DO MORE WITH LESS

DO MORE WITH LESS is to devote time for Value added activity, finding ways and means to achieve more out of what we have. (as resources are scarce)

Focus on timely completion of all the business transactions by simplifying the procedures and the processes.

- Doing things better
- Simplicity in Strategy and clarity in execution
- Vital Few Concept – 80 – 20 rule – Pareto Principle
- Right Person on the Right Job
- Manage Our Time.
- Planning and Prioritizing
- Grouping Similar task together to focus
- Simplify Procedure
- Reduce Waste
- Every Spend to Measure and Come with Cost Saving
- Reduce Losses
- Increase Productivity & Efficiency, reduce cycle time & Cost
- Improve Process Controls and Ensure defect free products to customers
- Consistency, Timely Response
- Zero Breakdown
- Right Material @ Right Time @ Right Price
- Optimum Utilization of Resources
- Ease of doing business - Digitalisation
- Leveraging the three Verticals - Super Abrasives, Machine Tool Division and Precision Products.

REPORT OF THE DIRECTORS

(Including Management Discussion and Analysis)

TO THE MEMBERS OF WENDT (INDIA) LIMITED

Your Directors have the pleasure in presenting the 41st Annual Report of Wendt (India) Limited (hereinafter referred to as 'the Company') together with the Audited Financial Statements for the year ended 31st March 2023. The Management Discussion & Analysis Report which is required to be furnished as per SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (hereinafter referred to as 'the Listing Regulations') has been included in the Directors' Report to avoid duplication and overlap.

ECONOMIC OVERVIEW

In a world that is more interconnected than ever before, all countries are getting impacted by what is happening in other countries. Apart from change in date, very little in FY 2022-23 feels different from the one gone by for the global economy. Geopolitical uncertainties continued unabated, a legacy of the last year, and there is wide consensus among economists now that the global economy is on verge of entering a phase of severe slowdown. Amidst this, the Indian economy remains a bright spot and GDP had grown around 7 per cent in 2022-23, making it the fastest growing major economy in the world for third time in a row.

The uncertainties caused by Russia Ukraine war which started in Feb 22 escalated further with more sanctions imposed on Russia by NATO, leading to surge in global crude oil and gas price, food grains like wheat and corn

and several other commodities casting a shadow on global growth prospects and cascading inflationary trend. This had major impact on almost all major economies of the world like US, Europe etc. including energy crisis and resultant production restriction. China, however, had its own surge of COVID variant which led to total lockdown including travel restrictions for some months impacting its economic growth.

India, tackled this situation well by sourcing cheaper crude from Russia and using this as an arbitrage to keep its foreign exchange outflow low. The Indian economy had a transitory slowdown impacted by the overall slowing global demand and domestic consumption. However, the Indian economy is poised for growth as the Government has utilised this opportunity to sustain the ongoing momentum for infrastructure expansion and strategic policy thrust to lay solid foundation for medium to long term growth. As per the outlook data 6.8% growth is expected in FY 2023-24 maintaining India's status quo as the fastest growing global economy.

The optimistic growth can be assessed from number of positives for India like thrust on capex spend, rebound of private consumption boosting production activity, near universal vaccination coverage enabling people to spend on contact based services, opening of restaurants, hotel, shopping malls, aviation, tourism sector resulted in creation of record capacities, return of migrant workers to cities to work in construction sites leading to significant decline in housing market inventory, strengthening of corporate balance sheets, well capitalised public sector banks ready to increase

credit supply and credit growth to the Micro, Small, Medium Enterprises (MSME) sector to name a few. In order to curb rising inflation, while the Central banks worldwide were busy in unprecedented repo rates hike, RBI did better job by balancing between inflation and growth, depreciating currency against US dollar and capital flight by raising rates.

India's growth can be attributed to record direct tax collections (Income Tax both personal and corporate) and GST collections, increased spending and pick up in private sector investment. The corporate sector performance is expected to show robust growth with improvement in net margins due to softening off the commodity prices from their recent highs.

India is also set to act as an important contributor of global economic recovery in the current year. The International Monetary Fund (IMF) expects emerging economies to account for four-fifth of global growth this year, with India alone expected to play the role of a global growth engine and contribute more than 15%. The stable growth of the Indian economy is aided by sustained government capital expenditure, deleveraging of the corporate sector, lower gross non-performing assets in the banking sector, and moderation in commodity prices.

In this context, the Government continued its agenda of structural reforms like rationalisation of **Production Linked Incentive Schemes** (PLI Schemes) to boost manufacturing in India and Make for World and stimulate output and investments. Specifically, support to economic growth will come from the expansion of public digital platforms and from the path-breaking measures announced such as PM Gati Shakti and

National Logistics Policy. The initiatives like vehicle scrappage policy, thrust on renewable and non-conventional energy sources is expected to reduce the India's overreliance on fossil fuel. To promote 'Ease of Doing Business' initiatives like proposed digitisation of land records, digital payments, single window clearance ensuring faster setup of new manufacturing units, faceless assessment and tax administration will boost manufacturing and help in making India a global manufacturing hub. The Government's continued heavy lifting on the capex front will also help drive in the private sector greenfield capex, which via its multiplier effect will help support domestic growth.

Though India is better placed than its global peers, the path to sustained recovery, however, will be distorted, given three major challenges India is likely to face. First, inflation is likely to remain high in the coming years even though it has already peaked. Second, aggressive tightening of monetary policies across the central banks of the advanced economies is likely to cause global slowdown in 2023, impacting domestic investment and consumer demand as the propensity to save increases. Tighter liquidity conditions may also result in capital outflows. Third, the labour market is yet to improve, and the pandemic's seemingly imminent return remains a wild card that could derail the strong recovery in consumer demand and service sector both of which

are critical to GDP growth. In short, FY 2023-24 will be a challenging year for businesses and the Government to continue the growth momentum.

INDUSTRY STRUCTURE & DEVELOPMENTS

The demand for Super Abrasive products is closely linked to the level of industrial production. Super Abrasives are used to manufacture long-lasting, expensive items like auto and aircraft parts, demand for which is highly cyclical. Diamond and Cubic Boron Nitride (CBN) Super Abrasive products are used extensively in aerospace industry and other industrial applications where price considerations are less significant as they incur high initial costs. They are used in the machining of materials such as nickel, cast iron and cobalt-based superalloys, where

precision in machining operations is of prime importance.

Increasing complexity of Super Abrasive technology in high performance applications and its high initial cost provide entry barriers for small-scale and medium-scale companies to compete with the global market leaders. While industry leaders can afford significant research operations, most unorganised players do not have access to substantial R&D resources. This disparity can make it difficult for small and medium-scale companies to compete in the market, in terms of developing products that may require advanced technologies.

The Company being a total Grinding Solution provider, innovation is at the core of the Company's products and processes. As such majority of our products are customised to fulfil the customer's requirements.

Our comprehensive product range backed by state-of-the-art technology, valued-added services and consistent performance, by and large fulfil the needs and expectations of our customers in diverse industrial segments.

The Company is a preferred supplier for many of the automobile, auto component, engineering, aerospace, defence, ceramics customers for their Super Abrasive Tooling solutions, Grinding & Honing Machines and Precision components. A major contribution to the Company's revenues comes from these industries.

Also, the Company is committed to introducing new products and exploring new markets for Glass Wheels for Auto/Solar/Construction Application; Textile industry for Knife grinding industry; High performance grinding wheels for the cutting tool industry.

COMPANY PERFORMANCE OVERVIEW (STANDALONE) (Rs. in lakhs)

	FY 2022-23	FY 2021-22	% change
Domestic Sales	13783	11858	16%
Export Sales	5312	3954	34%

Profit After Tax	4012	2710	48%
Capital Employed	16933	14414	17%
Earnings per Share - Rs.	200.58	135.49	48%

During the FY 2022-23, the Company clocked its highest ever sales of Rs.19095 lakhs, higher by 21% per cent over the previous year.

The Super Abrasive Business comprising Diamond/CBN Grinding Wheels in various Bonding Systems, Rotary Dressers, Stationary Dressers, Hones and Segmented products is the biggest business vertical for the company. With the respite from COVID 19 pandemic due to widespread vaccination during the previous year and surge of pent-up demand, the Company took several initiatives like regaining lost business, new products development, new customer acquisition, price correction, horizontal deployment of successful applications and products, looking at new customers, opportunities and markets, leveraging all its products as a complete package solution to serve customer better, sourcing etc., to grow the Super Abrasives Business.

These initiatives helped the Super Abrasive Business achieve sales of Rs. 13455 lakhs, its highest ever, growth of 22 % over the previous year.

The Domestic Super Abrasive Business recorded sales of Rs. 8810 lakhs, growth of 14 % over last year. This is the highest ever sales for Domestic Super Abrasive business. The higher sales was from industries like auto, auto ancillaries, steel, bearings, engineering, cutting tools, resellers etc.

The Export Super Abrasive sales during the year was Rs. 4645 lakhs, higher by 39% over the previous financial year. This is the highest Super Abrasive exports ever. The higher exports were due to increased sales from focus countries like USA, UK, Germany, Indonesia, Korea, Russia etc. The Company's strategy on continued emphasis on 10 focus countries for exports and other marketing initiatives like new customer addition,

horizontal deployment of successful applications and products, dedicated customer meetings/calls, email campaigns, conducting technical seminars for steel, glass grinding etc., helped in exports growth. Also, could be able to achieve Rupee Rouble trade.

In the Machines Business, sales were Rs. 2777 lakhs, growth of 13% over previous year. The machine business recorded its highest ever sales despite continued supply chain issues leading to global shortage of semi-conductor chips and other related parts which goes into manufacturing of machines. The timely execution and delivery of machines to various customers was ensured by better planning, bulk ordering of parts for the entire year, working closely with critical vendors and also developing alternate vendors. The initiatives like advance schedule release helped to execute machines on time.

During the year, the Company manufactured 40 machines. Of these 20 numbers are the regular Delta 150/200 series machines. During the year, the Company executed for the first time 11 metres length longest bed twin spindle -twin bed grinding machine model WXG 750. Besides, some of the new machines executed includes OPRA Series 200, 300 and 400 series for steel and round tools, WBM machines refurbishing etc. The Company's strategy of moving from industry specific to application-based machines has yielded good results during the year. These machines have been well received by the customers projecting a good performance. Machine sales in the export market achieved good growth and acceptance by the customers.

The Precision Products business clocked sales of Rs 2863 lakhs, higher by 24 % over the previous year. The precision components business achieved its highest ever sales during the previous year. Besides the existing products like vanes, distance piece, TP blade, inserts etc. the Company could establish new products like silicon nitride roller project, rotors and rings etc. and started regular billing. The Company continues to focus on developing new products for its components business as a part of its de-risking strategy and looking at alternate opportunities wherever possible.

During the year, the Company has signed a Sales Partnership Agreement with Lithoz GmbH, a global market and innovation leader in ceramic 3D printing to accelerate business in Indian 3D Printing market. Besides, the access to 3D printing technology will help Wendt to produce complex designs and parts which are not easily manufactured.

In order to serve the customers better, during the previous year, the Company set up a facility in Pune for insert grinding application. The facility has started production and is expected to scale up production in future with addition of newer business.

The Company has uploaded its new products and applications in social media platforms like LinkedIn, YouTube etc., to create awareness amongst its customers. During the year, the Company has launched its new website with modified and improved content for better interaction and engagement with the customers. The website look and feel has been enhanced with graphics and user interface. The

customers can choose Company's products and successful applications and place their order online. These initiatives are focussed towards Digital Marketing and Ease of Doing Business in terms of servicing customers better.

On the Information Technology side, the Company has started Digitisation initiative of its core processes in order to make ease of doing business and eliminate duplication and non-value additions. The demo and vendor finalisation has been completed and order has been placed for digitisation of Dealer Portal, vendor portal and HR portal which is expected to yield benefits from the coming years.

Wendt Stall at IMTEX Exhibition

During the year, the Company participated in several exhibitions to showcase its products and to build rapport with customers. Some of the exhibitions where the Company participated and displayed its products are IMTEX machine tool exhibition by IMTMA, National Steel Expo Raipur, Indomech Nagpur, Faridabad, Ceramic Customer Meet at Hosur, Mela at Nataraja Coimbatore and Machine Tools Exhibition 2022 in Indonesia. Besides, the Company also conducted several Technology Days and technical seminars at various customer places to educate the customer on our products and applications and to know and eradicate their pain points. Besides, the Company has also started building Dashboard for trial and application establishment, preparation of Data Bank of all products, applications, customers based on their potential and market size and case studies of successful applications.

The Company leverages its core strength like complete product range- Super Abrasives, Machine Tools and Precision Components, access to German technology, renowned global brand 'Wendt', global connect, domain knowledge and continued patronage from customers to grow its business and serve its customers better. It continues its focus on exploring new business opportunities in Aerospace, Compressor & Hydraulic parts, Special Inserts, Carbide industry, deploying its core competencies - Expertise, Experience and Knowledge on Grinding, Machines & Super Abrasive Tools for producing related precision components.

Focus on Process Efficiency

The Company continues to focus on improving operational efficiency as well as optimal utilisation of various resources- man, material and machines in manufacturing and production areas. The Company has implemented various initiatives to improve

efficiency of its processes and products. Some of the key ones are –

- The **QRM** (Quick Response Management) Initiative - Paired-cell Overlapping Loops of Cards with Authorisation (POLCA) which was started as a pilot in the earlier years has been deployed successfully in three of the production cells. This envisages reorganising the machine layout in the shopfloor thereby reducing lead-time/ waiting time between workstations and improvement in shopfloor inventory and other resources. This initiative is beneficial in addressing some of the key areas like planning and scheduling, production reliability, materials availability, and product delivery. This needs to be extended not only in manufacturing process but also in support functions.
- **Reliability on Product delivery (ROPD) improvement**- improvement in product delivery for all major cells through POLCA.
- **Loss reduction** in major cells through Cross Functional Teams (CFT) to reduce in process rejections.
- **Method Engineering**- CFT to work on Methods improvement through productivity improvement projects, automating repetitive and manual tasks, value engineering, process simplification and eliminating redundancies or NVAs, flexible manufacturing and capacity utilisation ensuring all resources are utilised to the optimum.

Supply Chain efficiency is one of the Company's key focus areas. The Company continues its focus in reducing product lead time and improving operational efficiency by reducing Work in Progress (WIP).

On the raw materials front, the Company continuously develops alternative, reliable and competitive

sources/suppliers for critical raw materials including Diamond/CBN, machine castings, systems, electrical, chemicals etc. However, to mitigate supply chain disruption the Company has tied up with critical suppliers with annual orders delivery schedules.

