description of Key Audit Matter**

#### Appropriateness of Provision recognized for obsolescence of slow-moving inventory

89

Refer Note 2.2 (Critical Estimates and Judgements) and Note 9 (Inventories) to the standalone financial statements.

The Company manufactures super abrasives and precision tools which includes grinding and honing tools. The inventory of the Company (including raw materials, work in progress, finished goods, stock in trade and stores and spares) as at March 31, 2021 aggregates to Rs. 2,246.99 lakhs. The Company has recognized a provision for obsolescence of the above inventories for Rs. 74.28 lakhs.

1. We have audited the accompanying standalone financial statements of Wendt (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for

4. We draw your attention to Note 46 to the standalone financial statements which explains the uncertainties and the management's assessment of the financial impact due to the lockdown and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we

Such provision for obsolescence mainly arises on account of:

- Items expected to be sold below cost (finished goods, stock in trade and work in progress) and a)
- b) Items which have become wholly or partially obsolete (raw materials, work in progress, finished goods, stock in trade and stores and spares).

Management judgment is required in assessing the adequacy of provision for obsolescence of slow- moving inventory. There are key assumptions and management estimates involved in the provision, including the saleability of aged inventory and the value that will be realised on sale. These judgments may have a significant impact on the calculation of inventory provision.

Due to the judgments involved, the risk around the adequacy of inventory provision is a focus area for the audit and is determined as a key audit matter.

How our audit addressed Key Audit Matter

Our audit procedures which involved applying sampling techniques included the following:

- Understanding and evaluating the design and testing the operating effectiveness of Company's controls relating to recognition of provision for obsolescence of inventory.
- Understanding the methodology used to calculate the inventory provision and determining whether it was consistent with that applied in the prior year.
- Testing whether all the slow-moving inventory items have been considered by the Management along with the basis for its expected usage for recognition of provision.
- Discussing with Company's personnel, the rationale for recognizing a provision for inventory with little or no movement during the year.
- Testing the pattern of inventory movement obtained from the Management.
- Testing the reconciliation of the amount of total inventory used for the calculation of provision to the inventory recorded.
- In respect of inventory items expected to be sold off at below cost, testing the management's basis for determining the net realizable value based on contracted selling price per sales orders or historical selling price as adjusted for price fluctuations and other factors, as applicable.
- Verifying the arithmetical accuracy of the computation of the provision.

Based on the above procedures performed, we considered the provision recognized for obsolescence of slow-moving inventory to be reasonable.

#### **Other Information**

- 6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Report of the Director including Management Discussion and Analysis Report, Corporate Governance Report and Shareholder information, but does not include the standalone financial statements and our auditor's report thereon.
- 7. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

- 11. economic decisions of users taken on the basis of these financial statements.
- 12. professional scepticism throughout the audit. We also:
- of internal control.
- . such controls.
- estimates and related disclosures made by management.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

As part of an audit in accordance with SAs, we exercise professional judgment and maintain

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with 14 relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those 15. matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on other legal and regulatory requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central 16. Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that: 17.
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - In our opinion, proper books of account as required by law have been kept by the b) Company so far as it appears from our examination of those books.
  - The Balance Sheet, the Statement of Profit and Loss (including other comprehensive c) income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - In our opinion, the aforesaid standalone financial statements comply with the Accounting d) Standards specified under Section 133 of the Act.
  - On the basis of the written representations received from the directors as on March 31, e) 2021 and taken on record by the Board of Directors, none of the directors is disgualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

#### Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1.We have audited the internal financial controls with reference to financial statements of Wendt (India) Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

#### Meaning of Internal Financial Controls with reference to financial statements

6.A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the

company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

- i. The Company is maintaining proper records showing full particulars, including quantitative (a) details and situation, of fixed assets.
  - The fixed assets are physically verified by the Management according to a phased (b) programme designed to cover all the items over a period of two years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
  - The title deeds of immovable properties, as disclosed in Note 3 on Property, plant and (c) equipment to the financial statements, are held in the name of the Company.
- The physical verification of inventory excluding stocks with third parties have been conducted at ii. reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not material.
- iii. The Company has not granted secured or unsecured loans, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
- In our opinion, and according to the information and explanations given to us, the Company has iv. complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.
- The Company has not accepted any deposits from the public within the meaning of Sections 73, v. 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- Pursuant to the rules made by the Central Government of India, the Company is required to vi. maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
  - vii. According to the information and explanations given to us and the records of the (a) Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, duty of customs, goods and service tax and other material statutory dues, as applicable, with the appropriate authorities.
  - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales-tax, service-tax, duty of customs, and duty of excise or value added tax or goods and service tax which have not been deposited on account of any dispute.
- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

- ix. Order are not applicable to the Company.
- Χ. the year, nor have we been informed of any such case by the Management.
- xi. paragraph 18 of the main audit report to the standalone financial statements.
- xii. provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. Related Party Disclosures specified under Section 133 of the Act.
- 3(xiv) of the Order are not applicable to the Company.
- XV. the Company.

#### **NOTE No.**

#### 1 COMPANY OVERVIEW

Wendt (India) Limited was incorporated on August 21, 1980 under the provisions of the erstwhile Companies Act,1956, and is a joint venture between Wendt GmbH Germany and Carborundum Universal Limited, India. Wendt (India) Limited is a leading manufacturer of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and High Precision components. The Company's registered office is in Bengaluru and factory is situated in Hosur, Tamilnadu.

#### 2 SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of preparation and presentation

#### (i) Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the act) [Indian Accounting Standards Rules, 2015] and other relevant provisions of the Act.