FUTURE PROSPECTS AND OUTLOOK

The Company's products are used extensively for Auto, Auto ancillaries, Engineering, Cutting Tools, Steel, Ceramics, Refractories, Defence, Aerospace, Construction and other industry segments. As such the Company closely monitors the developments in these sectors and accordingly devises its business strategy.

In the auto ancillary segment, rising middle class income and huge youth population in India is expected to be key demand driver. India could be a leader in shared mobility by 2030, providing opportunities for electric and autonomous vehicles. With the continued emphasis on green planet and reducing carbon emission, focus is shifting to Electric Vehicles (EV). The EV industry is expected to create 5 crores jobs by 2030 (Indian Brand Equity Foundation (IBEF)). India enjoys a strong position in the global heavy vehicles market as it is the largest tractor producer, second-largest bus manufacturer, and third-largest heavy truck manufacturer in the world. Further, initiatives like the PLI schemes for automobile and auto components, Automotive Mission Plan 2026, vehicle scrappage policy, flexi fuels etc., is expected to provide growth opportunities to the automobile sector. Indian automotive industry (including component manufacturing) is expected to reach Rs. 16.16-18.18 trillion (US\$ 251.4-282.8 billion) by 2026 (IBEF).

With regards to the Steel industry, India's finished steel consumption is anticipated to increase to 230 Million

Tonnes (MT) by FY 2030-31 from 134 MT in FY 2021-22. As of April 2022, India was the world's second largest producer of crude steel, with an output of 10.14 MT. In FY 2021-22, the production of crude steel and finished steel stood at 133.596 MT and 120.01 MT respectively. During April-October 2022, the production of crude steel and finished steel stood at 71.56 MT and 68.17 MT respectively. The growth in the Indian steel sector has been driven by the domestic availability of raw materials such as iron ore and cost-effective labour. Consequently, the steel sector has been a major contributor to India's manufacturing output. Due to the Government's continued thrust on infrastructure development including building railways, roadways and highways etc., the demand for Indian steel is expected to increase further.

Indian Abrasive market is valued at \$363.26 million in 2021 and is expected to project a robust growth with a CAGR of 6.61% to reach \$ 541 million by FY 2026-27. Initiatives like 'Smart Cities Mission' and 'Housing for All' along with rising demand for electronics and automobiles are driving the growth of Indian abrasive market.

The global Super Abrasives market is estimated to grow at a CAGR of 6.78% to USD 14.45 billion (Rs. 11.82 trillion) during 2021-2030. The dominating region is the Asia Pacific with major countries being China, India, Japan, South Korea and other regions being North America-US, Canada, Europe -Germany, UK, France, Italy etc. The largest segment of Super Abrasives market was the diamond segment accounting to 67% out of which the largest market is the electroplated diamond. By the end user industry, the electronic segment has the highest demand of super abrasives occupying 49% market share followed by automotive and oil and gas, which accounted for 14% and 10% market share respectively. The electronics industry was

worth USD 1787 million in 2016. The highest market share by country is occupied by Japan with USD 918 million followed by US with USD 581 million. Major factors responsible for the growth of global super abrasives market include growing awareness regarding adoption of high-end technologies and their benefits coupled with the continuing growth of the automotive industry. In addition to this, the product is widely popular due to its long lifecycle, high scale hardness and superlative performance, which is anticipated to spur the global super abrasives market growth. However, some of the factors that might act as major impediments to the growth of super abrasives market across the globe in the years to come are high cost of

Wendt Grinding Technologies Limited visit by Chief Executive Officer and Chief Financial Officer

production along with product price volatility due to the fluctuating raw material costs.

The expected growth of the above sectors provides good opportunities for the Company's products Super Abrasives, Machines, and Precision Components in future.

The Company's growth lies in constantly monitoring changes in the external environment and adapting to the customer needs that are emerging. Accordingly, mega trends and underlying new opportunities that unfolds are being tracked continuously.

The growing usage of Super Abrasive products for various medical applications such as Surgical Instruments, Hypodermic Needles, Dental implants, Knee, Hip and Shoulder joints create new opportunities for the Company to explore through technical collaboration and new products development. Also, growing Consumer Electronic Segment with manufacturing facilities in India is expected to provide a wide array of opportunities for consumption of Super Abrasives in the coming years. The focus on semiconductor industry which will make India a major hub for manufacturing semiconductors is expected to be a major growth engine. The Company is exploring necessary tie-ups and collaboration to venture into these growing sectors.

To bridge the gap between optimising existing technologies & investing in advancements, the Company's in-house R&D efforts are aimed at strengthening the existing technology, complemented by new methods of manufacturing.

Adoption and deployment of appropriate technologies for indigenous Bond development, streamlining processes has been the key focus areas for Company's growth prospect and the Company will continue to do so.

SUBSIDIARY COMPANIES

Wendt Grinding Technologies Limited, Thailand

The Company's wholly owned subsidiary, Wendt Grinding Technologies Limited, Thailand, achieved sales of Thai Baht 870 lakhs (Rs. 1974 lakhs) which is 14% lower than the last year. This is despite unprecedented challenges and industry slowdown on account of increase in COVID-19 infection, EV impetus, geopolitical uncertainties due to anti-China thrust and

China - Taiwan relations, rising costs and all odds. The subsidiary continues to demonstrate its strong resolve and business acumen challenging the unfavourable conditions and churning out results on a consistent basis.

The Profit Before Tax was Thai Baht 115 lakhs (Rs. 263 lakhs), 34% lower than previous year and the Profit After Tax has been Thai Baht 92 lakhs (Rs. 209 lakhs), 34% lower over previous year.

During this challenging year, the subsidiary resorted to strict cost and receivables control, clear business focus in terms of increasing product and customer basket and strengthening the export business. These initiatives have helped in de-risking the business by compensating for the decline in existing products. Focus on providing value added services, enhancing product basket, new customer additions and entering new geographies have yielded desirable results.

The subsidiary will continue to focus on core business & value-added service and increased customer/product base along with measures to ensure OPEX, safety and cash flow to achieve sustainable & profitable growth.

During the year, the subsidiary successfully received strong recommendation and revalidated "ISO9001-2015" audit from "TUV NORD".

WENDT MIDDLE EAST FZE, SHARJAH

Wendt Middle East FZE (WME), Sharjah, the other wholly owned subsidiary of the Company, had applied for voluntary de-registration during previous year.

The clearance from the Hamriyah Free Zone Authority (HFZA) was received in May 2022, after which WME has been de-registered.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company believes that social responsibility is not just a corporate obligation that has to be carried out, but an opportunity to make a difference. The Company's Corporate Social Responsibility programmes are aimed at inclusive growth and sustainable development of the community.

The Company's Corporate Social Responsibility pursuits have always been based on the foundation of ethical behaviour in all its business transactions and contributions for economic development of not only the workforce and their families but also extending to the local communities and the society at large. The Company being a part of the Murugappa Group has been upholding this tradition by allocating a part of its profits for fulfilling its social responsibilities. The Group's philosophy is to serve the communities in which it operates through the services of service-oriented philanthropic institutions with education and healthcare being the core focus areas.

The Company's Skill Development Program was set up in 2012 in collaboration with Carborundum Universal

CSR Donation to Government School at Zuzuvadi for classroom Construction

Limited. The major focus was to provide high quality vocational and technical training to less privileged youth from weaker sections of the society by uplifting their lives and equipping them with employable skill sets. This training programme is designed based on the coaching methodology defined by Government of India, Ministry of Skill Development and Entrepreneurship. This builds up a skill bank of technically competent and industry ready work force benefitting the less privileged sections of the society.

The three years training programme is based on National Council of Vocational Training syllabus. This training is imparted with stipend to the enrolled students and free boarding facilities ensuring that they earn while they learn. Not only does this initiative help in imparting formal education, but also helps them in honing them to become a valuable citizen while helping them in seeking gainful employment upon successful completion of the course.

During the year, the Company undertook a project of constructing classrooms in a Government High School at Zuzuvadi, situated in the SIPCOT, Hosur. The Company focuses its CSR activities on rejuvenating schools as most of the schools are in desperate need of an overhaul and lack even the most basic facilities. This CSR project leverages contribution to build classrooms and provide other basic amenities for encouraging education in the rural and remote locations.

The Company also gives importance to green environment and tree plantation in the nearby communities by distributing and planting free saplings every year. Employees are encouraged to participate in activities like blood donation camps, creating awareness on road safety, nominating employees with RTO as traffic wardens, 5S campaigns towards cleaner environment, imparting special education to the school children to name a few.

The Company in line with the amendments in Companies Act, 2013, formulated annual action plan, which was approved by the Board of Directors, in pursuance of the CSR Policy of the Company, based on which spending on CSR activities were done. The Company, during the year 2022-23 has spent Rs. 31.72 lakhs towards CSR activities and the unspent CSR amount of Rs. 12.00 Lakhs owing to the on-going

project of construction of classroom was transferred to the Unspent CSR account pursuant to section 135(6) of the Companies Act, 2013.

In accordance with requirements of the Companies Act 2013, the Company has a CSR policy incorporating the requirements therein which is also available on Company's website at the following link <https://wendtindia.com/wp-content/themes/wendtindia/pdf/csrpolicy.pdf>.

The Annual Report on CSR activities in the prescribed format is annexed herewith as **Annexure C**.

QUALITY

The Company follows a quality assurance system with stringent tests built into every stage of production ensuring the quality of its products. The quality consciousness built in the company's DNA backed by a thorough understanding of customer application needs and "one to one" customer support, has made the Company a synonym for quality and reliability. The product quality was enhanced by introducing Gemba inspection and risks were reduced resulting in improvement of production efficiencies thereby garnering customer loyalty. Ensuring that Process & Product audits are being performed and regular testing of the product and ensuring that the quality is within the standard.

The Company has implemented 'Green Channel Suppliers & Vendors' which will eliminate incoming inspection thereby reducing production lead time & faster customer delivery. The Green channel suppliers are selected after assessment and evaluation of their processes and facilities. The Company continued planned supplier audits for assessing supplier gaps if any thereby improving incoming materials quality performance. The Company also introduced Quality assurance agreements with suppliers which will help supplier to understand their roles, responsibilities, and expectations.

The Company has certifications of ISO 9001: 2015, ISO 14001: 2015, ISO 45001: 2018, AS9100 Rev D, IATF 16949: 2016 and EN 13236: 2019 reinforcing its commitment to ensure that Quality Management Standards are met.

IATF 16949: 2016 pertains to manufacturing of precision products and AS9100 pertains to Aerospace applications. In order to comply with the safety norms and requirements of overseas customers, the Company

OPPORTUNITIES & THREATS OPPORTUNITIES

Disruptive technologies like Electric Automobiles, the recent emerging trend in the automotive industry, although a threat to the IC engine, also provides opportunities to explore this segment and find parts suitable for EV vehicles.

Nano Cubic Boron Nitride abrasives are likely to augment applicability of Super Abrasives in many medical and electronic industry applications. The Company is exploring venturing into EV, medical and electronics segments by collaboration and technology tie-ups with global partners to grow further.

The industries in the Auto, Aerospace, and Electronics manufacturing space demand high-performance applications. Improvements in the design of diamond wheels used to finish ceramics can be key to cost-effective manufacturing. Metal-bond specially design wheels for longer wheel life can lead to shorter process cycle times while also ensuring longer life, thereby reducing the overall grinding cost. The company achieving the aerospace certification is a step in looking at growing this segment in future.

The Company would continue to leverage upon its vast experience and technical expertise, deep understanding of customer requirements, comprehensive product range, superior technology and the resultant competitive edge emerging out of its complementary business verticals namely Super Abrasives, Machine Tools and Precision Components.

Further, the Government's focus on Projects like 'Make In India' and 'Make for World' are expected to give a boost to the Company's products being import substitute, thus helping in conservation of precious foreign exchange during these difficult times.

5S Zonal Champion

THREATS

Industry leaders across globe, with high brand value afford significant Research operations. Investment in R&D activities by these major players to innovate the existing products and to develop new technologies to sustain competition in the market is very high. On the other hand, we have many unorganised, regional proprietary run entities that are smaller in size with limited offering, which address customers' requirements in a specific region.

In order to counter both the extremes, the Company

strives to evolve a unique approach to improve its market presence, market share and address both the segments. To address the price competitive market, the Company has launched fast moving and Standard Super Abrasives and other tooling products and has been aggressively conducting promotional activities at the vicinity of high potential customers. For addressing the high performance, quality conscious segment, the Company is working with foreign Research Institutes and is on lookout for product specific, niche manufacturers for acquiring state-of-the-art technology.

Enterprise Value Addition (EVA)

The Company has been able to continuously add value, the summary of which is given below: (Rs. in lakhs)

Particulars	2022-23	2021-22	2020-21	2019-20	2018-19
Generation of Gross Value added	9432	7494	5451	5251	5800
Breakup on Application of Value added					
Payment to Employees	3362	3110	2928	3136	2892
Payment to Shareholders (on payment basis)	1500	800	700	300	600
Payment to Government	1213	921	375	404	740
Payment to Directors	39	29	24	22	21
Towards replacement and expansion	3318	2634	1424	1389	1547
Total	9432	7494	5451	5251	5800

- Gross Value Added is Revenue less Expenditure (excluding depreciation, expenditure on employee & directors service).
- Payment to Government is current tax + dividend distribution tax.
- Replacement and expansion is retained earnings + depreciation + deferred tax.
- The Company has been constantly investing towards replacement and expansion expenditure to ensure fulfilment of market demand.

RISK & CONCERN

The Company has constituted a Risk Management Committee aligned with the requirements of the Companies Act, 2013 and Listing Regulations. The details of the Committee and its terms of reference are set out in the Corporate Governance Report forming part of this Report.

The Company has a robust business risk management process to identify, evaluate and mitigate risks impacting business including those which may threaten the existence of the Company. This framework seeks to create transparency, minimise adverse impact on the business objectives and enhance the Company's competitive advantage. This also defines risk management approach across the organisation across various levels including documentation and reporting.

The Company determines the categories of risk from – strategic, operational, environmental, legal, social, cyber risks, extended enterprise and financial which the organisation may be exposed to and could impact its ability to conduct its business operations without disruption, to provide customer satisfaction and achieve sustainable success.

The Risk Management also forms an integral part of the Company's Business Plan.

The Company has also developed a structured Risk Management Policy encompassing the risk management objectives, principles, processes, responsibility for implementation, maintenance of risk registers, review of risk movements, risk reporting framework etc.

After the risk is identified, Risk Prioritisation is undertaken which involves assigning a score based on impact (potential outcome) & likelihood (probability of occurrence). The risks are also assessed for velocity (how fast a risk can impact an organisation) to assess the need for crisis plan. The risk response of the Company is of the following types:

- Avoidance i.e., not to start or continue with an activity which gives rise to a risk.
- Sharing the risk i.e., sharing with another party, the burden of loss or the benefit of gain, from a risk.
- Mitigating risk, an action that reduces the impact or likelihood of a risk.
- Retention, where no worthwhile controls actions are feasible, and the risk is within the organisation's risk tolerance.

Some of the risks associated with the business and the related mitigation plans are given below. However, the risks given below are not exhaustive and assessment of risk is based on management perception.

Raw Material commodity price increase

Why is it considered as a Risk?

- non availability due to pandemic and global unrest.
- scarcity of raw material.
- logistics issues-supply chain disruption.
- Increased price with surging commodity price.

Mitigation Plan/Counter Measure to address

- Identifying alternate source of raw material.
- Bulk ordering and fixing annual price of critical raw materials.
- Premium price for faster delivery.
- Better forecasting and advance ordering in bulk.
- Vendor managed inventory to mitigate supply chain disruption.

User Industry concentration Risk

Why is it considered as a Risk?

- Disruption in the overall automotive market landscape due to transition of the automobile industry towards hybrids and electric vehicles.
- Effect on Customer Relationship with change in ownership.
- Disruptive innovation & process changes.
- Newer technology like Integrated Starter Generator and Belt-Driven Starter Generator that are likely to replace alternator and generator in the automobile.

Mitigation Plan/Counter Measure to address

- Identifying alternate Industry base Segments based on Mega Trends- Aerospace, Bearings, Razor Blade, Glass, Power (Solar, Nuclear, Wind and Gas).

- Widening the customer base/new industry segment & new geographies thereby de-risking the business.
- Pursuing product innovation and new application development as per government norms.
- Building relationship and engagement with the customer by adopting new initiatives conducting Technical Seminar - both online and onsite, participation in international exhibitions, CRM & Knowledge Management application.
- Focus on Digital Marketing, to acquire new customers and pursue new applications.
- Working with renowned research universities and technical consultants, to develop new products.

Competition Risk

Why is it considered as a Risk?

- Loss in share of business for standard and low precision products, due to presence of many unorganised regional players often adopting measures like pricing strategy, free samples, longer credit period etc.
- Disruption in global competition by low-cost products.
- Organised players spending on Research and Development and coming up with new products.
- Major companies acquiring local dealers/manufacturers and entering partnerships with major end users to continuously supply products.

Mitigation Plan/Counter measure to address

- Launching High Performance standard products, with competitive price and branding products by conducting seminar at Tier 1 & Tier 2 cities, Melas at dealer locations and participating in various exhibitions.
- Measures like New product development, lost business regain, gain from competition, horizontal deployment of successful applications.
- Association with external agency for developing new products for different applications.
- Automation and Robotisation to address lower manufacturing cost and enhance competitiveness.
- Offering products against import substitute by focusing on cost, delivery, quality and technical support.
- Conventional Abrasives application migrating to Super Abrasives.
- Collaborating and partnering.
- Leveraging the three verticals -Super Abrasives, Machines and Precision components.

Technology Risk

Why is it considered as a Risk?

- Elimination of Machining Process (Turning, Milling, Grinding, Honing).

- High investment on Technology by key global players.
- Access to advanced technologies.

Mitigation Plan/Counter Measure to address

- Enhance in-house R&D efforts (DSIR approved R&D) to strengthen existing technology, complemented by new methods of manufacturing.
- Association with external Research laboratories/ Technical institutes for technology upgradation.
- Collaboration with external consultants for product and process Innovations.
- Initiated overseas partnership for Additive Manufacturing.

HR Risk

Why is it considered as a Risk?

- Millennial work force - no long-term interest.
- Attrition of skilled/trained manpower by competition leading to disruption of operations or knowledge gap.
- Delay in recruitment of talents as per business needs.
- Succession planning for key roles.

Mitigation Plan/Counter Measure to address

- Facilitate to enhance technical and behavioural capabilities through e-learning modes and Webinars.
- Improve leadership readiness to manage the growth initiatives by identifying internal and external incumbent for next set of leadership positions through the Internal Development Programs (IDP).
- Focus on acquiring high skilled talents from best-in-class domains/organisations.
- Design & implement career road map through structured development plan for career enhancement based on roles and job descriptions.
- Mentoring and Coaching programme for employees for enhancing engagement level.
- JD mapping and identifying training needs to fill gaps for employee development ensuring right person on right job.

Regulatory or Legal Risk

Why is it considered as a Risk?

- Non-adherence to government advisories, Standard Operating Procedures etc., exposes the Company to legal and compliance risks.

Mitigation Plan/Counter Measure to address

- Closely monitoring information on government

circulars, notification, advisories and disseminating the same to the operating team for implementation as well as monitoring adherence through robust compliance management system.

Cyber Security Risk

Why is it considered as a Risk?

- Disruption of technology service providers (in Work from Home conditions)
- Data breach, loss or exposure increase due to a remote/mobile workforce.
- Security breaches, compliance, bugs due to unauthorised access and potential attacks

Mitigation Plan/Counter Measure to address

- The Company has a robust IT Security Policy implemented with a periodic review mechanism.
- The Company has a backup process available for data restoration. The Company has identified alternate service providers in case of switch over.
- Implemented SIEM (Security Information and Event Management) for identifying, monitoring, recording and analysing security events or incidents in a real-time IT environment.
- Continuous review of the Disaster Recovery Strategy & Business Continuity Policy in place for Technical Controls.
- Data Center access limited to authorised personnel.
- Crisis Management Group in Place.
- Strengthening network security.
- Enhancing Information Security policies & procedures.
- Vulnerability Assessment and Penetration Testing (VAPT) for information system conducted periodically.
- Updating patches monthly and monitoring for issues antivirus update for entire environment including standalone IT assets.
- Periodic awareness emailers to employees on Do's and Don'ts to ward off cyber threats like phishing and malware attacks.
- Information shared on 'Need to Know Basis'.

INDIAN ACCOUNTING STANDARDS (IND AS) - IFRS CONVERGED STANDARDS

The Company had adopted Ind AS with effect from 1st April 2016 pursuant to the Companies (Indian Accounting Standard) Rules, 2015 notified by the Ministry of Corporate Affairs on 16th February 2015.

INTERNAL CONTROL SYSTEM & ADEQUACY

The Company has an Internal Control system commensurate with the size, scale and complexity of its operations. The controls have been designed and categorised based on the nature, type and the risk rating so as to effectively ensure the reliability of operations with adequate checks and balances.

The Company's internal control system covers the following aspects:

- Safeguarding the assets of the Company.
- Financial propriety of business transactions.
- Compliance with prevalent statutes, regulations, policies and procedures.
- Control over capital and revenue expenditure with reference to approved budgets.

The Internal Audit function is delegated to an external firm which evaluates the effectiveness and adequacy of internal controls, compliance with operating systems, policies and procedures of the Company and recommends improvements. The scope of the Internal Audit is annually determined by the Audit Committee considering inputs from the Statutory Auditors and the Management Team. Significant audit observations and the corrective/ preventive actions taken by the process owners is presented to the Audit Committee. Periodic review of the adherence to the agreed action plan is carried out.

The Audit Committee of the Board periodically reviews audit plans, observations, and recommendations of the internal and external auditors, with reference to the significant risk areas and adequacy of internal controls and keeps the Board of Directors informed of its observations, if any, from time to time.

During the year, there were no changes in internal control over financial reporting that have materially affected or are likely to have any financial reporting lapse.

INTERNAL FINANCIAL CONTROLS (IFC)

Internal Control is a process, effected by an entity's Board of Directors, Management and other personnel, designed to provide reasonable assurance relating to operations, reporting and compliance as defined by the Committee of Sponsoring Organisations (COSO) of the Treadway Commission (appointed by SEC, USA).

As per Section 134 of the Companies Act, 2013 the

term Internal Financial Control (IFC) means the policies and the procedures adopted by the Company for ensuring:

- a) orderly and efficient conduct of its business, including adherence to accounting policies,
- b) safeguarding of its assets,
- c) prevention and detection of frauds and errors,
- d) accuracy and completeness of accounting records and
- e) timely preparation of reliable financial information.

The key components of IFC followed by the Company are:

1. **Entity Level Controls (ELC)** that the management relies on to establish appropriate Code of Conduct, Enforcement and Delegation of Authority, Hiring and Retention practices, Whistle Blower mechanism, and other policies and procedures.
2. **Process Level Controls (PLC)** to ensure processes are stable, predictable and consistently operating at targeted level of performance classified into Manual or Automated Controls. They are also classified as Preventive or Detective.
3. **General IT Controls** to ensure appropriate functioning of IT applications and systems built by Company to enable accurate and timely processing of financial data are - User Access rights Management and Logical Access; Change Management controls; password policies and practices; Patch management and License management; backup and recovery of data.

The adequacy of IFC is ensured by:

- Documentation of risks and controls associated with major processes.
- Validation classification of existing Controls to mitigate risks.
- Improving the effectiveness of controls through data analytics.
- Performing testing of controls by Independent Internal Audit firm.
- Implementation of sustainable solutions to Audit observations.

The IFC Audit is conducted annually by an independent firm of Chartered Accountants by testing of controls to ensure that all controls are operational, effective, adequate and identifying improvements to controls wherever necessary which is reviewed by the Audit Committee.

FINANCIAL REVIEW

Liquidity and Cash Equivalents

The Company follows efficient working capital management practices. This requires being prudent in capital expenditure. Also, making its cash conversion cycle more efficient through faster collections from debtors, faster conversion from raw materials to finished goods through QRM resulting in healthy cash generation. Thereby the Company was able to maintain its debt free status. The Company holds sufficient cash and cash equivalents to meet its futuristic strategic growth initiatives by following prudent investment policy. The Company's cash surplus position helps to eliminate short and medium-term liquidity risks.

The Company's robust Cash Management Policy is based on:

- Uses cash to provide sufficient working capital to address business objectives of the Company and to add value to all stakeholders by continued enhancement.
- Conserves sufficient cash as reserves that will aid the Company in venturing into meaningful business opportunities that unfold in future.
- Prudently invests surplus funds that the business generates in liquid investments including AAA rated debt schemes of mutual funds as per the Board approved policy. This ensures availability, safety and liquidity of the Company's funds while allowing reasonable yield as per the prevailing market rates. The surplus funds are generated through stringent control on working capital.

As on 31st March 2023, the Company's investment in debt mutual funds was Rs. 6563 lakhs in securities holding papers with high credit rating and Rs. 500 lakhs in Corporate Fixed Deposits.

Costs

The year continued with high commodity price along with supply chain disruption. The Company managed its cost by negotiating annual price with critical suppliers and buying in bulk based on annual demand projection. To combat supply chain disruption, the Company continues developing alternate suppliers as a part of its de-risking strategy. Also, the Company continues looking at indigenisation of some of the supplies. Initiatives like Vendor Managed Inventory

(VMI) has ensured continuity of supplies of critical items including rationalisation of costs. Focus on Cost Optimisation has yielded savings in all the business segments – Super Abrasives, Machines and Precision Components. The rigorous variable and fixed cost reduction initiatives undertaken in the previous year has resulted in good improvement in the bottom line.

Industrial Research & Development plays an important role in the innovation process by developing future technology and future capabilities, which transforms into new products, processes and services. This offers a basic platform to conduct both fundamental and applied research for better understanding of the products and push the frontiers of the technology further.

In this context, the R&D team has taken efforts to develop products for flute grinding, Brake Disc (2W and 4W) honing and products for solar and laminated glass. Efforts are also made to penetrate ceramic additive manufacturing space by developing products for customers and eventually working towards building 3D printing machines.

The Company is agile in adapting to situations and shifting their product baskets into the non-automobile

sectors, electronic industries with the help of its R&D in fast growing areas like semi-conductor, biomedical which pose big challenge for sustainability. In this context, the R&D team is focussed to develop new products with superior performance. Addressing products to these sectors requires high competency and superior bonding systems to match ever growing market competition.

On the other hand, the Company also aims at addressing the gaps on account of process developments. New processes such as hot press sintering, vacuum brazing, advanced powder filling process, grit coating, and advanced electroplating process replaced the conventional methods. These processes substantially decreased the cycle time and enhanced the quality of the products being manufactured in an economical and effective way.

Following are the benefits accruing out of R&D activities:

- 1. Indigenisation of bonds for Super Abrasives as import substitution.
- 2. Development of alternate high-performance materials and processes for self-sufficiency.
- 3. Grinding Solutions for new applications like valve stem cut-off, grinding of plastic balls and belts, 2W & 4W brake disc, solar and tampered glass, razor blade, semi-conductor, biomedical and carbide grinding.
- 4. Upgrading Manufacturing Technologies to match the changing needs of the customer as well as to venture into new markets.
- 5. Development of precision products for auto and non-auto industries like compressor, and hydraulic pumps.

The Company mainly caters to niche market where majority of customers are OEMs and look for technologically superior products with consistent performance. Majority of the customers consider the Company as a One-Stop Shop for Complete Grinding Solutions offering technologically superior products with reliable performance. The Company can address the ever-changing needs & expectations of its customers, by virtue of its strong focus on R&D and customer centricity. This facilitates the Company to retain its position in the market and also enable justification of premium for its product.

@not comparable since he had joined the Board during the Financial year.

*excludes incentive paid during FY 2022-23 as no incentive was paid in FY 2021-22.

**deputed from Carborundum Universal Limited.

The increase in remuneration of Non-Executive Independent Directors was mainly on account of increase in Commission paid. During the year Commission paid to non-executive directors increased to Rs. 5 lakhs from Rs.3 Lakhs.

- Percentage increase/decrease in the median remuneration of employees in the financial year: 15.74 percent increase in median remuneration of employees (employees who were in employment for the whole of FY 2022-23 & whole of FY 2022-23 considered for this purpose in the respective financial years).

- (iv) Number of permanent employees on the rolls of the Company as on 31st March 2023: 388
- (v) The average annual increase in salaries of employees was 12.28% compared to a increase in managerial remuneration of 27%. During the year Commission paid to non-executive directors increased to Rs. 5 lakhs from Rs.3 Lakhs. Hence, the confirmation with respect to exceptional circumstances for increase in managerial remuneration does not arise.

Annual increase in employee's remuneration is based on Company and individual performance. The individual performance parameters vary based on employee cadres.
- (vi) The Company affirms that the remuneration is in compliance with its Remuneration policy.

Super Abrasives:

The dimensions like Diameter(D), Thickness/Height (T) and Bore(H) of the products are designed with specific criteria so that they can resist the expected forces and loads when used as intended and also avoids rejection of Parts.