(ii) Historical cost convention

The financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(iii) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

#### (iv) New and amended standards adopted by the Company The company has applied the following amendments to Ind AS for the first time for their

- annual reporting period commencing April 1, 2020:
- (a) Definition of Material amendments to Ind AS 1 and Ind AS 8
- (b) Definition of a Business amendments to Ind AS 103
- (c) COVID-19 related concessions amendments to Ind AS 116
- (d) Interest Rate Benchmark Reform amendments to Ind AS 109 and Ind AS 107

The amendments listed above did not have any impact on the amounts recognised in current and prior periods and are not expected to significantly affect the future periods.

#### 2.2 Critical Estimates and Judgements

The preparation of these financial statements requires the use of accounting estimates which, by definition, which seldom equals the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

(i) Impairment of trade receivables - refer note 10 and note 30.3.2

- (ii) Estimation of defined benefit obligation refer note 33
- (iii) Provision for obsolescence of inventories refer note 2.17 and note 9

#### NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

#### 2.3 **Business combinations**

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair values of the assets transferred, liabilities incurred to the former owners of the acquired business, equity interests issued by the company and fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets and liabilities are measured initially at their fair values at the acquisition date. Acquisition related costs are expensed as incurred.

#### 2.4 Goodwill

Goodwill arising on acquisition of a business is carried at costs as established at the date of acquisition of the business less accumulated impairment losses, if any.

If the initial accounting for a business combination is incomplete by end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

Goodwill is tested for impairment annually. For the purpose of impairment testing, goodwill is allocated to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated to reduce the carrying amount of the goodwill. Any impairment loss recognised for goodwill is not reversed in subsequent periods.

#### 2.5 Revenue recognition

The Company is into manufacturing, selling and servicing of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and High Precision components.

#### 2.5.1 Sale of goods

Revenue is recognised when control of products has transferred to customers. For the majority of the company's customer arrangements, control transfers to customers at a point-in-time when goods have been despatched as that is generally when legal title, physical possession and risks and rewards of goods transfers to the customers.

Revenue is recognised at the transaction price which the company expects to be entitled.

The Company does not adjust any of the transaction prices for the time value of money as the contract with customers does not contain a significant financing component.

Receivable is recognised when the right to consideration is unconditional because only the passage of time is required before payment of the consideration is due.

When the value of goods supplied or services rendered by the Company exceed the payment, a contract asset is recognised.

When the payment exceeds the value of goods supplied or services rendered, a contract liability is recognised.

#### 2.5.2 Sale of services

Revenue from rendering of services is recognized at the point in time on rendering of services as per the terms of contracts with customers.

#### 2.5.3 Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognised and accrued using effective interest rate method.

#### 2.5.4 Rental income

The company's policy for recognition of revenue from operating lease is described in note 2.6.1

#### 2.6 Leasing - Operating

#### 2.6.1 The Company as lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognized as expense over the lease term on the same basis as lease income. The respective lease assets are included in the balance sheet based on their nature. The Company did not need to make any adjustments to the accounting for assets held as lessor as a result of adopting the new lease standard.

#### 2.6.2 The Company as lessee

Effective April 01, 2019, the Company has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise Right-of-use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is of a low value. The Company has used the 'modified retrospective approach' for transition from Ind AS 17, 'Leases'.

The Company has a single leasing arrangement which meets the definition of short team lease in accordance with Ind AS 116. The Company has elected to apply the practical expedient to not recognise a lease liability and right-of-use asset for short-term leases with a lease term of 12 months or less. Payments associated with short term leases are recognised on a straight line basis in the Statement of Profit and Loss.

#### 2.7 Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognized in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating income.

Government grants relating to the purchase of property, plant and equipment are netted off with the cost of related asset.

The export incentives from the Government are recognized based on eligibility at their fair value where there is a reasonable assurance that the incentive will be received and the company will comply with all attached conditions.

#### NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

#### 2.8 Foreign currency transactions

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operate (i.e. the "functional currency"). The financial statements are presented in Indian Rupee (INR), the national currency for India, which is the functional and presentation currency of the company.

Transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at that date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the statement of profit and loss.

#### 2.9 Borrowing costs

Borrowing costs, other than that are directly attributable to the acquisition, construction or production of a qualifying asset are expensed in the period in which they are incurred.

#### 2.10 Employee benefits

2.10.1 Long Term Employee Benefits

#### Other long term Employee Benefits - Compensated Absences

The Company also has liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Defined Contribution Plans**

Superannuation fund, Provident fund and Pension fund are defined contribution plans towards which the company makes contribution at predetermined rates to the Superannuation Trust, and the Regional Provident Fund Commissioner respectively. The same is debited to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.

The Company also makes contributions to state plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995. The Company has no further payment obligation once the contributions have been paid.

#### **Defined Benefit Plan**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income;
- remeasurement

Termination benefits are recognized as an expense as and when incurred.

#### 2.10.2 Short-term employee benefits

Short term employee benefits including performance incentives which are expected to be settled within 12 months after the end of the period in which the employee renders related service, are determined as per Company's policy and recognized as expense based on expected obligation on undiscounted basis

#### 2.11 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

#### 2.11.1 Current tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

#### 2.11.2 Deferred tax

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. However, the deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill or from initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or losses at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

#### NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

#### 2.12 Earnings per share

The basic earnings/ (loss) per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

#### 2.13 Research and development costs

Revenue expenditure pertaining to research are charged to the respective heads in Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Property, plant and equipment.

## 2.14 Property, Plant and equipment

Freehold Land is carried at historical cost.