Resin, Metal bond and Other Super Abrasive products are designed in such a way that, when used in accordance with instruction, there is no hazardous decomposition of products.

Latest versions of scrubber and exhaust systems have been installed in manufacturing of electroplated products and its design for improved air quality.

All Super Abrasives products are 100% recyclable once the life cycle of product is complete. The Company has successfully implemented EN13236 standards to address the safety norms and requirements of overseas customers.

Machine Tools.:

The Company's machines are designed with operator safety system and necessary interlock to ensure safety at customers' during operation.

Machine Tools includes a range of machines such as Rotary surface grinding, Notch milling, TC Ring Grinding, Vertical & Horizontal honing, Cylindrical grinding and accessories that adhere to the international standards and CE Certification fulfilling the international safety norms.

The business offers IOT (Internet Of Things) enabled machines helps in reducing energy consumption and also helps in optimum usage of resources via constant feedback to the user through the various sensors. Some of the sustainability measures include reuse of wooden packing materials, special application software with operator screens to prevent air cutting, optimise panel cooler ratings using software for selection, reduce usage of lubrication by continuous monitoring, centrifugal filtration systems to reduce paper based filter consumption, electrostatic precipitators and fume extractors.

Precision Components.:

Dust collection systems & mist collection system installed in Grinding Machine and Honing Machine enable collection of dust and oil mist at the time of grinding operations thus ensuring safe and clean environment.

The Company manufactures products customised for customers based on their recommended design incorporating cleanliness and environment friendly standards.

The packing material used for products supplied to its customers can be reused multiple times and be recycled.

The Machines used are designed with operator safety system and necessary interlock to ensure safety during usage and production.

This is achieved through installation of Effluent Treatment Plant (ETPs) and Sewage Treatment Plants (STPs) in line with the compliance norms in force. These systems enable the Company to reuse and recycle water and utilise it again within the plant premises for process reuse, gardening and toilet flushing etc.

Water Recycle and Reuse: The Company has installed a RO plant to achieve Zero discharge of water waste. The Company treats its process effluents and reuses in its process. This facility has also been installed in the Company's manufacturing facility for electroplated products.

The company's Green belt within its facility is fully maintained using Sewage recycled water.

Water recharge: Water collected out of rain is harvested through a percolation pond carrying a storage capacity of 1.2 Million litres.

The Company has installed rain water harvesting in the CCSD Building with an Underground storage capacity of 0.6 million liters and being directly used for Toilets and hand wash purposes of CCSD and FG Stores since April 2020 onwards.

Scrubbers has been built in the plating process for reducing the Odour and discharge of particulate matter.

We are a Zero discharge company.

5. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2022-23 (Current Financial Year)	FY 2021-22 (Previous Financial Year)
NOx	microgram / m3	max 22 & min 11	max 22 & min 11
SOx	microgram / m3	max 18 & min 8	max 18 & min 8
Particulate matter (PM)	microgram / m3	max 60 & min 44	max 60 & min 44
Persistent organic pollutants (POP)	Not done		
Volatile organic compounds (VOC)			
Hazardous air pollutants (HAP)			
Others - please specify			

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (YES / NO) If yes, name of the external agency: No.

6. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2022-23 (Current Financial Year)	FY 2021-22 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	NA	NA
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	NA	NA
Total Scope 1 and Scope 2 emissions per rupee of turnover	NA	NA	NA
Total Scope 1 and Scope 2 emission intensity (optional) - the relevant metric may be selected by the entity	NA	NA	NA
Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency? (Y/N)	NA		
If yes, name of the external agency.			

**Note: The company has not captured the GHG emissions during FY22-23. However, these GHG are not produced during our manufacturing process. The company has a green campus with more than 10000 trees which produces sufficient oxygen and absorbs Carbon di oxide.*

7. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details.

NIL.

8. Provide details related to waste management by the entity, in the following format:

9a. Briefly describe the waste management practices adopted in your establishments.

Our Company follows the principle of "Reduce, recycle and Reuse" to effectively manage waste. We use various initiative to reduce, recycle and reuse the waste. Some of the initiatives outlined below:

Energy:

The Company's Manufacturing processes are not power intensive. However, the Company takes continuous efforts to reduce energy consumption. The Integrated Management system policy of the Company focuses on Processes, Conservation of Natural resources, Protection of Environment, Prevention of Pollution towards Environment.

The Energy conservation measures include reforms such as installation of Energy savers in the lighting circuit to conserve energy through replacement of high voltage consumption lamps with LED lights, introduction of LDR-Light dependent resistance sensors that harnesses natural daylight for all outdoor lighting with automatic controls.

The Company has initiated discussion for Installation of Solar Energy in its facilities.

Reduction during usage by consumers (energy, water) has been achieved since the previous year.:

Innovation and listening to the voices of customers has always been the Company's priority. Constantly adjusting our processes, methods and systems across the value chain in shortest possible time and designing our

responses in terms of products, services and behavior ensures manufacturing excellence.

The Super Abrasive wheel (CBN / Diamond) provides an advantage of reduced risk of thermal damage to the work place. The reduced risk of thermal damage in CBN Grinding is at times attributed to the lower grinding specific Energies. This advantage can allow a marked increase in removal rate whilst maintaining surface quality of the component compared to grinding with conventional abrasives such as aluminium oxide.

Super Abrasive wheels extend bearing, spindle and overall machine life thereby reducing the power draw and energy consumption for acceleration and deceleration in linear and rotary movement.

The Company offers an eco-friendly high-performance coolant along with its super abrasive wheels and machines to ensure there is optimum usage of super abrasive wheels and reduction in waste generated during grinding process.

b. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Duly recognising the over-consumption results in unsustainable exploitation of the planet's resources the business units in the company are committed to promoting sustainable consumption, including recycling of resources.

While setting the Environment, Health, Safety objectives and targets, considerations are given to reuse, recycle, reduction, handling and disposal of wastes. Measurable performance indicators include waste produced per unit of production. The Company has installed high tech pretreatment line in the place of conventional treatment to ensure clean production and reduction in hazardous waste generation. During the year, the Company has achieved a significant waste reduction in case of electroplating products. The Company has zero discharge facility including for sewage, canteen, electroplating process, paint booth, DM Water effluent and used coolant through RO Method. This treated water is reused for relevant manufacturing processes. The Company has been achieving reduction in wastes year on year.

The Company has a secured landfill in line with the applicable guidelines for storage of hazardous waste. The Company has also created a vermicomposting facility to convert all the garden/ green waste to manure.

During this year, the Company has carried out recycling of Aluminum scrap into castings. 23 tonnes of Aluminum ingots have been converted from aluminum turnings.

10.If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hot spots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
	Not Applicable		

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by external independent agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Not Applicable					

12a. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (YES/NO)

Yes, the Company is compliant with all the environmental requirements and has a valid consent to operate certificate from Pollution Control Board. 1.Air prevention & control of pollution act, 1981 as amended in 1987 (central act 14 of 1981). 2.Sewage & trade effluent under section 25 of water act, 1974 as amended in 1988 (central act 6 of 1974).

b. If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as agencies such as pollution control boards or by courts	Corrective taken, if any action
	Not Applicable			

Leadership Indicators

1. Provide a break-up of the total energy consumed (in Joules or multiples) from renewable and non-renewable sources, in the following format:

Parameter	FY 2022-23 (Current Financial Year) (TJ)	FY 2021-22 (Previous Financial Year)
From renewable sources		
Total electricity consumption (A)	Nil	Nil
Total fuel consumption (B)	Nil	Nil

b. With treatment – please specify level of treatment		
Total water discharged (in kilolitres)		
Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (YES / NO)		
If yes, name of the external agency.		

4. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2022-23 (Current Financial Year)	FY 2021-22 (Previous Financial Year)
Total Scope 3 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)		We did not estimate our Scope 3 emissions for the last fiscal year, we now recognise the relevant material categories within Scope 3 emissions that pertain to our business type. We will then proceed to collect the necessary data and estimate these emissions accordingly in the near future.	
Total Scope 3 emissions per rupee of turnover			
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity			
Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (YES / NO)			
If yes, name of the external agency.			

5. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not applicable.

6. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along with summary)	Outcome of the initiative
Not applicable

The Company focuses its CSR activities on rejuvenating schools as most of the schools are in desperate need of an overhaul and lack even the most basic facilities. This CSR project leverages contribution to build classrooms and provide other basic amenities for encouraging education in the rural and remote location.

The CUMI Center for Skill Development (CCSD) is a unique initiative undertaken by the Company jointly with its

promoter Carborundum Universal Limited since 2012 to build mutually beneficial relationship with the local community and society. The skill development centre is housed within the Company's Hosur facility augments the Company's commitment to society through initiatives that would address the needs of the underprivileged populations and create good citizens. The center provides specialised training based on National council for Vocational training syllabus for the rural youth drawn from the socially and underprivileged section of the society. The Job oriented skill training enhances their employability and aids in uplifting their socio economic status. The technically trained students can be employed by any industrial entity once they complete the training programme. The courses conducted in CCSD covers provision of extensive facilities including state-of-the-art classrooms, experienced and motivated instructors, a well-stocked library, audio visual aids, well-maintained machines & equipment for hands-on training etc. Apart from this, a very integral part of the programme is the importance attached to the development of soft skills through group activities, Yoga, Communication building exercises, NGO Activities & extra-curricular events. All this makes the program a holistic and enriching experience both professionally and personally for the students.

Another initiative that has been widely appreciated by the community is the traffic warden duty undertaken by the employees and students at Hosur. Employee volunteers and students of CCSD has been trained by the local police department and take up traffic management during peak hours in Hosur junction - a highly accident prone area.

The Traffic wardens also played a very crucial role in maintain social distancing norms amongst public and in controlling traffic in Hosur, Tamil Nadu through the entire lockdown.

Further, contributions in form of groceries were made to Abalashram, Sri Saratha nikethan NGO, Hosur.

REPORT ON CORPORATE GOVERNANCE

[Pursuant to Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

Corporate governance is a process that aims to allocate corporate resources in a manner that maximises value for all Stakeholders – Shareholders, Employees, Customers, Suppliers, Environment and the Community at large. Good corporate governance is characterised by a firm commitment and adoption of ethical practices by an organisation across its entire value chain and in all of its dealings.

Company's Philosophy on Corporate Governance

Wendt (India) Limited ('the Company') is committed to high standards of governance, develop robust policies and align the interest of all stakeholders at large to foster a culture of responsibility and compliance. The driving forces of Corporate Governance at Wendt are its core values, belief in people, entrepreneurship, customer orientation and pursuit for excellence. The Company believes that Corporate Governance is not an end to itself but a catalyst in the process towards maximisation of stakeholders' value. Established Board processes, well-structured internal control systems, unrelenting trust of its people, customer centric approach and untiring efforts towards sustainable development and social responsibility are core to the Company's Corporate Governance practices. The Company's constant endeavour for corporate excellence has been well recognised and the Company's Annual Report for the FY 2021-22 has won the prestigious ICAI award for excellence in financial reporting in manufacturing and trading sector.

The Company has adopted a Code of Conduct for the Board and its employees which contains the fundamental principles and rules concerning ethical business conduct. This Code embodies the belief that

acting always with the Company's legitimate interest in mind and being aware of the Company's responsibility towards its stakeholders is an essential element of the Company's long-term excellence.

A. BOARD OF DIRECTORS

The Company's Board of Directors recognise its responsibilities towards all stakeholders and play a key role in not only providing directions in terms of strategy but also in upholding the highest standards of Governance. Wendt firmly believes that Board independence is essential to bring objectivity and transparency in the management of the Company. The Board of Directors provides leadership and strategic guidance to the Company's management, monitor the implementation of the plans and review the performance of the Company. The Independent Directors provide an objective judgement on matters placed before them.

The Company's day to day affairs are managed by the Chief Executive Officer, assisted by a competent Management team under the overall supervision of the Board. The Company's commitment to ethical and lawful business conduct is a fundamental shared value of the Board, Senior Management and all its employees.

(ii) Board Meetings

The Board meets at regular intervals and has a formal schedule in respect of matters placed before it for its consideration. While the routine matters for discussion include strategy, financial, operational and compliance matters, meetings are also convened as and when deemed necessary. The Board on a periodical basis reviews the key business initiatives, the performance of the subsidiaries and the matters concerning thereto, compliance with the applicable laws and provides appropriate directions, wherever necessary. The Board is supplied with adequate, relevant and timely

information on the operations, financial performance of the Company to facilitate the Board to make well informed decision. While the detailed notes on the agenda to be discussed at the meeting is provided well in advance, presentations to supplement the agenda is made at the meeting by the Management. The Board also has complete access to the Management to seek clarifications on any matter of discussion. The Board has established procedures in place to periodically review compliance reports pertaining to all laws applicable to the Company.

The Board periodically reviews the matters required to

be placed before it, monitors the overall performance of the Company and *inter alia* reviews and approves the quarterly financial statements, business plan, capital expenditure etc. During the year, six Board meetings were held on 22nd April 2022, 22nd July 2022, 2nd August 2022, 19th October 2022, 18th January 2023 and 17th March 2023. The dates of the Board meetings are fixed in advance for the full calendar year to enable maximum attendance from the Board members. As required under the Companies Act, 2013, the Company facilitates participation of a Director who is unable to attend the Board / Committee meetings physically, through video conference or other audio visual means in the manner prescribed under the relevant regulations. During the year, the Board meetings were held through video conferencing as well as in physical mode.

In line with Regulation 24 of the Listing Regulations requiring at least one Independent Director of the Company to be a Director on the Board of an unlisted material subsidiary, whether incorporated in India or not, Ms. Hima Srinivas, Independent Director was nominated to the Board of Wendt Grinding Technologies Limited on 3rd June 2019. For the purposes of this requirement, a material subsidiary means any subsidiary whose net worth exceeds 20% of the consolidated net worth of the Company or which has generated more than 20% of the consolidated income of the Company in the preceding financial year. As at 31st March 2023, Wendt Grinding Technologies Limited, Thailand does not meet the criteria of a material subsidiary mandating a Board representation. However, from a governance perspective, the Board decided that the representation of Ms. Hima Srinivas, Independent Director on the Board of Wendt Grinding Technologies Limited would continue. The Policy on Material Subsidiary is available on the website of the Company at <https://wendtindia.com/wp-content/themes/wendtindia/pdf/Material-Subsidiary-Policy.pdf>. The Board reviews the significant transactions and arrangements of the subsidiary companies besides being apprised of their business plan and performance.