All other items of Property, Plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. The cost of tangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying tangible assets up to the date the asset is ready for its intended use. Machinery spares which can be used exclusively in connection with an item of tangible asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent costs are included in the asset's carrying amount are recognised as a separate asset, as appropriate only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Individual assets costing less than Rs.5,000 each are depreciated in full in the year of acquisition.

On transition to Ind As, the company elected to continue with the carrying value of all its Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment.

#### Capital work-in-progress:

Items of assets which are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest, if any.

#### Depreciation

Depreciation is recognised so as to write off the cost of the assets (other than freehold land and assets under progress) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Estimated useful lives of the tangible assets are as follows: -	
Buildings - Freehold	
(i) Factory Building	30 years
(ii) Building (Other than factory building)	60 years
Plant and Equipment	
(i) Single Shift	15 years
(ii) Double Shift	10 years
(iii) Triple Shift	7.5 years
Office Equipment	
(i) Computers and Data Processing equipment's	3 years
(ii) Servers and Networks	6 years
(iii) Others	5 years
Furniture and Fixtures	10 years
Vehicles	8 years

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the used / second hand machines & process bath equipments, in whose case the life of the assets has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on assets added / disposed off during the year is provided on pro-rata basis from the month of addition or up to the month prior to the month of disposal, as applicable.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

#### 2.15 Intangible assets

#### 2.15.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

#### NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

On transition to Ind As, the company elected to continue with the carrying value of all its intangible assets measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment.

#### 2.15.2. Intangible assets acquired in a business combination

Intangible assets acquired in a business combination other than goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost)

#### 2.15.3 Useful lives of intangible assets

Estimated useful lives of the intangible assets are as follows:-

Technical Knowhow
Computer Software
Brands and Trademarks
Patents

#### 2.16 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is higher of fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset(or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

#### 2.17 Inventories

Inventories are valued at lower of cost and net realizable value. Cost of raw materials, stores and spares and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour, and an appropriate proportion of overheads. Cost of inventories also include all other costs incurred in bringing the inventories to the present location and condition. Cost is computed on weighted average basis.

Net realisable value represents the estimated selling price for inventories less the estimated costs of completion and estimated costs necessary to make the sale.

5 years
5 years
5 years

#### 2.18 Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with maturity of 3 months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in values, and bank overdrafts. Bank overdrafts and Book overdrafts are disclosed under "Other financial liabilities".

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

#### 2.19 **Provisions and Contingencies**

Provisions are recognised when the company has a present obligation (legal or constructive) as a results of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle present obligation at the end of reporting period, taking into account the risk and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or where there is an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements.

#### 2.20 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provision of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss ) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transactions costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

#### 2.21 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

#### NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

#### 2.21.1. Classification of financial assets

Financial Assets that meet the following conditions are subsequently measured at amortised cost (except for financial assets that are designated as fair value through profit or loss on initial recognition) :

- contractual cash flows: and
- outstanding.

Financial assets are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss.

Amortised cost are represented by security deposits, cash and cash equivalents and eligible current and non-current assets. Cash and cash equivalent comprise cash on hand and in banks and demand deposit with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the impairment policy on financial assets measured at amortised cost, refer Note 2.21.4

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as fair value through profit or loss on initial recognition):

- contractual cash flows and selling financial assets; and
- amount outstanding.

#### 2.21.2 Investment in Subsidiaries

Investment in subsidiaries is carried at cost.

#### 2.21.3 Investment in equity instruments at FVTOCI

On initial recognition, the company can make an irrevocable election (on an instrument-by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investment in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value. Subsequently, they are measured at fair value with gain and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instrument through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

· the asset is held within business model whose objective is to hold assets in order to collect

• the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount

• the asset is held within a business model whose objective is achieved both by collecting

• the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal

#### 2.21.4. Financial assets at fair value through profit or loss (FVTPL)

Financial asset at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporate any dividend or interest earned on the financial asset and is included under 'Other income'. Dividend on financial asset at FVTPL is recognised when the company's right to receive the dividends is established. It is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount can be measured reliably.

FVTPL is a residual category for financial assets. Any financial categorisation which is not at amortised cost or as FVTOCI, is classified at FVTPL. In addition, the company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, at FVTPL, if doing so eliminates or significantly reduces a measurement or recognition inconsistency.

#### 2.21.5. Impairment of financial assets

The company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instruments at an amount equal to 12 month expected credit losses. 12 month expected credit losses are portion of the lifetime expected credit losses and represents the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the 12 months.

For trade receivables or any contractual rights to receive cash or another financial assets that result from transactions that are within the scope of Ind AS 115, the company always measures the loss allowance at an amount equal to life time expected credit losses.

Further, for the purposes of measuring lifetime expected credit loss allowance for trade receivables, the company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

#### 2.22 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Refer Note 31 for segment information presented.

#### 2.23 Rounding Off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs, as per the requirement of Schedule III, unless otherwise stated.

#### 2.24 New standards and interpretations not yet adopted

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2021.

- Borrowings	99.74	-	99.74	-	
Total financial liabilities	2,658.45	3,152.03	2,658.45	3,152.03	

The management assessed that fair value of cash and short- term deposits, trade receivables, trade payables, book overdrafts and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

i)The fair value of the quoted mutual funds is based on price quotations at reporting date. The fair value of unquoted instruments, loans from banks and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debtor similar terms, credit risk and remaining maturities.

128

#### Fair value hierarchy

- Level 1- Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.as prices) or indirectly (i.e. Derived from prices).
- Level 3- Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The Company accords there accumptions with its proje	stad long term plans of growth and proval	ant industry standards. The

The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield.