In line with the amendments to the Companies Act, 2013, Listing Regulations and SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company has in place policies for determining materiality for disclosure of events/information to stock exchanges, policy for preservation and archival of documents, dividend distribution policy, policy on related party transactions, business responsibility policy, whistle blower policy,

corporate social responsibility policy, policy for prevention of sexual harassment at workplace. The above policies are periodically reviewed by the Board and are posted on the website of the Company at <https://wendtindia.com/investors/>.

Separate meeting of the Independent Directors

Besides the formal Board meetings, the Independent Directors hold meetings without the participation of the Non-Independent Directors and the members of the Management. During the year, the Independent Directors met on 17th March 2023 and reviewed the performance of the Non-Independent Directors, Board as a whole and also assessed the quality, quantity and timeliness of the flow of information between the Management and the Board.

(iii) Board Familiarisation

The members of the Board are equipped with many opportunities to familiarise themselves with the Company, the operations and the Management. At the time of appointment of a Director, a formal induction programme comprising of a detailed presentation on the operations, the business segments and profile, organisation structure and other market related information is done. Dedicated plant visits are also arranged for the Directors to enable them familiarise with the manufacturing and product processes. The Directors are also provided with a letter of appointment along with the Company's Code of Conduct detailing the duties and responsibilities of the Directors including that of an Independent Director.

On an ongoing basis as well, exclusive plant visits are organised periodically for the existing Directors to stay abreast of the operational and manufacturing processes. The Board is also apprised on a quarterly basis through presentations and discussions on the overall economic trends, the performance of the Company, analysis of the circumstances which helps or adversely impacts the Company's performance, the initiatives taken / proposed to be taken, marketing strategy, business risks and mitigation plan, the regulatory changes impacting the Company etc. These initiatives help the Directors in understanding the Company, its businesses, the regulatory arena in which it operates, thus enabling the Directors in effectively contributing to the Board. The familiarisation programme for Independent Directors is disclosed on the Company's website at -

<https://wendtindia.com/wp-content/uploads/2023/02/WIL-Familiarisation Programme.pdf>.

The Committee has formulated a risk management policy with the following key objectives:

- Strengthening the business performance by informed decision making and planning.
- Adding sustainability value to the activities of the Company.
- Enhancing risk awareness amongst employees.
- Having in place an early warning mechanism for identification of threats/opportunities.
- Enabling optimum resources allocation and efficient use.
- Promoting an innovative culture with proper understanding of risks.

During the year, the Committee periodically reviewed the risks in the risk registers prepared pursuant to the Risk Management Policy of the Company.

Composition & Meetings

The Committee comprises three members of which two are Independent Directors. The Management Committee members are invited to the Committee meetings. Mr. Bhagya Chandra Rao is designated as the Chairman of the Committee. During the financial year 2022-23, there was no change in the constitution of the Risk Management Committee.

The Committee met thrice on 22nd July 2022, 19th October 2022 and 18th January 2023 during the year. The composition and attendance of Committee members are as follows:

DIRECTORS' REMUNERATION:

The Company has in place a Remuneration policy to provide the framework for remuneration of the Board members as well as all employees including the Key Managerial Personnel and Senior Management. This policy is guided by the principles and objectives as enumerated in Section 178 of the Companies Act, 2013 and Regulation 19 read with Part D of Schedule II of the Listing Regulations to ensure reasonableness and sufficiency of remuneration to attract, retain and motivate competent resources, a clear relationship of remuneration to performance and a balance between rewarding short-term and long-term performance.

The compensation to the Non-Executive Directors (except Mr. N Ananthaseshan) takes the form of

commission on profit. The Non-Executive Directors (except Mr. N Ananthaseshan) are paid remuneration by way of sitting fees for every Board/Committee meeting attended by them. Considering the increased time spent by Ms. Hima Srinivas, Independent Director in matters pertaining to the Company and its subsidiary, Wendt Grinding Technologies Limited, a differential commission is paid to her.

In view of the significant enhancement of the roles, duties and responsibilities of the Non-Executive Directors under the existing regulatory regime, the

Board reviewed the compensation structure on 17th March 2023 and approved a revision in commission payable morefully detailed in the Annexure D to the Directors report.

The Remuneration Policy is made available on the website of the Company <https://wendtindia.com/wp-content/themes/wendtindia/pdf/Remuneration-Policy.pdf>.

WHISTLE BLOWER POLICY / VIGIL MECHANISM

The Company is committed to the highest standards of Corporate Governance and stakeholder responsibility. To provide an avenue to raise concerns, if any, in line with the Company's commitment to the high standards of ethical, moral and legal conduct of business, the Company has established the Whistle Blower policy. The mechanism also provides for adequate safeguards against victimisation of employees who avail of the mechanism and also for appointment of an Ombudsman who will deal with the complaints received. The policy also lays down the process to be followed for dealing with complaints and in exceptional cases, also provides for direct appeal to the Chairperson of the Audit Committee. In line with the requirements of the Companies Act, 2013, the policy coverage extends to the Directors of the Company. The Ombudsman for dealing with any referrals made by Board members is the Chairman of the Audit Committee. In line with the SEBI (Prohibition of Insider

Trading) Regulations, 2015, the Whistle Blower policy also covers reporting of instances that may result in leakage of Unpublished Price Sensitive Information (UPSI). The Whistle blower policy is available on the Company's website at <https://wendtindia.com/wp-content/uploads/2023/02/Whistle-Blower-Policy.pdf>. It is affirmed that during the year, no employee was denied access to the Audit Committee.

PREVENTION OF INSIDER TRADING

The Company has adopted a Code of Conduct for Prohibition of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. The Code requires pre-clearance for dealing in the Company's shares for all transactions by Directors and designated employees (together called 'Designated Persons') and prohibits the purchase or sale of Company's securities by Designated Persons while in possession of unpublished price sensitive information (UPSI) in relation to the Company. Further, trading in securities is also prohibited for Designated Persons during the period when the

Trading Window is closed. During the year, Audit Committee reviewed the compliance with the provisions of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and also verified that the systems for internal control as required under the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 are adequate and are operating effectively. The Company Secretary is responsible for implementation of the Code. The Company also has in place a Code for practices and procedures for fair disclosure of unpublished price sensitive information which is available on the website of the Company at <https://wendtindia.com/wp-content/themes/wendtindia/pdf/Final-code-for-fair-disclosure.pdf>.

DISCLOSURES

During the year, there were no material transactions with Related Parties. The Company has devised policies on dealing with Related Party Transactions and for determination of material subsidiary. Further, consequent to the amendments in Listing Regulations pertaining to related party transactions including the revised threshold for materiality of related party transactions, the policy on dealing with related party transactions was amended previous year. The same is available on the website of the Company at <https://wendtindia.com/wp-content/themes/>

Practising Company Secretaries, Chennai confirming that none of the Directors of the Company have been debarred or disqualified from being appointed or continuing as Directors by the Securities and Exchange Board of India / Ministry of Corporate Affairs or any such statutory authority is annexed and forms part of this Report.

CODE OF CONDUCT

The Company has in place a Code of Conduct which helps to maintain high standards of ethics for the Company's employees. The Code lays down the standard of conduct which is expected to be followed by the Directors and by the employees in their business dealings and in particular on matters relating to integrity in the work place, in business practices and in dealing with stakeholders. The Company has adopted a Code of Conduct which applies to all its Directors and employees in terms of Regulation 17 of the Listing Regulations. All the Board Members and the Senior Management Personnel of the Company have affirmed their compliance with the Code of Conduct. A declaration signed by the Chief Executive is enclosed.

The Code of Conduct is available on the website of the Company at <https://wendtindia.com/wp-content/themes/wendtindia/pdf/code-of-conduct-1.pdf>.

GENERAL SHAREHOLDER INFORMATION

A separate section in this regard is annexed and forms part of this Report.

INSTRUCTIONS TO SHAREHOLDERS

Shareholders holding shares in physical form are requested to address their communications regarding change in address/contact details by quoting their folio number to the Company's Registrar and Share Transfer Agent (RTA) or to the Company by e-mailing to investorservices@wendtindia.com. Shareholders holding shares in electronic form may send the communications regarding the above to their Depository Participant.

The Ministry of Corporate Affairs vide circulars dated 5th May 2020 and 28th December 2022 has relaxed the requirement on companies to send Annual Report in physical mode owing to the practical difficulties. Accordingly, an electronic copy of the Annual Report will be sent to all the Members holding shares in

dematerialised mode and whose e-mail IDs are available with the Depository Participant(s) and to all the Members holding shares in physical mode whose e-mail IDs are registered with the Company / RTA for communication purposes. Shareholders holding shares in physical mode are requested to furnish their e-mail addresses with Company's Registrar and Share Transfer Agent (RTA) or to the Company by e-mailing to investorservices@wendtindia.com for obtaining the Notice and the Annual Report. Alternatively, the same will also be made available on the website of the Company at <https://wendtindia.com/investors/>. Detailed information on registration of e-mail addresses with the Company/RTA is provided in the Notice convening the AGM.

Shareholders are requested to register their e-mail ID with the RTA / Depository Participant to enable the Company to send communications electronically. Members are advised to intimate the details of their PAN and bank account details to enable electronic remittance of dividend or alternatively for being incorporated in the dividend warrants. This would help to avoid fraudulent encashment of dividend warrants.

The Securities and Exchange Board of India (SEBI) vide its circular SEBI/HO/ MIRSDMIRSD_RTAMB/P/CIR/2021/655 dated November 03, 2021 has made it mandatory for holders of physical securities to furnish their PAN, email address, mobile number, bank account details and also to either register or declare opt out for nomination facility against the shares held in the company. Also, new forms were introduced with respect to investor servicing, the details of which are available in the website of the Company at <https://wendtindia.com/investors/#investors-mandatory-furnishing-of-pan>.

Shareholders are requested to submit Form ISR-1 for updating PAN and other KYC details with RTA of the Company. In case of mismatch in the signature of the holder in the records of RTA, the shareholders shall furnish original cancelled cheque and banker's attestation of the signature as per Form ISR-2. It is advised that the shareholders send the original cancelled cheque with name of shareholder printed on it and duly filled Form ISR-2 along with Form ISR-1 to update signature so as to avoid further correspondence in case of signature mismatch. Shareholders are requested to submit Form SH-13 duly filled to register nomination in their Folios. However, in case

shareholders want to opt-out of nomination, Form ISR-3 shall be submitted to RTA. Shareholders may send correspondences in respect of their holdings to M/s. KFin Technologies Limited at their contact details provided below:

Email: einward.ris@kfintech.com

Freezing of Folios without PAN, KYC details and Nomination:

Folios wherein any one of PAN, Aadhar and Nomination are not available on or after October 01, 2023, shall be frozen and the shareholders will not be eligible to lodge grievance or avail service request from the RTA or eligible for receipt of dividend in physical mode. After December 31, 2025, the frozen folios shall be referred by RTA/Company to the Administering Authority under the Benami Transactions (Prohibitions) Act, 1988 and or Prevention of Money Laundering Act, 2002.

Members may note that pursuant to SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 effective from 2019, requests for effecting transfer of securities in physical form shall not be processed unless the securities are held in the dematerialised form with a Depository. Members would be able to transfer their shares only after necessarily dematerialising their physical shares. Hence, Members are encouraged to dematerialise their physical holdings to demat form at the earliest. As per the mandate of SEBI, the Company is required to conduct enhanced due diligence for transactions in physical folios of shareholders.

Members are also requested to note that pursuant to an amendment in the Finance Act, 2020, with effect from 1st April 2020, dividends declared by the Company will be taxed in the hands of the recipient of dividend i.e. shareholders. Hence, all dividends declared after 1st April 2020 by the Company have been paid/will be paid to the Members after deducting tax at the applicable rate of interest prescribed under the Income Tax Act, 1961. Members may note that in the absence of PAN, the Company would be required to deduct tax

at a higher rate prescribed under the Income Tax Act, 1961. Hence, Members who have not furnished their PAN to the Company are requested to immediately submit a copy of their PAN to the Company. Members seeking non-deduction of tax on their dividends may submit Form 15G/15H as applicable to the Company on a yearly basis. The formats of Form 15G/Form 15H are available in <https://wendtindia.com/investors/#investors-tax-on-dividend>. Members may contact the Company Secretary or any executive in the Secretarial team at contact numbers provided in the General Shareholder Information in case of any clarification with respect to the dividends declared by the Company.

In case of Members holding shares in demat form, all intimations are to be sent to their respective Depository Participants (DPs). Shareholders may contact the Secretarial team in case of any query regarding their holdings in the Company.