#### (h) Sensitivity analysis - DBO end of Period

Particulars	As at March 31, 2021	As at March 31, 2020
Discount rate +100 basis points	615.69	698.17
Discount rate -100 basis points	722.87	806.05
Salary Increase Rate +1%	717.04	799.66

Attrition Rate +1%	653.13	735.14
Attrition Rate -1%	679.74	763.44

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual changes in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

#### Note 46 - Note on COVID -19

Owing to outbreak of COVID-19 pandemic, the Company had resumed its operations from end April, 2020 in a phased manner taking into account directives from various Government authorities. The operations were resumed gradually and has started reviving at a better pace from second quarter onwards and progressing positively. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 and has made detailed assessment of its liquidity position for the next one year and of the recoverability and carrying values of its assets comprising Property, Plant and Equipment, Trade receivables, Inventory and Investments as at the balance sheet date, and concluded that there are no material adjustments required in the stand-alone financial results. Given the uncertainty on account of COVID-19, the final impact on the company's financial results may differ from that estimated as at the date of approval of these financial results. The company continues to monitor the economic effects of the pandemic while taking steps to improve its execution efficiencies and the financial outcome.

### Note 47 - Approval of Standalone financial statements

The Standalone financial statements were approved for issue by the board of directors on April 23, 2021.

# Consolidated **Financial Statements**

1. We have audited the accompanying consolidated financial statements of Wendt (India) Limited (hereinafter referred to as the "Holding Company" or "Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), (refer notes 1 and 2.3 to the attached consolidated financial statements), which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information prepared based on the

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2021, of the consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for

4. We draw your attention to Note 38 to the consolidated financial statements which explains the uncertainties and the management's assessment of the financial impact due to the lockdown and other restrictions and conditions related to the COVID - 19 pandemic situation for which a definitive assessment of the impact in the subsequent period is highly dependent upon

5. We draw your attention to the following emphasis of matter paragraph included in the audit report on the financial statements of Wendt Middle East FZE, a wholly owned subsidiary of the Holding Company issued by an independent firm of Chartered Accountants vide its report dated

Without qualifying the report, we wish to highlight the content of the basis of preparation and presentation of the financial statements with regards to going concern status of the Establishment. The management has shown its intention to liquidate the entity after the end of the financial year. Accordingly, this financial statement for the year ended 31 March 2021 is not prepared on going concern basis. To the best of our information, knowledge, and belief and as per the explanation and assurance provided to us by the management, we do not foresee any major loss or liability arising due to voluntary de-registration process of Messrs Wendt Middle East FZE-Sharjah, UAE.

Our opinion is not modified in respect of the above matters.

#### **Key Audit Matters**

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Description of Key Audit Matter**

#### Appropriateness of Provision recognized for obsolescence of slow-moving inventory

Refer Note 2.2 (Critical Estimates and Judgements) and Note 8 (Inventories) to the consolidated financial statements.

The Holding Company manufactures super abrasives and precision tools which includes grinding and honing tools. The inventory of the Company (including raw materials, work in progress, finished goods, stock in trade and stores and spares) as at March 31, 2021 aggregates to Rs.2,246.99 Lakhs. The Holding Company has recognized a provision for obsolescence of the above inventories for

Rs. 74.28 Lakhs. Such provision for obsolescence mainly arises on account of:

- a) Items expected to be sold below cost (finished goods, stock in trade and work in progress) and
- b) Items which have become wholly or partially obsolete (raw materials, work in progress, finishedgoods, stock in trade and stores and spares).

Management judgment is required in assessing the adequacy of provision for obsolescence of slow moving inventory. There are key assumptions and management estimates involved in the provision, including the saleability of aged inventory and the value that will be realised on sale. These judgmentsmay have a significant impact on the calculation of inventory provision.

Due to the judgements involved, the risk around the adequacy of inventory provision is a focus area for the audit and is determined as a key audit matter.

#### How our audit addressed Key Audit Matter

Our audit procedures which involved applying sampling techniques included the following:

150

- Understanding and evaluating the design and testing the operating effectiveness of Holding Company's controls relating to recognition of provision for obsolescence of inventory.
- Understanding the methodology used to calculate the inventory provision and determining whether it was consistent with that applied in the prior year.
- Testing whether all the slow-moving inventory items have been considered by the Management along with the basis for its expected usage for recognition of provision.

- with little or no movement during the year.
- ٠ provision to the inventory recorded.
- applicable.
- Verifying the arithmetical accuracy of the computation of the provision.

Based on the above procedures performed, we considered the provision recognized for obsolescence of slow-moving inventory to be reasonable.

9. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report

Responsibilities of Management and Those Charged with Governance for the Consolidated

10. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income) and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding

- 11. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
- 12. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

- 13. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
- 14. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

 Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them.

15. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and

17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest

18. We did not audit the financial statements/financial information of two subsidiaries whose financial statements/financial information reflect total assets of Rs. 2,675 lakhs and net assets of Rs. 2,231 lakhs as at March 31, 2021, total revenue of Rs. 2,126 lakhs, total comprehensive income (comprising of profit and other comprehensive income) of Rs. 253 lakhs and net cash flows amounting to Rs. 33 lakhs for the year then ended on that date, as considered in the consolidated financial statements. This financial information has been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub section (3) of Section 143 of the Act including report on Other Information insofar as it relates to the aforesaid subsidiaries is based solely on the reports of

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 and taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to financial statements of the Holding Company and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. There were no pending litigations which would impact the consolidated financial position of the Group.
  - ii. The group has long-term contracts as at March 31, 2021 for which there were no material foreseeable losses. The Group did not have any derivative contracts as at March 31, 2021.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
  - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Group for the year ended March 31, 2021.

21. The Holding Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

#### Report on the Internal Financial Controls with reference to financial statements under Clause (i) of

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to financial statements of Wendt (India) Limited (hereinafter referred to as "the Holding Company") as of that date. Reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is not applicable to

2. The Board of Directors of the Holding company to whom reporting under clause (i) of sub section 3 of Section 143 of the Act in respect of the adequacy of the internal financial controls with reference to financial statements, which is a Company incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the

#### Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to financial statements.

#### Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

Place: Bangalore

Date: April 23, 2021

In our opinion, the Holding Company has in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. Also refer paragraph 4 of the main audit report.

#### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

#### **1. GROUP OVERVIEW**

Wendt (India) Limited (hereinafter referred to as "the Company") was incorporated on August 21, 1980 under the provisions of the erstwhile Companies Act, 1956, and is a joint venture between Wendt GmbH Germany and Carborundum Universal Limited, India. Wendt (India) Limited is a leading manufacturer of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and High Precision components. The Company's registered office is in Bengaluru and factory is situated in Hosur, Tamilnadu. The Company has 2 subsidiaries viz. Wendt Grinding Technologies Limited, Thailand and Wendt Middle East FZE, UAE. The Company, together with subsidiaries are hereinafter referred to as "the Group".

The Board of Directors have approved a proposal for voluntary de-registration of M/s. Wendt Middle East FZE, a wholly owned subsidiary of the company located at Hamriyah Free Zone, Sharjah, UAE in January 2021. Accordingly, the de-registration process has been initiated. Further, the management does not envisage any material impact arising due to de-registration of the subsidiary.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of preparation and presentation

(i) Compliance with Ind AS

The Consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the act) [Indian Accounting Standards Rules, 2015] and other relevant provisions of the Act.

#### (ii) Historical Cost Convention

These Consolidated financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

#### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

(iii) Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and noncurrent.

(iv) New and amended standards adopted by the group

The group has applied the following amendments to Ind AS for the first time for their annual reporting period commencing April 1, 2020:

(a) Definition of Material (b) Definition of a Business (c) COVID-19 related concessions (d) Interest Rate Benchmark Reform

The amendments listed above did not have any impact on the amounts recognised in current and prior periods and are not expected to significantly affect the future periods.

#### 2.2 **Critical Estimates and Judgements**

The preparation of these Consolidated financial statements requires the use of accounting estimates which, by definition, seldom equals the actual results. Management also needs to exercise judgement in applying the Group's accounting policies. This note provides an overview of the areas that involved higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in the relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

The areas involving critical estimates or judgements are: (i) Impairment of trade receivables (ii) Estimation of defined benefit oblic (iii) Provision for obsolescence of inver-

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

Management's assessment of the impact (if any) arising on individual financial statement line items on account of the COVID-19 pandemic situation has been disclosed in the related notes.

#### 2.3 **Basis of consolidation**

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company. Control is achieved when the Company:

163

- has power over the investee
- has the ability to use its power to affect its returns.

- amendments to Ind AS 1 and Ind AS 8
- amendments to Ind AS 103
- amendments to Ind AS 116
- amendments to Ind AS 109 and Ind AS 107

	- refer note 10 and note 29.3.2
gation	- refer note 32
entories	- refer note 2.18 and note 8

• is exposed, or has rights, to variable return from its involvement with the investee; and

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

Following subsidiary companies have been included in Consolidation: -

(i) Wendt Grinding Technologies Limited, Thailand	3	100% Ownership Proportion (as on March 31, 2021 & as on March 31, 2020) Incorporated on 19th July 2005)
(ii) Wendt Middle East FZE, Sharjah (UAE)	3	100% Ownership Proportion (as on March 31, 2021 & as on March 31, 2020) Incorporated on 24th September 2008)

#### 2.3.1. Changes in the Group's ownership interest in existing subsidiaries

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary. All amounts previously recognised in other comprehensive income in relation to that subsidiary (i.e., reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

#### **2.4 Business combinations**

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair values of the assets transferred, liabilities incurred to the former owners of the acquired business, equity interests issued by the company and fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets and liabilities are measured initially at their fair values at the acquisition date. Acquisition related costs are expensed as incurred.

#### 2.5 Goodwill

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquired business and the acquisition date fair value of any previous equity interest in the acquired entity (if any), over the fair value of the net identifiable assets acquired.

#### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

If the initial accounting for a business combination is incomplete by end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

Goodwill arising on acquisition of a business is carried at costs as established at the date of acquisition of the business less accumulated impairment losses, if any.

Goodwill is tested for impairment annually. For the purpose of impairment testing, goodwill is allocated to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated to reduce the carrying amount of the goodwill. Any impairment loss recognised for goodwill is not reversed in subsequent periods.

#### 2.6 Revenue recognition

The Group is into manufacturing, selling and servicing of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and High Precision components.

#### 2.6.1 Sale of goods

Revenue is recognised when control of products has transferred to customers and there are no unfulfilled obligations that could affect the customer's acceptance of the products. For the majority of the group's customer arrangements, control transfers to customers at a point-in-time when goods have been despatched as that is generally when legal title and risks and rewards of goods transfers to the customers.

Revenue is recognised at the transaction price which the group expects to be entitled.

The group does not adjust any of the transaction prices for the time value of money as the contract with customers does not contain a significant financing component.

Receivable is recognised when the right to consideration is unconditional because only the passage of time is required before payment of the consideration is due.