Independent Auditor's Report
To the Members of Wendt (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Wendt (India) Limited ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2023, and the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the Standalone financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p>Appropriateness of revenue recognition on sale of goods</p> <p>Refer Note 2.4 (Revenue recognition) and Note 22 (i) (Revenue from contract with customers) of the standalone financial statements.</p> <p>The Company's revenue principally comprises sale of goods. Revenue from the sale of goods is recognised at a point in time when the control of the goods is transferred to the customers, which is on dispatch or delivery in accordance with the terms of sales contracts, and there are no unfulfilled obligations that could affect the customer's acceptance of the products.</p> <p>We have identified the recognition of revenue as a key audit matter as the Company has various customers with different terms of sales contracts which increase the risk of error in the timing of revenue recognition. Revenue recognition is determined to be an area</p>	<p>Our audit procedures relating to revenue recognition included the following:</p> <p>a. Understood and performed procedures to assess the design and test the operating effectiveness of management's key internal financial controls in relation to revenue recognition;</p> <p>b. Assessed the appropriateness of the revenue recognition accounting policies of the Company, by evaluating compliance with the Ind AS 115 'Revenue from Contracts with Customers';</p> <p>c. Tested the reconciliation of the amounts as per the sales register to the general ledger; and the reconciliation items on a sample basis;</p> <p>d. Selected samples of revenue transactions during the year and inspected underlying documents which inter-alia included invoices, customer contracts/ orders and shipping documents/ customers'</p>

<p>involving significant risk and hence requiring significant auditor attention. The Company and its external stakeholders focus on revenue as a key performance indicator and therefore there could be a risk of material misstatement in so far as revenue recognition is concerned.</p>	<p>acceptance, as applicable, to determine the revenue recognised in accordance with the terms of sales contracts;</p> <p>e. Tested selected samples of revenue transactions recorded before and after the financial year end date to determine whether the revenue has been recognised in accordance with the terms of the sales contracts, in the appropriate financial period;</p> <p>f. Evaluated the appropriateness and adequacy of disclosures in the Standalone financial statements in respect of revenue recognition.</p> <p>Based on the above procedures performed, we did not identify any material exceptions in revenue recognition of sale of goods.</p>

Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Report of the Directors, Management Discussion and Analysis Report, Report on Corporate Governance and Business Responsibility and Sustainability Report, but does not include the Standalone financial statements and our auditor's report thereon.
- Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the Standalone financial statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone financial statements

8. Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably

be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss(including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company was not required to recognise a provision as at March 31, 2023 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contracts. The Company did not have any derivative contracts as at March 31, 2023.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the Standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 46 (vi)(a) to the Standalone financial statements);
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the Standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 46 (vi)(b) to the Standalone financial statements); and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above contain any material misstatement.
 - v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
 - vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Company, is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.
15. The Company has provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 14(f) of the Independent Auditor's Report of even date to the members of Wendt (India) Limited on the standalone financial statements as at and for the year ended March 31, 2023

Report on the Internal Financial Controls with reference to Financial Statements under Section 143(3)(i) of the Act

- 1. We have audited the internal financial controls with reference to financial statements of Wendt (India) Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

- 2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

- 6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as

necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

- 7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 13 of the Independent Auditors' Report of even date to the members of Wendt (India) Limited on the standalone financial statements as of and for the year ended March 31, 2023

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3 to the Standalone financial statements, are held in the name of the Company.
- (d) The Company has chosen cost model for its Property, Plant and Equipment and Intangible Assets. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment or Intangible Assets does not arise.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016)(formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- ii. (a) The physical verification of inventory excluding stocks with third parties has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks which are in agreement with the audited books of account. Also refer Note 17 to the standalone financial statements.
- iii. (a) The Company has made investments in 6 mutual fund companies and has granted unsecured loans/ advances in the nature of loans to 233 employees of the Company during the year. The Company has not granted any loans to, or stood guarantee or provided security or made any investment in the subsidiary during the year. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans/advances in the nature of loans to employees are as per the table given below:

	Amount (Rs. lakhs)
Aggregate amount granted during the year: - Loans /advances in the nature of loans to employees	27.91

The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 of the Act. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company to that extent.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax and tax deducted at source, though there has been a slight delay in a few cases, and is regular in depositing other undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, duty of customs, cess, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues of provident fund, employees' state insurance, duty of customs, cess or goods and services tax, which have not been deposited on account of any dispute. The particulars of income tax as at March 31, 2023 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs.in lakhs)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income tax	4.40	2000-01	High Court of Karnataka

- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) According to the records of the Company examined by us and the information and explanations given to us, the Company has not obtained any term loans.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short term basis during the year.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiary.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Ind AS 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with them. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations provided by the management of the Company, the group does not have any CICs, which are part of the group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note 47 to the standalone financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. (a) In respect of other than ongoing projects, as at balance sheet date, the Company does not have any amount remaining unspent under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable.
- (b) The Company has not transferred the amount of Corporate Social Responsibility remaining unspent under of Section 135(5) of the Act pursuant to an ongoing project to a special account in compliance with the provision of Section 135(6) of the Act until the date of our report. However, the time period for such transfer, i.e., a period of thirty days from the end of the financial year as permitted under the said sub-section has not elapsed until the date of our report. Also refer Note 44 to the standalone financial statements.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

(iii) Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(iv) New and amended standards adopted by the Company

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

The Ministry of Corporate Affairs had vide notification dated March 23, 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and were effective April 1, 2022. These amendments did not have any impact on the amounts recognised in prior and current periods and are not expected to significantly affect the future periods.

2.2 Critical estimates and judgements

The preparation of these financial statements requires the use of accounting estimates which, by definition, which seldom equals the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

(i) Estimation of defined benefit obligation - refer note 34

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

2.3 Goodwill

Goodwill arising on acquisition of a business is carried at costs as established at the date of acquisition of the business less accumulated impairment losses, if any.

If the initial accounting for a business combination is incomplete by end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for

which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained above facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

Goodwill is tested for impairment annually. For the purpose of impairment testing, goodwill is allocated to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated to reduce the carrying amount of the goodwill. Any impairment loss recognised for goodwill is not reversed in subsequent periods.

2.4 Revenue recognition

The Company earns revenue from sale of goods and services of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and Precision products.

2.4.1 Sale of goods

Revenue from sale of goods is recognised when control of products has transferred to customers and there are no unfulfilled obligations that could affect the customer's acceptance of the products. Control of products is considered to be transferred at a point-in-time when goods have been despatched or delivered, as per the terms agreed with the customer.

Revenue is recognised at the transaction price which the company expects to be entitled.

The Company does not adjust any of the transaction prices for the time value of money as the contracts with customers do not contain a significant financing component, since the sales are generally made with a credit term of 30 to 60 days, which is consistent with market practice.

When the payment exceeds the value of goods supplied or services rendered, a contract liability (advance from customers) is recognised.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

2.4.2 Sale of services
Revenue from rendering of services is recognized as the services are rendered as per the terms of contracts with customers.

2.4.3 Dividend and interest income
Dividend income from investments is recognised when the shareholder's right to receive payment has been established.
Interest income from a financial asset is recognised and accrued using effective interest rate method.

2.4.4 Rental income
The company's policy for recognition of revenue from operating lease is described in note 2.5.1

2.5 Leasing - Operating

2.5.1 The Company as lessor
Lease income from operating leases where the Company is a lessor is recognized in income on a straight line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognized as expense over the lease term on the same basis as lease income. The respective lease assets are included in the balance sheet based on their nature.

2.5.2 The Company as lessee
The Company has a leasing arrangement which meets the definition of short term lease in accordance with Ind AS 116. The Company has elected to apply the practical expedient to not recognise a lease liability and right-of-use asset for short-term leases with a lease term of 12 months or less. Payments associated with short term leases are recognised on a straight line basis in the Statement of Profit and Loss.

2.6 Government Grants
Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.
Government grants relating to income are deferred and recognized in the Statement of profit or loss over the period necessary to match them with the costs that they are intended to

compensate and presented within other operating income.
Government grants relating to the purchase of property, plant and equipment are netted off with the cost of related asset.
The export incentives from the Government are recognized based on eligibility at their fair value where there is a reasonable assurance that the incentive will be received and the company will comply with all attached conditions.

2.7 Foreign currency transactions

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operate (i.e. the "functional currency"). The financial statements are presented in Indian Rupee (INR), the national currency for India, which is the functional and presentation currency of the company.
Transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the date of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at that date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.
Exchange differences on monetary items are recognised in the statement of profit and loss.

2.8 Borrowing costs

Borrowing costs, other than that are directly attributable to the acquisition, construction or production of a qualifying asset are expensed in the period in which they are incurred.

2.9 Employee benefits

2.9.1 Long Term Employee Benefits

Defined Contribution Plans

Superannuation fund, Provident fund and Pension

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

fund are defined contribution plans towards which the company makes contribution at predetermined rates to the Superannuation Trust, and the Regional Provident Fund Commissioner respectively. The same is debited to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.
The Company also makes contributions to state plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995. The Company has no further payment obligation once the contributions have been paid.

Defined Benefit Plan

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet. Defined benefit costs are categorised as follows :

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income;
- remeasurement

Other long term Employee Benefits - Compensated Absences

The Company also has liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present

value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Termination benefits are recognized as an expense as and when incurred.

2.9.2 Short-term employee benefits

Short term employee benefits including performance incentives which are expected to be settled within 12 months after the end of the period in which the employee renders related service, are determined as per Company's policy and recognized as expense based on expected obligation on undiscounted basis.

2.10 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

2.10.1 Current tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities,

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

2.10.2 Deferred tax

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. However, the deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill or from initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or losses at the time of the transaction.

Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

2.10.3 Indirect taxes

Goods and Services Tax (GST) credit on materials purchased / services availed for production / input services are taken into account at the time of purchase and availing services. GST Credit on purchase of capital goods wherever applicable are taken into account as and when the assets are acquired. The GST credits so availed are

utilised for payment of GST on outward supply and service. The unutilised GST credit is carried forward in the books.

2.11 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.12 Research and development costs

Revenue expenditure pertaining to research are charged to the respective heads in Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Capital expenditure incurred on research and development is capitalised as Property, Plant and equipment and depreciated in accordance with the policies stated for Property, Plant and equipment.

2.13 Property, Plant and equipment

Freehold Land is carried at historical cost. All other items of Property, Plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. The cost of tangible assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

borrowings attributable to acquisition of qualifying tangible assets up to the date the asset is ready for its intended use. Machinery spares which can be used exclusively in connection with an item of tangible asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent costs are included in the asset's carrying amount are recognised as a separate asset, as appropriate only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Capital work-in-progress:

Items of assets which are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest, if any.

Depreciation

Depreciation is calculated using the straight-line method to allocate the cost of the assets (other than freehold land and assets under progress), net of their residual values over their useful lives. The estimated useful lives, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation on property, plant and equipment has been provided on the straight-line method as above based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on assets added / disposed off during the year is provided on pro-rata basis from the month of addition or up to the month prior to the month of disposal, as applicable.

Individual assets costing less than Rs.5,000 each are depreciated in full in the year of acquisition.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of profit or loss.

Estimated useful lives of the tangible assets as specified under Schedule II to the Companies Act, 2013 are as follows:-	
Buildings - Freehold	
(i) Factory Building	30 years
(ii) Building (Other than factory building)	60 years
Plant and Machinery	
(i) Single Shift	15 years
(ii) Double Shift	10 years
(iii) Triple Shift	7.5 years
Office Equipment	
(i) Computers and Data Processing equipments	3 years
(ii) Servers and Networks	6 years
(iii) Others	5 years
Furniture and fittings	10 years
Motor Vehicles	8 years

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

2.14 Intangible assets

2.14.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.14.2. Intangible assets acquired in a business combination

Intangible assets acquired in a business combination other than goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

2.14.3 Useful lives of intangible assets

Estimated useful lives of the intangible assets as specified under Schedule II to the Companies Act, 2013 are as follows:-

Technical Knowhow	5 years
Computer Software	5 years
Brands and Trademarks	5 years
Patents	5 years

2.15 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a

reasonable and consistent allocation basis can be identified.

Recoverable amount is higher of fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset(or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of profit or loss.

2.16 Inventories

Inventories are valued at lower of cost and net realizable value. Cost of raw materials, stores and spares and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour, and an appropriate proportion of overheads. Cost of inventories also include all other costs incurred in bringing the inventories to the present location and condition. Cost is computed on weighted average basis.

Net realisable value represents the estimated selling price for inventories less the estimated costs of completion and estimated costs necessary to make the sale.

Provisions are made for potential obsolescence based on management assessment of aged inventory items.

2.17 Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects the Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

amortised cost using the effective interest method, less loss allowance.

2.18 Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with maturity of 3 months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in values, and bank overdrafts.

Statement of Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.19 Provisions and Contingencies

Provisions are recognised when the company has a present obligation (legal or constructive) as a results of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle present obligation at the end of reporting period, taking into account the risk and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or where there is an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements.

2.20 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provision of the instruments.

Financial assets (excluding trade receivables which do not contain a significant financing component) and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transactions costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of profit or loss.

2.21 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

2.21.1. Classification of financial assets

Financial Assets that meet the following conditions are subsequently measured at amortised cost (except for financial assets that are designated as fair value through profit or loss on initial recognition):

- the asset is held within business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount outstanding.

Financial assets are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss.

For the impairment policy on financial assets measured at amortised cost, refer Note 2.21.5

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount outstanding.

2.21.2 Investment in Subsidiary

Investment in subsidiary is carried at cost in

accordance with Ind AS 27, less impairment, if any.

2.21.3 Investment in equity instruments at FVTOCI

On initial recognition, the company can make an irrevocable election (on an instrument- by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investment in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value. Subsequently, they are measured at fair value with gain and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instrument through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

2.21.4. Financial assets at fair value through profit or loss (FVTPL)

Financial asset at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporate any dividend or interest earned on the financial asset and is included under 'Other income'. Dividend on financial asset at FVTPL is recognised when the company's right to receive the dividends is established. It is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount can be measured reliably.

FVTPL is a residual category for financial assets. Any financial categorisation which is not at amortised cost or as FVTOCI, is classified at FVTPL. In addition, the company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, at FVTPL, if doing so eliminates or significantly reduces a

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

measurement or recognition inconsistency.

2.21.5. Impairment of financial assets

The company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instruments at an amount equal to 12 month expected credit losses. 12 month expected credit losses are portion of the lifetime expected credit losses and represents the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the 12 months.

For trade receivables or any contractual rights to receive cash or another financial assets that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to life time expected credit losses.

Further, for the purposes of measuring lifetime expected credit loss allowance for trade receivables, the company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.22 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to

the chief operating decision maker (CODM). Refer Note 32 for segment information presented.

2.23 Exceptional Items

Exceptional items are material items of income or expenses that are disclosed separately due to the significance of their nature or amount, to provide further understanding of the financial performance of the Company.

2.24 Rounding Off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs, as per the requirement of Schedule III, unless otherwise stated.

2.25 New and amended standards issued but not effective

The Ministry of Corporate Affairs has vide notification dated March 31, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective April 1, 2023. The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. These amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the Company's accounting policy already complies with the new mandatory treatment.

Note 31 - Financial Instruments

31.1 Capital Management

The capital includes issued equity share capital and all other equity reserves attributable to the equity holders. The Company's objectives when managing capital is to safeguard their ability to continue as a going concern while maximizing the return to shareholders through the optimization of cash and cash equivalents along with investment which is predominantly investment in liquid, short term mutual funds and deposits.

31.2 Categories of financial instruments

The carrying value and fair value of financial instruments by categories as of March 31, 2023 and March 31, 2022 were as follows:

Particulars	Carrying Amount		Fair Value	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Financial Assets				
Measured at fair- value through profit and loss (FVTPL)

Financial Liabilities				
Measured at amortized cost				
- Trade payables	2,226.46	2,152.10	2,226.46	2,152.10
- Other financial liabilities	406.64	412.05	406.64	412.05
- Borrowings	-	99.92	-	99.92
Total financial liabilities	2,633.10	2,664.07	2,633.10	2,664.07

The management assessed that fair value of cash and short- term deposits, trade receivables, trade payables, borrowings and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- (I) The fair value of the quoted mutual funds is based on price quotations at reporting date and unquoted mutual funds is based on the net asset value published by the asset management company at the reporting date. The fair value of unquoted instruments , loans from banks and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debtor similar terms, credit risk and remaining maturities.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e.as prices) or indirectly (i.e. Derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Investment in Subsidiaries is measured at cost and hence not considered for categorisation.

Note 31.3 Financial Risk management objectives and polices

The Company treasury function provides service to the business, co-ordinates access to domestic and international financial markets monitors and manages the financial risks relating to the operations of the company through internal risk report which analyze exposures by degree and magnitude of risk. These risk include market risk, currency risk, interest risk, price risk, credit risk and liquidity risk.