When the value of goods supplied or services rendered by the group exceed the payment, a contract asset is recognised.

When the payment exceeds the value of goods supplied or services rendered, a contract liability is recognised.

#### 2.6.2 Sale of services

Revenue from rendering of services is recognized at the point in time on rendering of services as per the terms of contracts with customers.

#### 2.6.3 Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognised and accrued using effective interest rate method.

#### 2.6.4 Rental income

The group's policy for recognition of revenue from operating lease is described in note 2.7.1.

#### 2.7 Leasing - Operating

#### 2.7.1 The group as lessor

Lease income from operating leases where the Group is a lessor is recognized in income on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognized as expense over the lease term on the same basis as lease income. The respective lease assets are included in the balance sheet based on their nature. The Group did not need to make any adjustments to the accounting for assets held as lessor as a result of adopting the new lease standard.

#### 2.7.2 The group as lessee

Effective April 01, 2019, the Group has adopted Ind AS 116, 'Leases'. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise Right-of-use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is of a low value. The Group has used the 'modified retrospective approach' for transition from Ind AS 17, 'Leases'.

The Group has a single leasing arrangement which meets the definition of short team lease in accordance with Ind AS 116. The Group has elected to apply the practical expedient to not recognise a lease liability and right-of-use asset for short-term leases with a lease term of 12 months or less. Payments associated with short term leases are recognised on a straight-line basis in the Statement of Profit and Loss.

#### 2.8 Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are deferred and recognized in the consolidated profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating income.

Government grants relating to the purchase of property, plant and equipment are netted off with the cost of related asset.

The export incentives from the Government are recognized based on eligibility at their fair value where there is a reasonable assurance that the incentive will be received and the company will comply with all attached conditions.

#### 2.9 Foreign currency transactions

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates (i.e. the "functional currency"). The Consolidated financial statements are presented in Indian Rupee (INR), the national currency for India, which is functional and presentation currency of the company.

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currency) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

For the purposes of presenting these consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into Indian Rupees using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

On the disposal of a foreign operation (i.e. disposal of the Group's entire interest in a foreign operation, a disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in a joint arrangement or an associate that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the company are reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that includes a foreign operation that does not result in the Group losing control over the subsidiary, the proportionate share of accumulated exchange differences is re-attributed to non-controlling interests and are not recognised in profit or loss.

For all other partial disposals (i.e. partial disposals of associates or joint arrangements that do not result in the Group losing significant influence are joint controlled), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

#### 2.10 Borrowing costs

Borrowing costs, other than that are directly attributable to the acquisition, construction or production of a qualifying asset are expensed in the period in which they are incurred.

#### 2.11 Employee benefits

#### 2.11.1 Long Term Employee Benefits

#### Other long term Employee Benefits - Compensated Absences

The Company also has liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### **Defined Contribution Plans**

() WENDT

Superannuation fund, Provident fund and Pension fund are defined contribution plans towards which the company makes contribution at predetermined rates to the Superannuation Trust, and the Regional Provident Fund Commissioner respectively. The same is debited to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.

The Company also makes contributions to state plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995. The Company has no further payment obligation once the contributions have been paid."

#### **Defined Benefit Plan**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in consolidated other comprehensive income. They are included in retained earnings in the consolidated statement of changes in equity and in the consolidated Balance Sheet. Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income;
- remeasurement

Termination benefits are recognized as an expense as and when incurred.

#### 2.11.2: Short-term employee benefits

Short term employee benefits including performance incentives which are expected to be settled within 12 months after the end of the period in which the employee renders related service, are determined as per group's policy and recognized as expense based on expected obligation on undiscounted basis.

#### 2.12 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax. Income tax expense is recognized in the consolidated statement of profit and loss except to the extent it relates to items directly recognized in equity or in consolidated other comprehensive income.

#### 2.12.1 Current tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized

#### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

#### 2.12.2 Deferred tax

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in consolidated financial statements. However, the deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill or from initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or losses at the time of the transaction.

Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences other than investment in subsidiaries, where the Parent is able to control the timing of the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred income tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

#### 2.13 Earnings per share

The basic earnings / (loss) per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

#### 2.14 Research and development costs

Revenue expenditure pertaining to research are charged to the respective heads in Consolidated Statement of Profit and Loss. Development costs of products are also charged to the Consolidated Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Property, plant and equipment.

#### 2.15 **Property, Plant and equipment**

#### Freehold Land is carried at historical cost.

All other items of Property, Plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. The cost of tangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying tangible assets up to the date the asset is ready for its intended use. Machinery spares which can be used exclusively in connection with an item of tangible asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent costs are included in the asset's carrying amount are recognised as a separate asset, as appropriate only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably.

Individual assets costing less than Rs.5,000 each are depreciated in full in the year of acquisition.

On transition to Ind AS, the group elected to continue with the carrying value of all its Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment.

#### Capital work-in-progress:

Items of assets which are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest, if any.

#### Depreciation

Depreciation is recognised so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Estimated useful lives of the tangible assets are as follows: -

Buildings - Freehold	
(i) Factory Building	30 years
(ii) Building (Other than factory building)	60 years
(iii) Others	20 years
Plant and Equipment	
(i) Single Shift	15 years
(ii) Double Shift	10 years
(iii) Triple Shift	7.5 years
Office Equipment	
(i) Computers and Data Processing equipments	3 years
(ii) Servers and Networks	6 years
(iii) Others	5 years
Furniture and Fixtures	10 years
Vehicles	8 years

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the used / second hand

170

machines & process bath equipments, in whose case the life of the assets has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on assets added / disposed off during the year is provided on pro-rata basis from the month of addition or up to the month prior to the month of disposal, as applicable.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in consolidated statement of profit or loss.