The Company seeks to minimize the effects of these risks by using policies approved by the board of directors, which provide written principles on interest risk, credit risk and investment of excess liquidity. The Company does not enter into trade financial instruments for speculative purpose.

The Company treasury function reports quarterly to the senior management team that monitors risk and policies implemented to mitigate risk exposures.

31.3.1 Market risk

The company is exposed primarily to the financial risk of change in foreign currency exchange rate. The Company transacts in various foreign currencies. Foreign currencies are recognised at the rate of exchange prevailing at the date of transaction. Company being a net exporter, follows the policy of natural hedging of foreign exchange transactions. There is net foreign exchange gain in the current and previous year.

NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED MARCH 31, 2023 (Rs. in Lakhs)

31.3.1 (a) Foreign currency risk management

The company undertakes transactions denominated in foreign currencies, consequently, the company is exposed to exchange rate fluctuations. To mitigate this, during the year company started operating US Dollar denominated Exchange Earners' foreign currency (EEFC) account. The export proceeds are getting credited in this account and these amounts in foreign currency are utilized to make import payments. Further, the company, being a net exporter, follows the policy of natural hedging of foreign exchange earnings and outflow and hence it does not take any forward covers.

The carrying amounts of the Company's foreign currency (unhedged) denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Particulars	March 31, 2023		March 31, 2022

Note 32 - Segment Disclosure

32.1 Products and services from which reportable segments derive their revenue

The CEO of the Company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the CODM, in deciding how to allocate resources and assessing performance.

The Company has changed its reportable segments during the current year, accordingly the company has restated the corresponding items of segment information for earlier year.

- 1) The Company is now organised into three main business segments, namely :
a) SuperAbrasives, b) Machines and accessories and c) Precision Products.

The above segments have been identified taking into account the organisation structure as well as the differing risks and returns of these segments. The Company has identified business segments as its primary segments. The reportable business segments are in line with the segment wise information which is being presented to the CODM.

- 2) Segment Revenue and expenses have been identified to segments on the basis of their relationships to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under "Other un-allocable Income".

There are no contingent rents receivable and there are no direct operating expenses related to the above building.

Note 34 - Employee Benefits

Defined Contribution Plans

The Company operates defined contribution benefit plans for all qualifying employees.

Superannuation fund, Provident fund and pension fund are defined contribution plans towards which the Company makes contribution at predetermined rates to the Superannuation Trust funded with Life Insurance Corporation Of India and the Regional Provident Fund Commissioner respectively. The same is debited to the Statement of Profit and Loss account based on the amount of contribution required to be made as and when services are rendered by the employees. The Company also makes contributions to state plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995. The Company has no further payment obligation once the contributions have been paid.

Defined Benefit Plans

The Company is having defined benefit plan namely gratuity for all qualifying employees.

The liability for gratuity to employees as at the Balance sheet date is determined on the basis of actuarial valuation using Projected Unit Credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected in retained earnings and is not reclassified to profit or loss.

The plans typically expose the company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using the discount rate which is determined by reference to market yield at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yields at the end of the reporting period. If the return on plan asset is below this rate, it will create a plan deficit.
Interest risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

(f) Composition of plan assets

Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022
Fund with an Insurance Company	781.25	664.29

(g) Significant actuarial assumptions

Particulars	For the year ended March 31, 2023	For the year ended March 31, 2022
Discount rate	7.17%	6.96%
Salary escalation rate	12.00%	11.50%
Attrition Rate	7.00%	7.00%
Retirement Age	58 years	58 years
Pre-retirement mortality	Indian Assured Lives Mortality (2012-14) Ultimate	Indian Assured Lives Mortality (2012-14) Ultimate

The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield.

(h) Sensitivity analysis - DBO end of Period

Particulars	As at March 31, 2023	As at March 31, 2022
Discount rate +100 basis points	767.37	726.99
Discount rate -100 basis points	896.14	855.68
Salary Increase Rate +1%	890.50	847.64
Salary Increase Rate -1%	770.96	732.49
Attrition Rate +1%	808.89	769.72
Attrition Rate -1%	848.22	806.42

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual changes in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Independent Auditor's Report
 To the Members of Wendt (India) Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Wendt (India) Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), (refer Note 1 to the consolidated financial statements), which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2023, and consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in sub-paragraph 14 of the Other Matters section below, other than the unaudited financial information as furnished by the management and referred to in sub-paragraph 15 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p>Appropriateness of revenue recognition on sale of goods</p> <p>Refer Note 2.5 (Revenue recognition) and Note 22(i) (Revenue from contract with customers) of the consolidated financial statements.</p> <p>The Holding Company's revenue principally comprises sale of goods. Revenue from the sale of goods is recognised at a point in time when the control of the goods is transferred to the customers, which is on dispatch or delivery in accordance with the terms of sales contracts, and there are no unfulfilled obligations that could affect the customer's acceptance of the products.</p> <p>We have identified the recognition of revenue as a key audit matter as the Holding Company has various customers with different terms of sales contracts which increase the risk of error in the timing of revenue recognition. Revenue recognition is determined to be an area involving significant risk and hence requiring significant auditor attention. The Holding Company and its external stakeholders focus on revenue as a key performance indicator and therefore there could be a risk of material misstatement in so far as revenue recognition is concerned.</p>	<p>Our audit procedures relating to revenue recognition included the following:</p> <ol style="list-style-type: none"> a. Understood and performed procedures to assess the design and test the operating effectiveness of management's key internal financial controls in relation to revenue recognition; b. Assessed the appropriateness of the revenue recognition accounting policies of the Holding Company, by evaluating compliance with the Ind AS 115 'Revenue from Contracts with Customers'; c. Tested the reconciliation of the amounts as per the sales register to the general ledger; and the reconciliation items on a sample basis; d. Selected samples of revenue transactions during the year and inspected underlying documents which inter-alia included invoices, customer contracts/ orders and shipping documents/ customers' acceptance, as applicable, to determine the revenue recognised in accordance with the terms of sales contracts; e. Tested selected samples of revenue transactions recorded before and after the financial year end date to determine whether the revenue has been recognised in accordance with the terms of the sales contracts, in the appropriate financial period; f. Evaluated the appropriateness and adequacy of disclosures in the consolidated financial statements in respect of revenue recognition. <p>Based on the above procedures performed, we did not identify any material exceptions in revenue recognition of sale of goods.</p>

Other Information

5. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Report of the Directors, Management Discussion and Analysis Report, Report on Corporate Governance and Business Responsibility and Sustainability Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us (Refer sub-paragraph 14 of the Other Matters section below), we conclude that there is a material misstatement of this Other Information, we are required to report that fact .We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
8. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that

may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Holding Company included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
11. We communicate with those charged with governance of the Holding Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

14. The financial statements of a subsidiary located outside India, included in the consolidated financial statements, which constitute total assets of Rs.2479.01 lakhs and net assets of Rs.2245.94 lakhs as at March 31, 2023, total revenue of Rs.1973.93 lakhs, profit of Rs.208.54 lakhs, total comprehensive income (comprising of profit and other comprehensive income) of Rs.208.54 lakhs and net cash flows amounting to Rs.62.65 lakhs for the year then ended, have been prepared in accordance with accounting principles generally accepted in its country of incorporation and has been audited by other auditor under generally accepted auditing standards applicable in its country of incorporation. The Holding Company's management has converted the financial statements of such subsidiary, from the accounting principles generally accepted in its country of incorporation to the accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary, including other information, is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.
15. We did not audit the financial information of a subsidiary whose financial information reflect total revenue of Nil, total comprehensive income (comprising of loss and other comprehensive income) of Nil and net cash outflows amounting to Rs.3.78 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial information are unaudited and have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms Section 143(3) of the Act including report on Other

Information insofar as it relates to this subsidiary is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the Group.

16. Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ("the order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in Annexure B, a statement on the matter specified in paragraph 3(xxi) of the order.

18. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company, and taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There were no pending litigations which would impact the consolidated financial position of the Group.
 - ii. The Group was not required to recognise a provision as at March 31, 2023 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contracts. The Group did not have any derivative contracts as at March 31, 2023.
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company incorporated in India during the year.
 - iv. (a) The Managements of the Holding Company which is incorporated in India whose financial statements have been audited under the Act to the best of their knowledge and belief, as disclosed in the notes to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding

Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer note 39(vi)(a) to the consolidated financial statements)

(b) The Management of the Holding Company which is incorporated in India whose financial statements have been audited under the Act, to the best of their knowledge and belief, as disclosed in the notes to the Consolidated financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer note 39(vi)(b) to the consolidated financial statements)

(c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us on the Holding Company whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) above contain any material misstatement.

v. The dividend declared and paid during the year by the Holding Company is in compliance with Section 123 of the Act.

vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Holding Company, is applicable only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.

19. The Holding Company has provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 18(f) of the Independent Auditor's Report of even date to the members of Wendt (India) Limited on the consolidated financial statements as at and for the year ended March 31, 2023

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Section 143(3)(i) of the Act

- 1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to financial statements of Wendt (India) Limited (hereinafter referred to as "the Holding Company") as of that date. Reporting under Section 143(3)(i) of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is not applicable to the Company's subsidiary incorporated outside India namely Wendt Grinding Technologies Limited, pursuant to Ministry of Corporate Affairs notification GSR 583(E) dated June 13, 2017.

Management's Responsibility for Internal Financial Controls

- 2. The Board of Directors of the Holding Company, to whom reporting under Section 143(3)(i) of the Act in respect of the adequacy of the internal financial controls with reference to financial statements is applicable, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to financial statements

- 6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

- 7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8. In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

NOTE NO.

1 GROUP OVERVIEW

Wendt (India) Limited (hereinafter referred to as "the Company") was incorporated on August 21, 1980 under the provisions of the erstwhile Companies Act,1956, and is a joint venture between Wendt GmbH Germany and Carborundum Universal Limited, India. The Company is into manufacturing, selling and servicing of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and Precision products. The Company's registered office is in Bangalore and factory is situated in Hosur, Tamilnadu. The Company has 2 subsidiaries viz. Wendt Grinding Technologies Limited, Thailand and Wendt Middle East FZE, UAE. The Company, together with subsidiaries are hereinafter referred to as "the Group". The CIN of the Company is L85110KA1980PLC003913.

The Board of Directors of the Company had approved a proposal for voluntary de-registration of M/s. Wendt Middle East FZE ("WME"), a wholly owned subsidiary of the Company located at Hamriyah Free Zone, Sharjah, UAE during January 2021 and the de-registration process was initiated thereafter. During the year ended March 31, 2022, WME had substantially completed liquidation related procedures and also repaid back the share capital to the Company. Further, the clearance certificate for de-registration from the Hamriyah Free Zone Authority (HFZA) has been received on May 10, 2022 and accordingly, the subsidiary ceased to be in existence from the above date.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation and Presentation

(i) Compliance with Ind AS

The Consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Indian Accounting Standards Rules, 2015] and other relevant provisions of the Act.

(ii) Historical Cost Convention

These Consolidated financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(iii) Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(iv) New and amended standards adopted by the Group

The Ministry of Corporate Affairs had vide notification dated March 23, 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and were effective April 1, 2022. These amendments did not have any impact on the amounts recognised in prior and current periods and are not expected to significantly affect the future periods.

2.2 Critical estimates and judgements

The preparation of these Consolidated financial statements requires the use of accounting estimates which, by definition, seldom equals the actual results. Management also needs to exercise judgement in applying the Group's accounting policies. This note provides an overview of the areas that involved higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

included in the relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

The areas involving critical estimates or judgements are:

(i) Estimation of defined benefit obligation - refer note 33

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

2.3 Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company. Control is achieved when the Company:

- has power over the investee
- is exposed, or has rights, to variable return from its involvement with the investee; and
- has the ability to use its power to affect its returns.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's

accounting policies.

Following subsidiary companies have been included in Consolidation:-

- (i) Wendt Grinding Technologies Limited, Thailand-99.99% Ownership Proportion (as on March (incorporated on 19th July 2005) 31, 2023 & as on March 31, 2022)
- (ii) Wendt Middle East FZE, Sharjah (UAE) - Liquidated on May 10, 2022 and 100% (incorporated on 24th September 2008) Ownership Proportion (as on March 31, 2022)

2.3.1. Changes in the Group's ownership interest in existing subsidiaries

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary. All amounts previously recognised in other comprehensive income in relation to that subsidiary (i.e., reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or , when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

2.4 Goodwill

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquired business and the acquisition date fair value of any previous equity interest in the acquired entity (if any), over the fair value of the net identifiable assets acquired.

If the initial accounting for a business combination is incomplete by end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

Goodwill arising on acquisition of a business is carried at costs as established at the date of acquisition of the business less accumulated impairment losses, if any.

Goodwill is tested for impairment annually. For the purpose of impairment testing, goodwill is allocated to those cash-generating units that are expected to benefit from the business combination in which the goodwill arose. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated to reduce the carrying amount of the goodwill. Any impairment loss recognised for goodwill is not reversed in subsequent periods.

2.5 Revenue recognition

The Group earns revenue from sale of goods and services of Super Abrasives, High precision Grinding, Honing, Special Purpose Machines and Precision products.

2.5.1 Sale of goods

Revenue from sale of goods is recognised when control of products has transferred to customers and there are no unfulfilled obligations that could affect the customer's acceptance of the products. Control of products is considered to be transferred at a point-in-time when goods have been despatched or delivered, as per the terms agreed with the customer.

Revenue is recognised at the transaction price which the Group expects to be entitled. The Group does not adjust any of the transaction prices for the time value of money as the contract with customers does not contain a significant financing component, since the sales are generally made with a credit term of 30 to 60 days, which is consistent with market practice.

When the payment exceeds the value of goods supplied or services rendered, a contract liability (advance from customers) is recognised.

2.5.2 Sale of services

Revenue from rendering of services is recognized as the services are rendered as per the terms of contracts with customers.

2.5.3 Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognised and accrued using effective interest rate method.

2.5.4 Rental income

The Group's policy for recognition of revenue from operating lease is described in note 2.6.1.

2.6 Leasing - Operating

2.6.1 The Group as lessor

Lease income from operating leases where the Group is a lessor is recognized in income on a straight line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognized as expense over the lease term on the same basis as lease income. The respective lease assets are included in the balance sheet based on their nature.

2.6.2 The group as lessee

The Group has a leasing arrangement which meets the definition of short term lease in accordance with Ind AS 116. The Group has elected to apply the practical expedient to not recognise a lease liability and right-of-use asset for short-term leases with a lease term of 12 months or less. Payments associated with short term leases are recognised on a straight line basis in the Statement of Profit and Loss.