#### Intangible assets 2.16

#### 2.16.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

On transition to Ind As, the group elected to continue with the carrying value of all its intangible assets measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, plant and equipment.

#### 2.16.2 Intangible assets acquired in a business combination

Intangible assets acquired in a business combination other than goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

#### 2.16.3 Useful lives of intangible asset

Estimated useful lives of the tangible assets are as follows: -

Technical Knowhow	5 years
Software	5 years
Brands and Trademarks	5 years
Patents	5 years

#### 2.17 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is higher of fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in consolidated profit or loss.

#### Inventories 2.18

Inventories are valued at lower of cost and net realizable value. Cost of raw materials, stores and spares and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour, and an appropriate proportion of overheads. Cost of inventories also include all other costs incurred in bringing the inventories to the present location and condition. Cost is computed on weighted average basis.

Net realisable value represents the estimated selling price for inventories less the estimated costs of completion and estimated costs necessary to make the sale.

#### 2.19 Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with maturity of 3 months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in values, and bank overdrafts. Bank overdrafts and Book overdrafts are disclosed under "Other financial liabilities".

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the group are segregated.

#### **Provisions and Contingencies** 2.20

Provisions are recognised when the group has a present obligation (legal or constructive) as a result of a past event, it is probable that the group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle present obligation at the end of reporting period, taking into account the risk and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or where there is an obligation for which the future outcome cannot be ascertained with reasonable certainty.

### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the consolidated financial statements.

#### **Financial instruments** 2.21

Financial assets and financial liabilities are recognised when the group becomes a party to the contractual provision of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transactions costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in consolidated profit or loss.

#### **Financial assets** 2.22

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

#### 2.22.1. Classification of financial assets

Financial Assets that meet the following conditions are subsequently measured at amortised cost (except for financial assets that are designated as fair value through profit or loss on initial recognition): • the asset is held within business model whose objective is to hold assets in order to collect

- contractual cash flows; and
- outstanding.

Financial assets are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss.

Amortised cost is represented by security deposits, cash and cash equivalents and eligible current and non-current assets. Cash and cash equivalent comprise cash on hand and in banks and demand deposit with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the impairment policy on financial assets measured at amortised cost, refer Note 2.22.4

173

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as fair value through profit or loss on initial recognition):

- contractual cash flows and selling financial assets; and
- outstanding.

 the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount

• the asset is held within a business model whose objective is achieved both by collecting

• the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount

#### 2.22.2 Investment in equity instruments at FVTOCI

() WENDT

On initial recognition, the group can make an irrevocable election (on an instrument- by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investment in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value. Subsequently, they are measured at fair value with gain and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instrument through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

#### 2.22.3. Financial assets at fair value through profit or loss (FVTPL)

Financial asset at FVTPL is measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporate any dividend or interest earned on the financial asset and is included under 'Other income'. Dividend on financial asset at FVTPL is recognised when the group's right to receive the dividends is established. It is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount can be measured reliably.

FVTPL is a residual category for financial assets. Any financial categorisation which is not at amortised cost or as FVTOCI, is classified at FVTPL. In addition, the group may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, at FVTPL, if doing so eliminates or significantly reduces a measurement or recognition inconsistency.

#### 2.22.4. Impairment of financial assets

The group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the group measures the loss allowance for that financial instrument at an amount equal to 12 month expected credit losses. 12 month expected credit losses are portion of the lifetime expected credit losses and represents the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the 12 months.

For trade receivables or any contractual rights to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the group always measures the loss allowance at an amount equal to life time expected credit losses.

Further, for the purposes of measuring lifetime expected credit loss allowance for trade receivables, the group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

#### 2.23 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Refer Note 30 for segment information presented.

#### **Rounding Off** 2.24

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs, as per the requirement of Schedule III, unless otherwise stated.

#### 2.25 New standards and interpretations not yet adopted

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2021.

- Borrowings	99.74	-	99.74	-
Total financial liabilities	2,960.87	3,312.59	2,960.87	3,312.59

The management assessed that fair value of cash and short- term deposits, trade receivables, trade payables, book overdrafts and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values: i)The fair value of the quoted mutual funds is based on price quotations at reporting date.

#### Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2– Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents the fair value measurement hierarchy of financial assets measured at fair value on recurring basis as at March 31, 2021 and March 31, 2020.

#### 29.2 Financial Risk management objectives and policies

The group treasury function provides service to the business, co-ordinates access to domestic and international financial markets monitors and manages the financial risks relating to the operations of the group through internal risk report which analyze exposures by degree and magnitude of risk. These risk include market risk, currency risk, interest risk, price risk, credit risk and liquidity risk.

The group seeks to minimise the effects of these risks by using policies approved by the board of directors, which provide written principles on interest risk, credit risk and investment of excess liquidity. The group does not enter into trade financial instruments for speculative purpose.

The group treasury function reports quarterly to the senior management team that monitors risk and policies implemented to mitigate risk exposures.

#### 29.3.1 Market risk

The group is exposed primarily to the financial risk of change in foreign currency exchange rate. The group transacts in various foreign currencies. Foreign currencies are recognised at the rate of exchange prevailing at the date of transaction. The group being a net exporter, follows the policy of natural hedging of foreign exchange transactions. There is a net foreign exchange gain in the current and previous year.

### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

#### 29.3.1 (a) Foreign currency risk management

The group undertakes transactions denominated in foreign currencies, consequently, the group is exposed to exchange rate fluctuations. The group, being a net exporter, follows the policy of natural hedging of foreign exchange earnings and outflow and hence it does not take any forward covers.