2.7 Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

deferred and recognized in the Statement of profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating income.

Government grants relating to the purchase of property, plant and equipment are netted off with the cost of related asset.

The export incentives from the Government are recognized based on eligibility at their fair value where there is a reasonable assurance that the incentive will be received and the Group will comply with all attached conditions.

2.8 Foreign currency transactions

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates (i.e. the "functional currency"). The Consolidated financial statements are presented in Indian Rupee (INR), the national currency for India, which is functional and presentation currency of the Group.

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currency) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

For the purposes of presenting these consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into Indian Rupees using exchange rates prevailing at the end of each reporting period. Income and

expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity (and attributed to non-controlling interests as appropriate).

On the disposal of a foreign operation (i.e. disposal of the Group's entire interest in a foreign operation, a disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in a joint arrangement or an associate that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the Group are reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that includes a foreign operation that does not result in the Group losing control over the subsidiary, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss. For all other partial disposals (i.e. partial disposals of associates or joint arrangements that do not result in the Group losing significant influence are joint controlled), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

2.9 Borrowing costs

Borrowing costs, other than that are directly attributable to the acquisition, construction or production of a qualifying asset are expensed in the period in which they are incurred.

2.10 Employee benefits

2.10.1 Long Term Employee Benefits

Defined Contribution Plans

Superannuation fund, Provident fund and Pension

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

fund are defined contribution plans towards which the Company makes contribution at predetermined rates to the Superannuation Trust, and the Regional Provident Fund Commissioner respectively. The same is debited to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.

The Company also makes contributions to state plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995. The Company has no further payment obligation once the contributions have been paid.

Defined Benefit Plan

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in consolidated other comprehensive income. They are included in retained earnings in the consolidated statement of changes in equity and in the consolidated Balance Sheet. Defined benefit costs are categorised as follows :

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income;
- remeasurement

Other long term Employee Benefits - Compensated Absences

The Company also has liabilities for earned leave that are not expected to be settled wholly within

12 months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Termination benefits are recognized as an expense as and when incurred.

2.10.2 : Short-term employee benefits

Short term employee benefits including performance incentives which are expected to be settled within 12 months after the end of the period in which the employee renders related service, are determined as per the Group's policy and recognized as expense based on expected obligation on undiscounted basis.

2.11 Taxation

Income tax expense represents the sum of the current tax payable and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

2.11.1 Current tax

Current tax is measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

2.11.2 Deferred tax

Deferred tax is recognized using the Balance Sheet approach. Deferred Tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in consolidated financial statements. However, the deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill or from initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or losses at the time of the transaction.

Deferred tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred tax liabilities are recognized for all taxable temporary differences other than investment in subsidiaries, where the Parent is able to control the timing of the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

2.11.3 Indirect taxes

Goods and Services Tax (GST) credit on materials purchased / services availed for production / input services are taken into account at the time of purchase and availing services. GST Credit on purchase of capital goods wherever applicable are taken into account as and when the assets are acquired. The GST credits so availed are utilised for payment of GST on outward supply and service. The unutilised GST credit is carried forward in the books.

2.12 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.13 Research and development costs

Revenue expenditure pertaining to research are charged to the respective heads in Consolidated Statement of Profit and Loss. Development costs of products are also charged to the Consolidated Statement of Profit and Loss unless a product's technical feasibility has been established, in which case such expenditure is capitalised. The amount capitalised comprises expenditure that can be directly attributed or allocated on a reasonable and consistent basis to creating, producing and making the asset ready for its intended use. Capital expenditure incurred on research and development is capitalised as Property, Plant and equipment and depreciated in accordance with the policies stated for Property, Plant and equipment.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

2.14 Property, Plant and equipment

Freehold Land is carried at historical cost.

All other items of Property, Plant and equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. The cost of Property, Plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying assets up to the date the asset is ready for its intended use. Machinery spares which can be used exclusively in connection with an item of Property, Plant and equipment and whose

and the cost of the item can be measured reliably.

Capital work-in progress:

Items of assets which are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest, if any.

Depreciation

Depreciation is calculated using the straight-line method to allocate the cost of the assets (other than freehold land and assets under progress), net of their residual values over their useful lives. The estimated useful lives, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Estimated useful lives of the tangible assets as specified under Schedule II to the Companies Act, 2013 are as follows:-

Buildings - Freehold	
(i) Factory Building	30 years
(ii) Building (Other than factory building)	60 years
(iii) Others	20 years
Plant and Machinery	
(i) Single Shift	15 years
(ii) Double Shift	10 years
(iii) Triple Shift	7.5 years
Office Equipment	
(i) Computers and Data Processing equipments	3 years
(ii) Servers and Networks	6 years
(iii) Others	5 years
Furniture and Fittings	10 years
Vehicles	8 years

use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent costs are included in the asset's carrying amount are recognised as a separate asset, as appropriate only when it is probable that future economic benefits associated with the item will flow to the Group

Depreciation on property, plant and equipment has been provided on the straight-line method as above based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

Depreciation on assets added / disposed off during the year is provided on pro-rata basis from the month of addition or up to the month prior to the month of disposal, as applicable.

Individual assets costing less than Rs.5,000 each are depreciated in full in the year of acquisition.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in consolidated statement of profit or loss.

2.15 Intangible assets

2.15.1 Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

2.15.2 Intangible assets acquired in a business combination

Intangible assets acquired in a business combination other than goodwill are initially recognised at their fair value at the acquisition date (which is regarded as their cost).

2.15.3 Useful lives of intangible assets

Estimated useful lives of the intangible assets as specified under Schedule II to the Companies Act, 2013 are as follows:-

Technical Knowhow	5 years
Computer Software	5 years
Brands and Trademarks	5 years
Patents	5 years

2.16 Impairment of tangible and intangible assets other than goodwill

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is higher of fair value less cost of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of profit or loss.

2.17 Inventories

Inventories are valued at lower of cost and net realizable value. Cost of raw materials, stores and spares and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour, and an appropriate proportion of overheads. Cost of inventories also include all other costs incurred in bringing the inventories to the present location and condition. Cost is computed on weighted

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

average basis.

Net realisable value represents the estimated selling price for inventories less the estimated costs of completion and estimated costs necessary to make the sale.

Provisions are made for potential obsolescence based on management assessment of aged inventory items.

2.18 Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects the Group’s unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

2.19 Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with maturity of 3 months or less that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in values, and bank overdrafts.

Statement of Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the group are segregated.

2.20 Provisions and Contingencies

Provisions are recognised when the group has a present obligation (legal or constructive) as a results of a past event, it is probable that the group will be required to settle the obligation, and a

reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle present obligation at the end of reporting period, taking into account the risk and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or where there is an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the consolidated financial statements.

2.21 Financial instruments

Financial assets and financial liabilities are recognised when the group becomes a party to the contractual provision of the instruments.

Financial assets (excluding trade receivables which do not contain a significant financing component) and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transactions costs directly attributable to the acquisition of financial assets or financial liabilities

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31,2023

at fair value through profit or loss are recognised immediately in the Statement of profit or loss.

2.22 Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

2.22.1. Classification of financial assets

Financial Assets that meet the following conditions are subsequently measured at amortised cost (except for financial assets that are designated as fair value through profit or loss on initial recognition):

- the asset is held within business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount outstanding.

Financial assets are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss.

For the impairment policy on financial assets measured at amortised cost, refer Note 2.22.4

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for financial assets that are designated as fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instruments give rise on specified dates to cash flows that are solely payments of principal and interest on the principal and interest on the principal amount outstanding.

2.22.2 Investment in equity instruments at FVTOCI

On initial recognition, the group can make an irrevocable election (on an instrument - by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investment in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value. Subsequently, they are measured at fair value with gain and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instrument through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

2.22.3. Financial assets at fair value through profit or loss (FVTPL)

Financial asset at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporate any dividend or interest earned on the financial asset and is included under 'Other income'. Dividend on financial asset at FVTPL is recognised when the group's right to receive the dividends is established. It is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount can be measured reliably.

FVTPL is a residual category for financial assets. Any financial categorisation which is not at

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

amortised cost or as FVTOCI, is classified at FVTPL. In addition, the group may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, at FVTPL, if doing so eliminates or significantly reduces a measurement or recognition inconsistency.

2.22.4. Impairment of financial assets

The Group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the group measures the loss allowance for that financial instruments at an amount equal to 12 month expected credit losses. 12 month expected credit losses are portion of the lifetime expected credit losses and represents the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the 12 months.

For trade receivables or any contractual rights to receive cash or another financial assets that result from transactions that are within the scope of Ind AS 115, the group measures the loss allowance at an amount equal to life time expected credit losses.

Further, for the purposes of measuring lifetime expected credit loss allowance for trade receivables, the group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed

based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

2.23 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Refer Note 31 for segment information presented.

2.24 Rounding Off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs, as per the requirement of Schedule III, unless otherwise stated.

2.25 New and amended standards issued but not effective

The Ministry of Corporate Affairs has vide notification dated March 31, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective April 1, 2023. The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. These amendments are not expected to have a material impact on the Group in the current or future reporting periods and on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the Group's accounting policy already complies with the new mandatory treatment.

- Borrowings	-	99.92	-	99.92
Total financial liabilities	2,759.66	2,827.16	2,759.66	2,827.16

The management assessed that fair value of cash and short- term deposits, trade receivables, trade payables, borrowings and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- i) The fair value of the quoted mutual funds is based on price quotations at reporting date and unquoted mutual funds is based on the net asset value published by the asset management company at the reporting date. The fair value of unquoted instruments, loans from banks and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debtor similar terms, credit risk and remaining maturities.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents the fair value measurement hierarchy of financial assets measured at fair value on recurring basis as at March 31, 2023 and March 31, 2022.

30.3 Financial Risk management objectives and policies

The Group treasury function provides service to the business, co-ordinates access to domestic and international financial markets monitors and manages the financial risks relating to the operations of the group through internal risk report which analyze exposures by degree and magnitude of risk. These risk include market risk, currency risk, interest risk, price risk, credit risk and liquidity risk.

The Group seeks to minimise the effects of these risks by using policies approved by the board of directors, which provide written principles on interest risk, credit risk and investment of excess liquidity. The group does not enter into trade financial instruments for speculative purpose.

The Group treasury function reports quarterly to the senior management team that monitors risk and policies implemented to mitigate risk exposures.

30.3.1 Market risk

The Group is exposed primarily to the financial risk of change in foreign currency exchange rate. The group transacts in various foreign currencies. Foreign currencies are recognised at the rate of exchange prevailing at the date of transaction. The group being a net exporter, follows the policy of natural hedging of foreign exchange transactions. There is a net foreign exchange gain in the current and previous year.

30.3.1 (a) Foreign currency risk management

The Group undertakes transactions denominated in foreign currencies, consequently, the group is exposed to exchange rate fluctuations. To mitigate this, during the year group has started operating US Dollar denominated Exchange Earner's foreign currency (EEFC) account. The export proceeds are getting credited in this account and these amounts in foreign currency are utilized to make import payments. Further, the Group, being a net exporter, follows the policy of natural hedging of foreign exchange earnings and outflow and hence it does not take any forward covers.

30.3.2 Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

The customers are broadly classified into high risk and medium risk, accordingly credit limit exposure is fixed. The company carries out payment performance review of all customers and based on this analysis, risk category of customers are evaluated annually. Further, the utilization of credit limit is regularly monitored by the Management.

30.3.3 Liquidity Risk

Liquidity risk is the risk that the group will not be able to meet its financial obligations as they fall due. The group's approach to managing liquidity is to ensure that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's business and reputation.

The group regularly reviews its receivables, inventory and other working capital elements to mitigate any liquidity concerns. Any surplus from the business funds needs is parked in debt mutual funds (liquid / liquid plus) from reputed Asset Management Companies to provide day to day working capital.

Note 31 - Segment Disclosures

31.1 Products and services from which reportable segments derive their revenue

The Chief Executive Officer (CEO) of the holding Company has been identified as the Chief Operating Decision Maker (CODM) of the Group as defined by Ind AS 108, Operating Segments. Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the CODM, in deciding how to allocate resources and assessing performance.

The Group has changed its reportable segments during the current year, accordingly the group has restated the corresponding items of segment information for earlier year.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

(Rs. in Lakhs)

1) The Group is now organised into four business segments, namely:

a) Super Abrasives, b) Machines and Accessories, c) Precision Products and d) Others

The "Others" segment includes other trading products.

The above segments have been identified taking into account the organisation structure as well as the differing risks and returns of these segments. The Group has identified business segments as its primary segments. The reportable business segments are in line with the segment wise information which is being presented to the CODM.

2) Segment revenue and expenses have been identified to segments on the basis of their relationships to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under "Other un-allocable Income".

There are no contingent rents receivable and there are no direct operating expenses related to the above building.

Note 33 - Employee Benefits

Defined Contribution Plans

The Company operates defined contribution benefit plans for all qualifying employees. Superannuation fund, Provident fund and pension fund are defined contribution plans towards which the Company makes contribution at predetermined rates to the Superannuation Trust funded with Life Insurance Corporation Of India and the Regional Provident Fund Commissioner respectively. The same is debited to the Statement of Profit and Loss account based on the amount of contribution required to be made as and when services are rendered by the employees. The Company also makes contributions to state plans namely Employee's State Insurance Fund and Employee's Pension Scheme 1995. The Company has no further payment obligation once the contributions have been paid. The Company's subsidiaries do not have any defined contribution or benefit plans.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

(Rs. in Lakhs)

Defined Benefit Plans

The Company is having defined benefit plan namely gratuity for all qualifying employees.

The liability for gratuity to employees as at the balance sheet date is determined on the basis of actuarial valuation using projected Unit Credit method. The amount is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India.

Remeasurement, comprising actuarial gain and losses and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected in retained earnings and is not reclassified to profit or loss.

The plans typically expose the company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using the discount rate which is determined by reference to market yield at the end of the reporting period on government bonds. For other defined benefit plans, the discount rate is determined by reference to market yields at the end of the reporting period. If the return on plan asset is below this rate, it will create a plan deficit.
Interest rate risk	A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

(h) Sensitivity analysis - DBO end of Period

Particulars	As at March 31, 2023	As at March 31, 2022
Discount rate +100 basis points	767.37	726.99
Discount rate -100 basis points	896.14	855.68
Salary Increase Rate +1%	890.50	847.64
Salary Increase Rate -1%	770.96	732.49
Attrition Rate +1%	808.89	769.72
Attrition Rate -1%	848.22	806.42

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual changes in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.