The carrying amounts of the group's foreign currency (unhedged) denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

#### 29.3.2 Credit Risk

() WENDT

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The group is exposed to credit risk from its operating activities (primarily trade receivables and contract assets) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

The customers are broadly classified into high risk and medium risk, accordingly credit limit exposure is fixed. The group carries out payment performance review of all customers and based on this analysis, risk category of customers are evaluated annually. Further, the utilization of credit limit is regularly monitored through inbuilt locks in the ERP system.

#### 29.3.3 Liquidity Risk

Liquidity risk is the risk that the group will not be able to meet its financial obligations as they fall due. The group's approach to managing liquidity is to ensure that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's business and reputation.

### NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

The group regularly reviews its receivables, inventory and other working capital elements to mitigate any liquidity concerns. Any surplus from the business funds needs is parked in debt mutual funds (liquid / liquid plus) from reputed Asset Management Companies to provide day to day working capital.

Also, the group has unutilized credit limits with bank.

#### Note 30 - Segment Disclosures

#### 30.1 Products and services from which reportable segments derive their revenue

The CEO of the holding Company has been identified as the Chief Operating Decision Maker (CODM) of the Group as defined by Ind AS 108, Operating Segments. Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the CODM, in deciding how to allocate resources and assessing performance.

1) The Group is organised into three business segments, namely:

a) Super Abrasives b) Machines, Accessories and Components and c) Others

The "other" segment includes other trading products

The above segments have been identified taking into account the organisation structure as well as the differing risks and returns of these segments. The Group has identified business segments as its primary segments. The reportable business segments are in line with the segment wise information which is being presented to the CODM.

2) Segment revenue and expenses have been identified to segments on the basis of their relationships to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under "Other Un-allocable Expenditure".

#### Note 31 - Leases

#### As a Lessee

The Group has entered into operating lease arrangements for leased accommodation which is for a period of 12 months. The lease is cancellable at the option of the lessee.

This lease is a short term lease and does not include any variable payment terms.

#### Impact due to Adoption of Ind AS 116 on the financial statements

Only leasing arrangement that the Group has entered into is in respect of a leased accommodation which is for a period of 12 months. The Group has elected to apply the practical expedient available in Ind AS 116 to not apply the requirements of the standard to short-term leases (i.e. leases which are for a period of 12 months or less). Accordingly, no right-of-use asset or a lease liability have been recognised by the Group under Ind AS 116 for the year ended March 31, 2021 and March 31, 2020.

#### Note 32 - Employee Benefits

#### **Defined Contribution Plans**

The Group operates defined contribution benefit plans for all qualifying employees.

Superannuation fund, Provident fund, Social Security Fund and pension fund are defined contribution plans towards which the group makes contribution at predetermined rates to the Superannuation Trust funded with Life Insurance Corporation Of India and the Regional Provident Fund Commissioner respectively. The same is debited to the consolidated statement of profit and loss based on the amount of contribution required to be made as and when services are rendered by the employees. The Company has no further payment obligation once the contributions have been paid.

#### **Defined Benefit Plans**

The Company is having defined benefit plan namely gratuity for all qualifying employees of the company.

The liability for gratuity to employees as at the balance sheet date is determined on the basis of actuarial valuation using projected Unit Credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected in retained earnings and is not reclassified to profit or loss.

Salary Increase Rate -1%	619.66	702.65
Attrition Rate +1%	653.13	735.14
Attrition Rate -1%	679.74	763.44

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual changes in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

#### (i) Expected cash flows for following year

Particulars	As at March 31, 2021	As at March 31, 2020
Expected employer contributions	47.72	139.74
/Addl. Provision next year		
Expected total benefit payments

Year 4	36.89	43.67
Year 5	44.74	49.46
Next 5 years	227.50	204.50

The weighted average duration of the defined benefit obligation is 9 years (March 31, 2020: 9 years).

The Company expects to make a contribution of Rs. 50 lakhs (as at March 31, 2020: Rs.50 lakhs) to the defined benefit plans during the next financial year. The employee benefit obligations(net) have been included in current liabilities based on the expected contributions.

#### **B.** Compensated Absences

#### (a) Charge to Statement of Profit and Loss and Liability

Particulars	
Charge / (credit) in the Statement of Profit and Loss	

Liability as at the year end

The entire amount of provision is presented as current since the Company does not have an unconditional right to defer settlement of any of these obligations. However, based on past experience, the Company does not expect all employees to avail the full amount of accrued leave or require payment for such leave within the next 12 months. The leave obligation not expected to be settled within the next 12 months amounts to Rs. 202.09 lakhs (March 31, 2020 : Rs. 198.50 lakhs).

#### Note 38 - Note on COVID -19

Owing to outbreak of COVID-19 pandemic, the Group had resumed its operations from end April, 2020 in a phased manner taking into account directives from various Government authorities. The operations were resumed gradually and has started reviving at a better pace from second guarter onwards and progressing positively. The Group has considered the possible effects that may result from the pandemic relating to COVID-19 and has made detailed assessment of its liquidity position for the next one year and of the recoverability and carrying values of its assets comprising Property, Plant and Equipment, Trade receivables, Inventory and Investments as at the balance sheet date, and concluded that there are no material adjustments required in the Consolidated financial results. Given the uncertainty on account of COVID-19, the final impact on the group's financial results may differ from that estimated as at the date of approval of these financial results. The group continues to monitor the economic effects of the pandemic while taking steps to improve its execution efficiencies and the financial outcome.
